

WOMAN'S SECTION OF THE BEE

I detect more good than evil in humanity. Low lights more than late extinguishes. And men grow better as the world grows older. —Ella Wheeler Wilcox.

In every garden four things are necessary to be provided for—flowers, fruit, shade and water; and whoever lays out a garden without all those must not pretend to any perfection.

Miss Lucy Updike Is Engaged to Lieut. Look

A most interesting engagement! We have long suspected, in fact we rumored several months ago, and when we heard of a delightfully informal dinner party given Sunday our suspicions were verified. For Mr. and Mrs. George W. Updike announced the engagement of their daughter, Lucy, to Lt. Frederick Look. Just the members of the family were present at the betrothal dinner given at the Updike home, but the announcement does not come as a surprise to the friends of this attractive young woman.

Pretty Southern Girl Becomes the Bride of John Latenser, Jr.

Of interest to Omaha friends is the marriage of Miss Anna Banks, daughter of Mr. and Mrs. W. W. Banks of Wilmington, N. C., to John Latenser, Jr., son of Mr. and Mrs. John Latenser, of Omaha, which took place at St. Mary's pro-cathedral in Wilmington Tuesday. Rev. Father Christopher Denen read the marriage lines.

Miss Gifford Sails for Serbia to Do Reconstruction Work

Another Omaha girl has been added to the list of those who are serving their country in foreign lands for Miss Anne Gifford, daughter of Mr. and Mrs. Harold Gifford, sailed Tuesday for Serbia where she will do reconstruction work. Miss Gifford is being sent by the Serbian Relief committee of New York City. She at first planned to go overseas with the Nebraska base hospital unit of which her brother, Lieut. Sanford Gifford, is a member, but later abandoned this plan and entered Y. M. C. A. work in New York City. It is interesting to note that while this attractive Omaha girl is on her way to her post of duty, her brother, Lieut. Gifford, will probably be returning, his work with the Nebraska base hospital completed.

Heart Beats

By A. K. Among us there are Many kinds of bores And nuisances But of all the Miserably irritating Specimens of the Bore It is the man Or woman Who sits back of us In a theater or Moving picture And talks in a Distinctly audible Tone Of the plot Of the play. If we feel like Kicking or killing Or disfiguring A person who Spoils a show For at least a Dozen persons In his vicinity By telling all About the last act Before the first Act is over And also boasting How "he says" a lot Of things which Perhaps he never Said at all And explaining the Technique of the Art and science Of manufacturing Nuts and bolts And other artistic Necessities Who could blame us! IT'S A GREAT LIFE!

Beatrice Fairfax's Lovelorn Advice

Baby Vamp. Dear Miss Fairfax, Omaha Bee: I have come to you for advice. I am 15. I have blue eyes, dark brown hair and am light complexioned. How should I wear my hair? Could you give me a veil for our school? I have a boy friend who went away to school, and he has written to me several times, but I did not answer, because when he was home he did not speak to me. Now, Miss Fairfax, should I answer his letters or not? Is it proper to write a friendly letter to a boy you do not know? Please answer these questions in The Daily Omaha Bee. How is my handwriting? MARGUERITE S. Since you say that you are 15, light blue eyes, dark brown and a light complexion, you must be very homely. Therefore, I suggest that you wear your hair straight back, in the Baby Vampire style, look two very long ear-rings (black, red or green preferred) to your ear lobes and pull out your eye-brows. When one is homely, it is difficult to be attractive unless one is extremely so—a type. I am just out of yella—sorry. The library has a college cheer book which may assist you. No, don't waste good stamps on him. Good gracious, no! How could you write a friendly letter to a boy whom you do not know? Your handwriting and your stationery is exactly like "S. B." Who are you, and whose writing is it? He is Crazy. Dear Miss Fairfax, Omaha Bee: I am a young man of 17 years of age and am in love with a woman, 39 years older than myself. She isn't much for looks, but oh, lady! she has the money, and I love her for it. I have spent many valuable hours wondering whether I should waste my love on her, as she has children older than myself, and I believe this would be very peculiar. This before-mentioned lady is very large, weighing about 215 pounds, and I bring but a small chap of but 98 pounds. What shall I do? Hoping to see the answer in print, yours, B. D. Are you crazy, or trying to be funny? A Misguided Child. Dear Miss Fairfax, Omaha Bee: I am coming to you for advice. I am 13 years old, have blue eyes, dark brown hair and light complexion. I weigh about 118 pounds; do you think I weigh too much for my age? How should I wear my hair? I have been wearing it up, but some people say I am too young yet. Am I too young to wear high heeled shoes? I have a boy friend who does not live in this town and he has written me several times. When my parents got the letters they read them. Do you think they have the right to do this? Do you think I am too young to dance? What does a stamp upside down on a letter mean? Please answer by Thursday if you can. How is my writing? S. B. When you begin to wobble, roll in and out of doors, then you are too stout. Wear your hair down, tied with a ribbon or barrette. You should wear walking shoes with low heels. You are a mere child and should not be receiving letters from boy friends. It looks dreadful and silly. I am not acquainted with the stamp line, or code. Usually a stamp upside down denotes carelessness. Your writing is quite legible for a child of 13. Cruel Father. Dear Miss Fairfax, Omaha Bee: I am in great trouble. I am 16 years old. I live with my grandparents as I have nowhere to go. I am dark

