HUN SOLDIERS' COUNCILS CLAIM ARMY CONTROL

Calling of Congress at Time Assembly Is to Meet Considered Menace to Government.

Berlin, Feb. 2.-With the time for the convening of the German national assembly only four days off, the political situation has suddenly taken on an aspect which must be considered menacing to the 'gov-

While it is unlikely that any attempt will be made to disperse the constitute assembly at Weimar there constitute assembly at amounts to a probably will be what amounts to a rival parliament in session simultaneously in Berlin. The Berlin meeting will be a national congress of all soldiers' councils, called on the initiative of the local council of Berlin, obstensibly to consider the question of retaining the power of military command in the councils. Gives Spartacans Another Chance.

Among those who have followed the activities of the councils since the recent revolt, and particularly in the last week, there is little doubt, however, that the congress will afford the Spartacans, inde-pendent socialists and other radicals an opportunity to insist on the re-tention of the soviet system, alone

or other governmental body.

Although the decision to hold this congress is obviously a vote of lack of confidence in the central committee, the latter permits it to be unofficially announced that it indisposed to grant this wish.' Attack War Minister.

the congress, declared that War calculated to reduce the councils to be legitimate homage to his life's terday with a well selected reper-a position of impotence and in- devotion to the workers, entirely to re of standard selections. a position of impotence and in-significance," an opinion which the Berlin council had strikingly illustrated this week when it sent a de-mand to the members of the cabinet to appear before it and d. end their recent course, and particularly their attitude during bolshevik week.
