

FEATHER CHAMP WINS IN TWO STRAIGHT FALLS

Southern Wrestler, Dazed by Hard Fall, Loses Hard Match; Ray and Burman Draw.

The popular little featherweight champion wrestler, Vernon Breedlove, won two falls over Harry Shoafstall, lightweight champion of the south, at the Council Bluffs auditorium show last night. The first fall came after 22 minutes and 32 seconds of fast wrestling. Some of the fans had an idea that Referee Denny Ryan was a little too hasty in tapping Breedlove on the back for this fall as Vernon himself was flat on his stomach when the fall was declared. He had turned Shoafstall with an arm scissors and the southern wrestler lay flat on his shoulders for merely a couple of seconds, but long enough for Ryan to reach over his body and tap Breedlove on the shoulder. It was a clean fall, but not entirely satisfying to the fans. The feather champion was willing to continue from that point if Shoafstall felt dissatisfied, but the latter agreed to the referee's decision and they left the ring for a 15 minute rest. They went right after one another for the second fall and the lad from the south got behind right at once. He twisted around so that he was ahead of Breedlove and tried

BRINGING UP FATHER

for a head scissors and Breedlove stood up with Shoafstall and dropped him over his right shoulder. The fall dazed Harry and he fell an easy victim to a half nelson and Breedlove was declared the winner of the second fall in 6 minutes and 33 seconds. The show opened with a pretty exhibition of club swinging by Frank Breedlove, Vernon's brother. Five little white boys then entertained with a battle royal, Creighton McGough winning. After they had picked up the coins tossed into the ring for them, they went at it again and this time Paul Muri was the winner. The lads picked up \$6.68 for their show. The first wrestling match between Tom Ray, the Omaha equilibrist wrestler, and Barney Burman of Council Bluffs was declared a draw

at the end of 20 minutes. It was a pretty exhibition of wrestling with both men trying hard for a fall. Just before the final match, Claude Swindell of Lincoln challenged Breedlove for a match for the title and a \$200 side bet. The match was arranged and the men will meet at Council Bluffs on March 12 at 125 pounds. The house was rather a disappointment, there being only about 500 fans present.

Tender Outfits Welling.
Newark, N. J., Feb. 26.—Lew Tender of Philadelphia outfought Joe Welling of Chicago in an eight-round bout at the First Regiment armory here tonight, doing the better work in five rounds. The boys weighed in at ringside with the beam set at 133 pounds.

Sport Shorts

By KID GRAVES.

Fearing that changes were needed to get a boxing bill across, Barton Green, Lancaster county representative, framed a little bill of his own which prohibits the charging of an admission fee, and attendance of more than 100 persons. Permits for all bouts must be issued by mayors. The miscellaneous subjects committee has recommended this second Green bill for passage. We fear for results if it does pass.

The Western League base ball season will open April 30 with 140 games scheduled and close September 1. The league headquarters will be switched from K. C. to Chicago when President Al Tearney takes charge. The Omaha team will open at Tulsa, Okl. St. Joe will play Omaha here on Decoration day and Omaha will return the compliment in St. Joe on the Fourth of July. Labor day will find Des Moines in Omaha, giving us two of the finest holiday dates. How that old ball yard fence will shiver when the boys unlimber to cheer Manager Jackson and his crew to victory.

It is rumored that the Armour team of the present Greater Omaha league has made arrangements to use Rourke park when the Western Leaguers are away from home. Harry Williams will handle the Armour team again this year and is already lining up a classy aggregation. They will probably offer a fine article of semi-pro base ball for local fans when the Rourkes are traveling. It looks like a good move to keep the fans in the habit of going to Rourke park.

After getting away to a bad start, the Camp Grant quintet made a wonderful comeback, trimming the Illinois A. C. five, and the pride of Chicago basket ball followers, the White Owls. Coach Tommy Mills announces that he has secured the Camp Grant team for two games on the Creighton floor on March 7 and 8. Local basket ball fans will see an old Omaha athlete at the guard position for the soldier team, Carl Lutes, a former Central high and Creighton player. Delmore, formerly of Marquette university, is also a Camp Grant player, and one of the greatest stars ever turned out at Wisconsin university. Hemsath, will be found in their lineup. Coach Tommy's tossers will have to be at their very best to beat this aggregation of soldier stars.