Blinded Lecturer Travels Alone on Tour from Atlantic to Pacific

Andre Fribourg, a blinded hero, is probably one of the most remarkable speakers who has yet appeared in Omaha. This talented gentleman of France is but 34 years of age and was blinded early in the war. He speaks but little English and yet has the courage and fortitude to travel alone, filling his lecture engagements in the large cities. Prior to his enlisting in the cause of the allies, Mr. Fribourg was a professor at the College of Chapital, and expects to resume his teaching when he returns to his native land. Omahans, who will hear this man of letters Thursday evening at the Blackstone, will be interested in a little incident which occurred in St. Paul not long ago. Mlle. Clement, who appeared in Omaha several weeks ago, met Mr. Fribourg while in St. Paul, and both writers discovered that they were contributors to the magazine, "L'Oeuvre," and that each had been enjoying the other's articles, not knowing the true identity of the authors, as they wrote under a nom de plume. The Alliance Francaise will present Mr. Fribourg Thursday evening, and all who understand French are invited to hear this notable speaker.

Personals

Mrs. Ed P. Smith will leave Sunday for Florida. Mr. and Mrs. Samuel Vorzimer left Tuesday evening for New York and Washington. Mr. Vorzimer has recently received his discharge from the Fort Omaha balloon school. Mrs. M. D. Cameron will entertain chapter B. K. of the P. E. O. Sisterhood, Thursday afternoon at a tea at her home, 216 North 32nd avenue. A daughter, Mary Eleanor, was born to Mr. and Mrs. Allen Barber of Albion, Neb., Saturday at the St. Catherine hospital. Mrs. Barber is a sister of Mr. F. P. Matthews of Omaha.

Fashionable Nancy

When Nancy goes to take the air, She wears a cape au militaire, Made of the silky suede velour; A fabric with a strange allure. The color? Military, too— Artillery red and navy blue! (Copyright Applied for.)

Timely Tips

Men's flannel shirts can be cut up to make warm petticoats for little children. Oyster plant should not be cooked in an iron kettle, as it discolors the vegetable. Underwear should be ironed on the right side, colored clothes on the wrong side. Meat, fish, eggs and milk begin to spoil the moment they are allowed to get warm. A few shreds of candied lemon peel will give a delicious flavor to bread pudding.

WHEN THE DAY IS OVER.

