# This Liberal Guarantee is Backed up by The World's Largest Macaroni Factory

**WE GUARANTEE** the quality of SKINNER'S Macaroni Products to be not only as good as other Macaroni, but enough better to be immediately noticeable; and that, in purity, richness of flavor, fine, even texture, and general goodness, it is better than any other macaroni made. If it does not meet these requirements you are at perfect liberty to return the package to your grocer and your money will be refunded without question. We know and believe in its quality--that is the reason we make this guarantee.