Besides being the attraction at the Omaha Athletic club Saturday afternoon and evening, Willie Hoppe and George Sutton, present and former billiard champions, will be

Youth Wins Way Into Final Rounds in Indoor Tennis Tournament

Philadelphia, Feb. 26.—Vincent Richards, New York, national boys' champion and colholder of the national doubles title, with William T. Tilden, Philadelphia, entered into the final round of the men's singles of the Middle States Indoor Tennis tournament here today by defeating Wallace Johnson, Philadelphia, 7-5, 6-3. Richards will meet the winner of the William T. Tilden-Fred Alexander match to be played Friday.

Nine Basket Ball Teams to Play Games Tonight
Nine local cage crews will exhibit their skill on home and foreign floors tonight. Coach Mills' basket ball wizards will play the South Dakota five at Vermillion. The South High community center five will seek to trim the Clifton Hill boys on the Clifton Hill floor and the six Commercial league teams will stage three encounters at the "Y". The Omaha National Bank-Commerce High fray promises to be a battle royal. Neither team has lost a game. The Independents are expected to drop their ninth encounter when

Britain Issues Challenge for Davis Lawn Tennis Cup

London, Feb. 26.—Great Britain has issued a challenge for the Davis Lawn Tennis cup, it was announced today. The Davis international tennis challenge cup, donated by Dwight F. Davis, is now held by Australia.

Omaha Boy Named.
Washington D. C., Feb. 26.—(Special Telegram).—Ralph R. Cox of Omaha has been named a candidate for the West Point military examination to be held March 18.

Capital \$100,000.00

Inter-Ocean Refining Company

Burkburnett, Texas

\$10.00 PER SHARE PAR VALUE

This company has closed a contract with the well-known McMahon Construction Company of Tulsa, Okl., to build a refinery at Burkburnett, the world's wonder oil town, and have the refinery completed and ready for operation by April 10, 1919.

To aid in meeting their financial commitments there have been placed in our hands in trust 5,000 shares of this stock to be sold at the par value of \$10.00 per share.

Most Companies build after having sold their stock. The Inter-Ocean trustees are building first and then selling stock. This assures the stock buyer an early return on his money.

The Company is now building a unit capable of 700 to 1,000 barrels per day with a supply of crude oil arranged for of several times the present capacity of the plant. It is not the intention of the Company to drill wells, but to follow the conservative business policy of preparing the oil produced by others into a commercial commodity. There is no element of risk and the profits are enormous.

It was through refining and not producing oil that the great Standard Oil fortunes have been made. A featured article in the last issue of *The Magazine of Wall Street* says it has been the policy of the Standard to let "the other fellow" take the risk, and though since 1911 the Company has been extending its producing activities, that even now their wells only produce 16.68% of their crude oil requirements.

A properly managed oil refinery is a safe, non-speculative enterprise. It is known what crude oil costs, it is known what it costs to refine it and it is known what it will bring on the market, hence it is merely a mathematical computation to determine earnings. A net profit of \$1.00 per barrel is the most conservative estimate of any refinery authorities. This would mean a profit of \$20,000.00 per month on the contemplated capacity of the plant, or an earning of 20% per month on the capital.

To those unfamiliar with refinery profits such returns may seem impossible, but they are substantiated by published data of what other refineries have accomplished.

The Iowa Park Refinery, in the field contiguous to Burkburnett, pays for itself every thirty to sixty days.

Ponca City Refinery, Ponca City, Okl., paid 710% profits the first year and sold out for \$2,900.00 for every \$100.00 invested.

Lawton Refining Company, Lawton, Okl., earns the amount of its capitalization, or 100% per month.

The Peerless Refining Company of Cushing in less than three months paid back to its owners the cost of the plant.

The Wichita Refining Company in 1915 paid 90%; in 1916, 100%, and at the close of 1916 an original \$100.00 share sold for \$8,000.00.

The Lone Star Refinery at Wichita Falls is reported to have last year earned 1,400% on its initial capital.

