Reconstruction Days

These are reconstruction days. How about reconstructing some of your old clothes and thus help the government conserve the wool supply?

We are dyeing hundreds of ripped dresses and tailored suits every month and saving the owners many dollars.

The cost of dyeing a ripped-up dress or suit runs from \$3 to \$3.50, while for dyeing a made up dress or suit we get from \$4 to \$5.50, only a fraction of what you would pay for new, and many of our dyed garments look and wear just as well as new.

Bring your goods in and talk it over with our experts; we are glad to advise you. We do exceptionally fine dyeing and will not advise dyeing your goods unless we feel sure it will pay you. Besides if you are not satisfied with the results we will cut off the charge. We guarantee satisfaction or no pay.

## Like the Tree Sore Kills the Oak So Pyorrhea Wrecks the Body

Tender, bleeding, receding or spongy gums and loose and painful teeth are warnings of Pyorrhea, that insidious mouth disease which not only causes decayed and falling teeth, but undermines the whole human system with its poisonous pus and wrecks the body as surely as a decayed spot kills the mighty oak.

# PYROS FOR PYORRHEA

(The Million Dollar Secret Formula)

Positively prevents pyorrhea and many grateful patients testify that miraculous results have been wrought on the most advanced stages of this disease.

PYROS is such a wonderful penetrant that it cannot be compounded in anything but hard glass containers. It goes right thru crockery, wood or iron, so you can see how readily it will penetrate the gums, teeth and teeth sockets of the jaw-bone—the seat of all Pyorrhetic conditions.

PYROS is a perfect antiseptic, astringent, deodorant and penetrant. Used as a dentifrice it removes the mucoid plaques and the daily accretions which harden and form tartar—the principal cause of Pyorrhea. Used as a treatment for advanced stages of Pyorrhea its penetrating force goes right in and antisepticizes the poisonous pus sacks, clears them out entirely and restores the mouth to a pure, sweet, healthy condition.

There is nothing on the market to equal this million-dollar secret formula for Pyorrhea, and this supposedly incurable disease does succumb to its use.

Most drug stores have Pyros for Pyorrhea in \$1.00 bottles. There is nothing in the world just like it so accept no substitutes. If your druggist is "just out" we will direct you to one who can supply you.

# The DOCTOR'S ADVICE

by Dr. Lewis Baker

The questions answered below are general in character, the symptoms of diseases are given and the answers will apply in any case of similar nature.

Those wishing further advice, free, may address Dr. Lewis Baker, College Bldg., College-Broad streets, Dayton, Ohio, enclosing self-addressed stamped envelope for reply. Full name and address must be given, but only initials on letters. Answers will be used in my answers. The prescriptions can be filled at any well-stocked drug store. Any druggist can order wholesale.

Robert asks: "I am constipated, tongue coated, have headache, dizzy spells and indigestion sometimes. Please advise."

Answer: I advise that you begin using Three Grain Sulphur Tablets (not sulphur). These tablets are laxative, act on the liver, kidneys and bowels and tend to keep the blood pure by increasing the eliminative functions. Relief should follow quickly.

Clerk writes: "I have pains in my spine and frequent headaches in back of head, fainting spells, twitching and trembling, nervousness, sleeplessness, loss of appetite and strength, and in fact am a 'funk' when it comes to performing accustomed work and duties."

Answer: In all such cases the assimilative functions have not kept pace with waste functions and a powerful harmless tonic treatment is needed. I find Three Grain Cadomene Tablets unsurpassed and astonishingly beneficial in such cases and advise them for you.

"Lucy" says: "Some time ago I contracted a very severe cold and cough. I used many remedies, but they do not seem to help me at all. I wish you would advise me what to do."

Answer: What you need is a laxative cough syrup, one that will drive the cold from your system. The following prescription will check your cold and cough: Get a 24-oz. package of Concentrated Essence Mentho-Laxene and make according to directions on the bottle. Take a teaspoonful every hour or two until your cold is broken.

Dr. Lewis Baker, Dear Sir:—We have used three of the medicines you advise, the double four, the Essence Mentho-Laxene and the rheumatism prescriptions, and I want to say they all worked like a charm. They are the best I have ever used and I feel I could not keep house without them. I am very grateful and pleased to recommend any of these medicines prescribed. Very truly yours,

MRS. R. L. WHITED, No. 3 Coleman St., Fort Jervis, N. Y.