When the household cares and the worries of everyday life have dragged you down, made you unhappy, and there is nothing in life but headache, backache and worry, turn to the right prescription, one gotten up by Dr. Pierce fifty years ago, which has helped many thousands of women in this country, and called Dr. Pierce's Favorite Prescription. It can be had in every drug store in the land in tablet or liquid form. Everything growing out of the ground seems intended for some use in establishing natural conditions. Dr. Pierce, of Buffalo, N. Y., long since found out what is naturally best for women's diseases. He learned it all through treating thousands of cases. The result of his studies was a medicine called Dr. Pierce's Favorite Prescription. This medicine is made of vegetable growths that nature surely intended for backache, headache, weakening, bearing-down pains, irregularities, pelvic inflammations, and for the many disorders common to women in all ages of life. Dr. Pierce's Favorite Prescription is made of lady's slipper root, black cohosh root, unicorn root, blue cohosh root and Oregon grape root. Women who take this standard remedy know that in Dr. Pierce's Favorite Prescription they are getting a safe woman's tonic so good that druggists everywhere sell it. Favorite Prescription should have the full confidence of every woman in America because it contains no alcohol and no narcotic. Dr. Pierce knew, when he first made this standard medicine, that whiskey and morphine are injurious, and so he has always kept them out of his remedies. Send 10c to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., for trial package of tablets. The system is something like a clock—it needs oil occasionally. Everyone should take castor oil, or something better, like Doctor Pierce's Pleasant Pellets, made of May-apple, jalap, aloë—sugar-coated. They regulate, cleanse and oil the human "clock work." Send Dr. Pierce 10c for trial package.

Red Cross Notes

The knitting department announces that all Sox finished or unfinished, yarn and remnants of yarn must be returned to headquarters immediately. Workers are urged to complete the quota of refugee garments which the Dundee Red Cross Community center are making. The women will meet at the Dundee Presbyterian church, Wednesday from 1 to 5. Mrs. A. D. Chapman, chairman of the Garter Lake auxiliary, announces that there will be no meeting this week, but the unit will meet February 27 at the Scottish Rite cathedral. Mrs. Rollin, chairman Red Cross nursing survey, Douglas county, sent out 1,000 questionnaires and only comparatively few have been returned. She urges that the nurses fill out and return these questionnaires by February 24. If you stand your patent leather shoes where the leather will become warm each time before you put them on, they will not crack and the leather will keep soft and pliable. Face veils can be stiffened with gum arabic if they have become limp.

To a Photographer

I have known love and hate and work and fight; I have lived largely, I have dreamed and planned, And Time, the Sculptor, with a master hand Has graven on my face for all men's sight Deep lines of joy and sorrow, Of labor and of service and command— And now you show me this, this waxen bland, And placid face, unlined, un-wrinkled, white. This is not I—this fatuous thing you show Retouched and smoothed and prettified to please; Put back the wrinkles and the lines I know; I have spent blood and tears achieving these. Out of the pain, the struggle, and the wreck These are my scars of battle—put them back! —BERTON BRALEY.

TODAY'S BEAUTY HELP

We find you can bring out the beauty of your hair to its very best advantage by washing it with canthrox. It makes a very simple, inexpensive shampoo, which cleanses the hair and scalp thoroughly of all the dandruff, dirt and excess oil, leaving a wonderfully clean, wholesome feeling. After its use, you will find that the hair dries quickly and evenly, is never streaked in appearance and is always bright, soft and fluffy; so fluffy, in fact, that it looks more abundant than it is, and so soft that arranging it becomes a pleasure. Just use a teaspoonful of canthrox, which you can get from any good druggist, dissolve it in a cup of hot water; this makes a full cup of shampoo liquid, enough so it is easy to apply it to all the hair instead of just the top of the head.—Adv.

Resinol saves you hours of torture. An itching and burning skin, so bad that you feel you must grab it and tear it apart—is relieved almost instantly through the application of Resinol Ointment. The trouble generally cleans up and disappears in a short time if sufficient care and attention is given to the ailment. In extreme and aggravated cases it is advisable on retiring to anoint the affected parts thicker, then bandage with a clean piece of linen. FOR SPEEDIER RESULTS Resinol Soap is so pure that it should be used for tender or easily irritated skins. It performs an excellent operation if used to cleanse the affected parts before the ointment is applied. This method allows the healing and soothing Resinol medication that the ointment contains to penetrate the surface of the skin and sink in more thoroughly, and consequently hastens the longest-for results. The soap, too, contains this healing medication in a modified form, and is therefore most beneficial in the treatment of complexion troubles. DIRECTIONS Wiped around every bit of Resinol Ointment and case of Resinol Soap is a booklet of explanations and directions. Read the contents thoroughly and follow the instructions carefully. To start the treatment right, use the soap that is nearest to you.
