CANADADA A CANADADA A

There is no investment that excels a first mortgage on Eastern Nebraska farms. The interest return, ordinarily 5% %, is high considering that a farm mortgage is the best security obtainable. The purchaser of a mortgage becomes the owner of a security that falls due at a definite time-ordinary term five years. However, it may be sold before maturity, without sacrifice to the investor, as there is always a heavy demand for farm mortgages in the open market.

Farm mortgages are free from state, county and city taxation.

We recommend for your investment our farm mortgages, obtainable in the denominations of \$1,000 to \$20,000. UNITED STATES TRUST COMPANY
