WITH 30,000 MEN

All Divisions Except Regular Army to Leave France as Seon as Shipping Is Available.

Washington, Feb. 25.—The larger homeward movement of troops sine. the breaking up of the American overseas army started last November was announced today by the War department in reporting the departure from French ports of 18 troopships with nearly 30,000 officers and men aboard.

The announcement of the move-

United States Steel and Bailwin Lecoundity, reacted 1 to 2 points, also leathers and utilities, while tobaccos yielded slightly on realizing, and sugars were favorably influenced by fresh buying.

Ratis and shipping lagsest throughout markes making an abrupt decline in the final hour on continued reports that the final hour on continued and continued to private interests.

Dullness ruled to the bond market. Liberty issues manifesting slight irregular than 5,000 soldiers aboard. The organizations which have sailed include most of the units of the Ninety-second (negro) national army division, important units of the Ninety-seventh (Arkansas, Louisiann Mississippi and Alabama) national army division and a score of aero army division and a score of aero

> Return in Order of Arrival. General Pershing notified the War department today that "divisions now in the American expeditionar, forces, excepting those with regular army designations. turned to the United States in the order of the arrival of their respective divisional headquarters in France. This was interpreted as First, Second, Third, Fourth, Fifth, Sixth and Seventh would be retur

ed as shipping was available. these estimates divisions would be returned in the following order: March, 27th, 30th, 85th, 37th and 91st; April, 26th. 83d, 82d, 35th and 42d; May, 32d, 28th, 33d, 80th and 78th; June, 89th, 90th, 29th and Estimate of Movements.

General Pershing said he est mated the movement of troops, available and on the German shiftping soon to become available, as follows: March, 212,000; April, 221,-000; May, 248,000; June, 207,000, Announcement by General Persh ing's chief of staff that 18 national

were scheduled to sail from France before July 1, confirms reports current here that the expeditionary forces were to be reduced to a total strength of 300,000 by the end of the fiscal year. Calculations in the various Was department bureaus, it is said, have been based upon the 300,000 strength in figuring on the main-tenance of the army abroad after

July 1. The announcement from France indicates that in addition to the seven regular divisions now in France and into which presumable men desiring to remain temporarily New York Bonds.
