FORCED AUCTION SALE-506 MULES-337 DAVID CITY 50 HEAD HORSES

Property of the Italian Government At Stock Yards, Fremont, Neb.

February 13, 14 and 15

This is a forced sale. These horses belong to the Italian government and their reason for selling them is on account of the inability to get shipping space to transport these horses and and mules to Europe.

The mules stand from 14.3 to 15.3, range in age from 5 to 10 years, are the good, chunky, sound kind and there is not a cull in the lost.

The horses range from 8 to 16 years old, weigh from 1,150 to 1,400 pounds, are of good colors, and the most desirable type for farm and city use,

Remember these horses and mules were selected by expert repre-sentatives of the Italian gov-ernment. They were purchased for their soundness and general good quality and every one is good.

All Thoroughly Acclimated and in Good Health

They must now be sold—every one will go to the high bidder ra-gardless of price. There will be no postponements, so come re-gardless of weather.

Fremont is on the main line of the C. & N. W. R. R., and on the main line of the U. P. R. R., 27 miles west of Omaha. The very best of train connections.

We look for this stuff to sell chesp. Better be on hand if you need horses and mules.

PLATTE VALLEY

HAMPSHIRE BRED SOW SALE

NORTH BEND, NEB.

TUESDAY, FEBRUARY 11, 1919. ANNOUNCEMENT,

I am announcing my first Platte Val-ley Bred Sow Hampshire sale. I wish to express my appreciation to the friends and customers who have patronized me in the pust five years through mail orders. It is my intention to consign a class of stock that will please and sat-lary the purchaser, produce his litters ciass of stock that will please and satlafy the purchaser, produce big litters
and be a credit to the breed.

The Hampshire hog is a great rustler.
With good affairs pasture they will not
need much corn to earry them through
the summer. Then in the fall turn them
into a corn field with affairs pasture to
run in and you will grow pork cheaply
and of the best possible kind, which the
Hampshires have; proven at the 1918
International show. With all these
things in mind I take pleasure in thanking you in advance for giving attention
to this, my first public sale, and for
your attendance and purchases. Sond
