HALF MILLION ARMY PROVISION FACING DEFEAT

Objection Raised in House to Committee's Plan as It Is Not German to Appropriation Bill.

Washington, Feb. 15.—Defeat through parliamentary tactics of legislation proposed by the house military committee authorizing a temporary army of 500,000 men for the year beginning next July was indicated tonight in the House. Representative Humphreys of Mississippi (dem.) gave notice that he would make a point of order against the army organization provision on the ground that it is legislation and has no place in an appropriation bill.

During consideration of the bill tonight the house adopted without objection an amendment proposed by the military committee, appropriating \$1,467,000 for pay to national guard members for attending drills. Other provisions relating to the guard, including that contemplating organization of a force of 105,000 guardsmen under the national defense act of 1916, and appropriating \$10,163,000 in addition to the amount added for drill pay were approved without dissent.
