

PRESIDENT WAS TREATED AS HE MOST DESIRED

Wilson Thanks French for Hospitality as He Leaves City of Brest; Has Happy Memories.

Brest, Feb. 15.—President Wilson on leaving Brest today for the United States made the following statement:

"I cannot leave France without expressing my profound sense of the great hospitality of the French people and the French government. They have received and treated me as I most desired to be treated, as a friend, a friend alike in spirit and in purpose. I am happy to say that I am to return to assist with all my heart in completing the just settlement of the peace of France and its associates and the whole world depend. May I not leave my warm and affectionate farewell greetings."

The president arrived in Brest from Paris at 10:30 o'clock and went direct to the dock, where he embarked on a French gunboat which took him and his party to the George Washington.

The president was received at Brest by Admiral Moreau, of the French navy, General Helmick, the military commander of Brest; Charles M. Schwab and civil officials. There was no ceremony except a salute of 21 guns.

Traffic Is Suspended.

From the railroad siding to the dock were drawn up a battalion of American soldiers, and a French marine band played the Star Spangled Banner as the president left his moorings. All the ships in the harbor displayed the American flag and all traffic was suspended while the president's party was transferred to the George Washington.

A French naval escort acted as a guard of honor for the George Washington. This escort, with the American battleship New Mexico, will accompany the president out to sea and then return. The New Mexico had as companions four American torpedo boats.

Georges Leygues, the French minister of marine, and Andre Tardieu, French high commissioner to the United States, accompanied the president on board the George Washington to his goodby.

When President Wilson left here today for the United States it was announced that he would land in Boston on February 25, where he was expected to make an address which would cover the work performed at the peace conference.

Baker Says Powers Have Say on U. S. Troops in Russia

Washington, Feb. 15.—Detroit citizens, headed by Representative Doremus of Michigan, who appealed to Secretary Baker today to withdraw American troops from northern Russia, were told that the best military minds were dealing with the question of reinforcing the expedition if necessary, that there was no danger of the force being cut off from relief and that the question of withdrawal could be worked out only in agreement with the associated powers.

Increase in Delinquency Attributed to Reaction

Chicago, Feb. 15.—An increase of 21 per cent in adult delinquency is attributed to reaction from restraint imposed by wartime conditions and consequent lowering of public morale in a report made public today by Assistant Superintendent Albert E. Webster, of the Juvenile Protective association. "Complaints of juvenile delinquency increased more than 40 per cent and crimes against children 100 per cent in the last quarter," he said.

GERMANS WILL TAKE FORTUNES OF THE WEALTHY

Luxuries Will Not Be Permitted and Inheritances to Have Heavy Tax; Millions Are Already Squandered.

Weimar, Feb. 5.—(By Associated Press.)—There will be a sharp seizure of the fortunes of the wealthy, according to a prediction made before the German national assembly by Dr. Heim, a socialist, in discussing the socialist program.

He did not believe, however, that the government would be able to get the great sums needed by seizing fortunes and he thought the balance necessary must be taken from the war profits.

Luxuries will not be permitted and inheritances will be taxed so everything more than a certain moderate sum will be taken by the government. Dr. Heim said he feared that hundreds of millions of marks already had been squandered by the finance ministers of Saxony and Bavaria.

Scheidemann on Job.

Phillip Scheidemann, the chancellor in the new German government, today showed himself able to handle conflicting demonstrations in the new national assembly with no sign of being intimidated by the wildest opposition or moved by the most severe heckling. One of the incidents of his speech was his reference to Austria's desire to join Germany. He said: "We desire no reluctant adherents and by the same token nobody wishing to join us."

should be prevented." There was almost a threat in his warning: "The entire is able to force any kind of peace on Germany, but if it is an unjust peace 70,000,000 people in their hearts will never forgive or forget."

Adolf Groeber, centrist, followed the chancellor, as leader of the next strongest party and, like Herr Scheidemann, emphasized "work" as the watchword of the new republic. He declared the league of nations would "contain seeds of new wars unless constructed on principles of justice."

GENERAL MARCH ISSUES FIGURES ON DISCHARGES

Fifty-Six Cargo Vessels Ordered Converted into Troop Ships Will Speed Up Return of Troops.

Washington, Feb. 15.—General March in announcing today that army discharges in demobilization in the United States reached a total of 1,174,545 officers and men, gave the following figures:

Up to February 11, 305,000 soldiers abroad had embarked for home, 69 per cent of them being brought in American ships. In the first 10 days of February alone 68,000 had embarked. The total landed was given as 227,000, the remainder being still at sea.

General March announced that 56 cargo vessels now have been ordered converted into troop ships, giving an additional capacity of 120,000 men per month, and forecasting great speed in the return of troops. Since the armistice a number of ships assigned to the army have been diverted to the use of transporting food supplies to Europe. Thirty-nine ships of 334,000 tons have been thus diverted, General March said, and their work is now practically complete. They have landed 170,000 tons of foodstuffs at Rotterdam and 38,000 tons at Trieste and Dalmatian ports.

Reserve commissions have now been given to 15,419 officers released from the army and applications for appointment in the regular army have been received from 9,026.

Generous praise for the Brunswick ---the super phonograph

IT appears that every lover has been waiting for such an instrument as the new Brunswick—America's latest musical triumph.

People say that our claims for it are too modest. The Brunswick Method of Reproduction is so much better.

You, too, must hear this remarkable new instrument. You can't appreciate the great advance it represents until you do.

You'll be delighted with the Ultona, which plays every record, and with the Brunswick Amplifier.

These two great inventions make the Brunswick the most perfect phonograph ever conceived. As you'll agree, you've never before heard such natural tones.

Hear it today. Join the most critical music-lovers in town. Hear this super-phonograph.

NOTE: The Brunswick costs no more than ordinary type phonographs, while its many models fit it for rooms of all sizes.