The *Magazine of Wall Street* says: "Make your dollars earn more than savings bank interest. Great fortunes are built on the earning power of money—but not on savings bank interest. These fortunes are built by seizing opportunity by the forelock."

Mail or wire your orders for the present allotment while selling at par of \$10.00 per share.

Or if you desire further information and feel you can take the chance of delay fill out and mail attached coupon.

National Hexathlon Events Are Decided at Local Gymnasium

Three events of the national hexathlon meet were held in the Young Men's Christian association gymnasium last night. Three more of the events will be staged Friday night.

The results were not up to the mark set last year when the Omaha athletes stood 13th. A triple tie resulted in the 100-yard potato race, which Julius Festner, Walter Anderson and Howard Dennis each completed in 16 seconds.

Julius Festner, putting the shot 37 feet and 11 inches, won the second event. Dennis came second and George Walker, third. The 1918 mark was 42 feet even. Robert Bruber, clearing five feet three, won the running high jump. George Walker followed in second place, while Festner and Wilkinson tied for third honors. The mark was one inch below the 1918 record.

The 220-yard pot race, the standing broad jump and the fence vault will complete the six events Friday night. Thirty men participated last night.

Creighton Wins Easy Game From Morningside

Sioux City, Ia., Feb. 26.—(Special Telegram).—Creighton won an easy game from Morningside tonight by the score of 32 to 8. The home team never had a chance and was forced to play defensively throughout. The Creighton team was not forced at any time and chose to pass the ball around the floor making baskets whenever it desired. The Morningside punts were made by long shots.

Council Leaves Moroccan Problem to France and Spain

Paris, Feb. 26.—The council of the great powers, the Havas agency states, has decided that the Moroccan question must be settled between France and Spain, the two nations most interested. It is proposed that the international status be abolished and replaced by a special regime in which there shall be provision for adequate protection of the French interests.

The Horrible Handicap of Catarrh

membranes of the nose and throat. These germs cannot be reached by sprays or douches, which, of course, have no effect whatever upon the blood.

S. S. S. is a purely vegetable blood remedy, made from roots and herbs direct from the forest, which combat promptly any disease germs or impurities in the blood.

Once you get your blood free from impurities—cleansed of the catarrhal poisons which it is now a prey to because of its unhealthy state—then you will be relieved of Catarrh—the dripping in the throat, hawking and spitting, raw sores in the nostrils, and the disagreeable bad breath. It was caused, in the first place, because your impoverished blood was easily infected. Possibly a slight cold or contact with someone who had a cold. But the point is—don't suffer with Catarrh—it is not necessary. The remedy S. S. S., discovered over sixty years ago, tested, true and tried, is obtainable at any drug store. It has proven its value in thousands of cases. It will do so in your case. Get S. S. S. at once and begin treatment. If yours is a long standing case, be sure to write for free expert medical advice. We will tell you how this purely vegetable blood tonic cleanses the impurities from the blood by literally washing it clean. We will prove to you that thousands of sufferers from Catarrh, after consistent treatment with S. S. S., have been freed from the trouble and all its disagreeable features and restored to perfect health and vigor. Don't delay the treatment. Address Medical Director, 157 Swift Laboratory, Atlanta, Ga.

The Horrible Handicap of Catarrh

You Must Drive It Out of the Blood to Get Rid of It Permanently.

Adam never had a handkerchief is another way of saying that Catarrh is an ailment that we owe to civilization and the effects of modern life. Catarrh is not a disease like pneumonia or typhoid fever. Catarrh is caused by impure blood, laden with irritating and poisonous matter acting upon cells lining the nasal passages and throat, that have already been inflamed, irritated and caused to overwork, by exposure to dust, dirt, sudden changes of temperature, abnormal dryness of the air, and germs. Catarrh cannot be cured by spraying or douching the nose and throat. The unhealthy condition of the blood must be overcome, purified and restored to a healthy condition.

You must realize that the disease itself, and not its symptoms, is what you have to cure. Of course, you know that when you are cured of any disease its symptoms will disappear.

Catarrh manifests itself by inflammation of the delicate membranes of the nose and air passages which choke up and make breathing very difficult. To get rid of these distressing effects you must remove their cause.

The blood is laden with the Catarrh germs, which direct their attack against the tender and delicate
