COATS are a timely subect if Old Man Winter intends to shake his chilly winds loose the rest of the

For your benefit, who feel the need of heavier wraps, we have decided to continue our clearance sale on coats for another week. We offer you here some bargains in the coat line that will make your heart glow, while they keep out the nipping winds, and still create a happy feeling in your pocketbooks.

#### Bargain No. 1-

One exquisite model of velvety suede cloth, in overseas blue, with a deep, graceful collar of Australian opossum, and a lining of golden pussy willow satin. It is a coat that was marked close at \$250, yours now at \$85.

#### Bargain No. 2

Four models in rich, smooth broadcloth, finest weave, brown, blue, taupe, and black. All are attractively lined with heavy satin, and warmly interlined. The collars of choice Hudson Seal. Formerly priced at \$97.50, now yours at \$45.

#### Bargain No. 3

Fifty models in velours, broadcloths, cheviots, and silvertones. Specially good buys for the keen business woman and the high school miss who must face the keen winds every day from now on. All these garments are handsomely and warmly lined. They include values up to \$75, and are yours this week at \$25.

#### Fur Bargains

We have sold so many

furs this winter that our stock has scarcely more than one of a kind, in sets or separate pieces. Rather than send this broken lot to storage. we will sell them to you at absolutely half price. The lot includes one full length coat of natural opossum, formerly \$225. 1 Set Siberian Squirrel, soft gray; formerly \$90, now ......\$45 1 Set Chinchilla Squirrel, formerly \$125 1 Piece Brown Fox; formerly \$40, now \$20 1 Piece Gray Fox; formerly \$50, now \$25

y an announcement at

as that under discussion. Chairman Overman said it was not and Mr Walsh drafted and presented his resolution, which was adopted.

The resolution was regarded by try in Peril. the subcommittee as authorizing in-quiry into the activities of the I. W. W., which organization was referred Washington, Feb. 4,-A government regulated monopoly of the to by Senator Thomas of Colorade meat industry was advocated by live in the senate discussian as "crimi in the senate discussian as "crimistock producers today before the stock producers today before the nal." Senator Kellog declared that senate agriculture committee and the I. W. W. was seeking to wreck the house interstate commerce comthe government by force. The new inquiry by the Overman mittee as the only means of satisfying both the producer and the concommittee was ordered as the com sumer and preventing the cattle busmittee was concluding its long in

iness from being destroyed. George Armstrong, cattleman of Fort Worth, Tex., recommended to the senate committee that legislation be enacted which would give the the subcommittee was held today government control of the entire industry and permit it to fix the prices of live stock, meat and labor. He said both producers and consumers had just grievances against the present system and that only govern-ment intervention would prevent entinued agitation.

Overman that Secretary Baker had Edward C. Lasatter, member of ie executive committe of the Na- refused to give the committee infortional Live Stock association and former chief of the live stock and markets division of the food adminmarkets division of the food admin-istration, told the house committee that the cattle industry would be the Federal Farm Loan bank at destroyed if the government did not take steps immediately towards asuring the producers a just profit. He declared that more cattlemen were facing bankruptcy today than at any other time in the history of the industry, and that government that he would permit the committee ownership was the only solution of

#### Attacks Hoover's Policy

Mr. Lasatter charged that the food administration was responsible for large losses suffered by live stock producers. He said the packers were assured a good profit on everything hey handled, but when the producers asked for the same privilege, Food Administrator Hoover told thm it could not be done and that they should be willing to make some sacrifice to aid the country to win the war.

The report of the military intelligence division of of the army, according to an excerpt quoted by Mr. Baker, said that Mr. Von Engelken The witness said the result was was loyal to the United States, al-

the credit of the producers was de- though "his conduct prior to the enstroyed and that they had lost so trance of this country into the war, much money that they now were as well as since, has caused him to forced to sell all their calves with be a much criticised man." the consequent threat to the future meat supply.
"Mr. Hoover seemed to have every

one's interest at heart except the producers," he stated. "He treated them unfairly from the start. He Lincoln, Neb., Feb. 4.—(Special even went so far as to tell the allies the meat supply of the country was

#### PRESIDENT IS **BUSY ON LEAGUE** IN MANY PLOTS OF NATIONS PLAN

of the conference while the execu-

tive branch is similar to the council of the great powers now holding daily sessions. Changes Made in Revision,

The revised plan makes several nportant changes. The legislation branch remains the same, with the great and small nations represented. The executive branch is modified, however, so as to consist chiefly of the great powers with two representatives from each to which others from the small powers may e added when interests especially

affecting them are at issue. The third branch is entirely changed, so as to eliminate the plan of arbitrators and substitute an executive council of the great powers as a tribunal for judging internal issues, analogous to the international

preme council. It is the two latter features which are regarded by the small powers as tending to concentrate the executive and judicial branches in the hands of the great powers, whereas the small powers prefer the plan giving them a status on the executive branch, and arbitration as a means of judicial determination instead of a tribunal of the great
