Manifesto Denouncing Strikes Issued by Ministry; Assembly Demands Lifting of Blockade.

London, March 2.- The possible fall of the German government is reported in numerous special dispatches received today from Berment have arrived at Berlin to consult with the workmen's council, and a manifesto has been issued. All the correspondents represent the situation as grave.

Berlin newspapers, with the ex-ception of the socialist organs, were prevented from appearing today as a result of the sudden strike proclaimed today. It is uncertain whether this strike is a prelude to a general political strike for which a large part of Berlin labor is agitating or whether it is due to trade demands. The municipal council of greater

Berlin today published an appeal to the non-socialist population of the capital urging a general strike in, case the independent-socialists carried out their threat to call a general strike. The council asks the people to combat force with force. The prestige of this organization,

Government Issues Manifesto. Berlin, March 2.-The govern-

ment has issued a long manifesto from Weimar, denouncing the terrorist attempts to get rid of the na-tional assembly. It proclaimed faithfulness to the principles of delocracy. "Greater than the political danger is the economic distress," says the manifesto. "We cannot feed our-

selves from our own supplies until the next harvest. The blockade is eating away the vitals of our ple. Thousands perish daily from ill-nourishment." The manifesto denounces strikes,

saving "Every strike brings us a step nearer to the abyss. Only work can save us. The manifesto promises the so-cialization of suitable industries and establishment of industrial councils representative of all the workers and

freely elected. It closes with a

strong note, asserting the determi-

nation of the government to wage relentless war against terrorism. "Whoever assails the life of the nation is our enemy.'

Soviet Rule Forced. That the bolshevists have succeeded in their propaganda for soviet rule is amply evidenced by the government's indecision with respect to the plan to incorporate the ideas of the soldiers' and workmens' organization in the constitu-

Hugo Haase's party, the indepen-dent socialists, is preparing to make common cause with the Spartacans an effort to overthrow the Scheidemann cabinet by launching a general strike with the purpose of orcing the issue of soviet rule. That the Weimar government is flirting with the latter idea seems

There is further evidence that

to be indicated by the suggestion now being considered that the assembly be given an auxiliary chamber comprising members of soviet boards. Demand Lifting of Blockade, Basel, March 2.- The German National assembly at Weimer yester-day, unanimously adopted a resolu-tion introduced by 37 women mem-

bers, demanding the immediate raising of the hunger blockade and re-patriation of prisoners of war. Dr. Heim, leader of the Bayarian peasant party, protested against the appeals for the raising of the British blockade and urged Germany to do what was possible to feed itself

y a little real work. Dr. Heim startled the house by eferring to sabotage as being more pertinent than was the blockade. le asked: "Do you know how much grain has gone to waste in the strike? In

the meantime we are standing on the verge of a precipice. Death by starvation is facing us.
"Undoubtedly the sparticides will live the longer but all could live if they worked. If something comes from abroad, well and good, but let us do something ourselves."
