One hundred Nebraska Overland dealers attended the gathering.
Mr. Jackson has been making tour of the country, outlining his company's plans to dealers. He delared that the factory's output in 1917 was 150,000 automobiles. This rear, he said, the number would be increased to 200,000.

Business is Promising. Business in the east and south, as well as on the coast, he declared, romised to exceed the most enthusiastic predictions. "The outlook in Omaha and the middle west could not be better," he asserted, "We want our dealers to realize he importance and magnitude contemplated in our plans to increase our business," he continued. "We have decided to do this only after being thoroughly convinced that the growing demands for our cars, as well as automobiles of other firms, warrants it. A wave of prosperity public, you ought to feel that there is sweeping over the country and ousiness activity will go forward in eaps and bounds on a sound and safe basis.
