Miss Frances McStravick Becomes Bride of Stephen Dieringer

A profusion of white and pink carnations against a setting of palms and ferns decorated the Holy Name church when the marriage of Miss Frances H. McStravick to Stephen F. Dieringer was solemnized at nuptial high mass Monday morning. Father L. P. McKeown

read the marriage lines.

The bride was attended by her sister, Miss Pauline McStravick, who wore a wisteria broadcloth suit and brown hat of georgette crepe, corsage bouquet of sweet peas completed her costume.

Mr. Philip Dieringer of Harvard, Neb., was best man.

In a smart gown of dark blue vel-vet, trimmed in 6tch fur, the bride was very attractive, a hat of blue georgette crepe and a corsage of roses being worn.

Following the ceremony a wedding breakfast was served at the home of the bride's parents, Mr. and Mrs. Thomas McStravick, when covers were laid for 14 guests at the table decorated with bride's roses.

Mr. and Mrs. Dieringer will leave Monday evening for a western honeymoon, returning to make their home at Hastings, Neb. The bridegroom has recently received his discharge from the 23d balloon company after active service overseas.

Miss Wood Entertains.

A bride and a bride-to-be shared honors Monday afternoon at a deightful bridge given by Miss Adelyn Wood at the Blackstone, for Miss Marjorie Howland and Mrs. Theodore Maenner were the honorees. The bridge tables were set in the lounge and it was a very pretty when planning clothes, it has been party, for about 39 of the younger girls and matrons played cards together. ## Make This Test For There are millions of people who suffer almost daily from the horrors

suffer almost daily from the horrors of an acid-stomach—indigestion; sour, gassy, stomach; distressing heartburn; sickening food-repeating; painful bloat and that miserable, puffed up, lumpy feeling after eating. Many of these people have tried treatment after treatment; medicine after medicine; others have gone to doctors and stomach specialists and some to hospitals but in spite of all of their hospitals but in spite of all of their offerts they have obtained no lasting relief or a permanent cure.

. These symptoms simply mean acid-stomach. If allowed to run on, they are very likely to cause a lot of serious trouble. Dyspepsia, rheumatism, gont, lumbago, sciatica, splitting headache, dizzy spells, nervousness, cleeplessness, mental depression, melancholia, a feeling of listlessness and all-goneness—these are just a few of the disorders which can be traced to acid-stomach. As a matter of fact, acid-stomach is often the direct cause of those almost incurable conditions known as catarrh of the stomach, intestinal ulcer, and cancer of the stom-ach. The lives of those who suffer from these serious troubles are nothing short of daily agony. Surely, then, you must see how important it is to go at once to the seat of the trouble—acid-stomach. You know what acid-

mouth does to the teeth—how it cats right through the hard enamel and causes them to decay. Think then of the havoc that must be caused by excess acid in the stomach! Even if you are not suffering any

Even if you are not suffering any immediate stomach pains, but are not feeling just as fit and fine as you should, you should by all means make this test: go to your drug store at once and get a big box of EATONIC. It is in the form of pleasant-tasting tablets—you eat them like a bit of candy. EATONIC is prepared for just one purpose—correcting acidstomach by driving out the excess acid. EATONIC literally absorbs the excess acid. It brings instant relief from the pains of indigestion, heartburn, belching, sour, gassy stomach, bloat, etc. It makes the stomach pure, sweet, cool and comstomach pure, sweet, cool and com-fortable, puts it in a normal, healthy condition, so that your food is properly digested. You need every bit of strength you can possibly get out of the food you eat—and EATONIC helps you get it.

Don't put this test off if you value your future good health and happi-ness. You run no chance at all be-cause EATONIC is absolutely guaranteed to give you relief or your druggist will refund your money.
