Will the Sands of Time Mark You With the Ravages of Pyorrhea? A clean, sweet, healthy mouth means a flashing smile, pearly teeth, a vivacious spirit and a beautiful old age rather than a broken body, sunken cheeks and a witch-like protruding chin, resulting from the ravages of Pyorrhea. PYROS FOR PYORRHEA (The Million Dollar Secret Formula) Will arrest this insidious beauty and health destroying affliction regardless of how far advanced the disease may be. The peculiar and exclusive penetrating force of PYROS goes right thru the tissues of the gums, teeth and teeth sockets of the jaw bone, kills the trouble-causing germs, heals and makes firm the gums, purifies and sweetens the breath. PYROS prevents decay of the teeth, stops the formation of tartar and as a mouth cleanser it has no equal. The more than sixteen years of scientific experimentation required to perfect "PYROS FOR PYORRHEA" has resulted in an antiseptic, astringent, deodorant and penetrant so miraculous in its effects that the dental and chemical world stands amazed at the results attained on the most aggravating and supposedly incurable cases of chronic pyorrhea. Most drug stores have Pyros for Pyorrhea in 51 bottles. Accept no substitutes, for there isn't any. If your druggist can't supply you, we will direct you to one who can. Includes an image of a Pyros bottle.
