> However, he never pads his expenses with meals. His customers are always slipping him free eats.

After a short stay in the home office Mr. Woody will again hit the road with a neat but not gaudy line of bevel-edged democratic goods in all the popular shades of red, white and blue.

With the armistice signed for everything but eight-ounce mittens, it looks like a tall year for the boys with the thick ears. With the late lamented Willie Ritchie playing hookey from the second-hand department long enough to bang Leonard for a row of Chinese joss houses;

The world had to scuffle four years to prevent all legal documents starting "in this year of our kaiser, 1919," and the rest of that oil. But it is all over, like last summer's freekles, and this ain't the kaiser's year. His army is scattered like saloons in Georgia, and all his gray gorillas are

This year will be the thickest, oiliest sporting year of all. One day of sunshine and a few minutes of picking bleacher splinters out of his trousers is going to make the base ball bug forget all the horrors of warfare. STOMACH ACIDITY, is going to be smothered in syrup and there will be four layers of the old sugar on racing and college athletics. In the old-forgive-others-theirtrespasses-spirit, the fans are liable to feel unusually genial, and even go to see a wrestling match. You never can tell. No man is responsible

Omaha hoxing bugs are all set to go, but that old law is rattling around Lincoln like a grasshopper in a prairie fire. You can't tell what will happen to a law up in Lincoln. By the time that the law jobbers get through sticking amendments, porous plasters and codicils onto the boxing bill it may turn out to be a bill enforcing the wearing of two-pound shoelaces in the four rear seats on a Missouri river swan boat. By the time that the Lincoln birds get through with a bill it looks like a canary that's been battling with a flock of blackbirds. Bears about as much resemblance to itself as a rubber heel does to a barrel of empty clam shells, In the meantime, Omaha boxing fans are as puzzled as a roach trying to crawl downstairs on an escalator

By KID GRAVES.

past, Vernon Breedlove, featherreferee calls him to the center of lenger at the Council Bluffs auditorium on March 12.

When the base ball season opens, the Armours base ball club will be playing semi-pro ball, independently f there is no local semi-pro league organized. The Armours' management has made arrangements to play it Rourke-park when the Western League club is traveling. If they continue to play the brand of ball they have been offering for the last two or three years, Omaha ball fans will be able to see some pretty good games even when the Rourkes are away from home. Harry Williams will run the team on the field and Frank Delaware will look after the business interests of the club. order has been placed for the new uniforms for this season and some of the players are out looking for some new bats and gloves.

# QUICK RELIEF FROM

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not

contain calcinel, but a healing, soothing vegetable laxative.
No griping is the "keynote" of these sugar-coaten, lets. They cause the bowels and liver to act normally. They never force them

to unnatural action. If you have a "dark brown mouth"—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime, Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.

Remarkable Discovery That Cuts Down the Cost of Paint Seventy-Five Per Cent.

A Free Trial Package Is Mailed to Every-one Who Writes. one Who Writes.

A. L. Rice, a prominent manufacturer of Adama, N. Y., has discovered a process of making a new kind of paint without the use of oil. He calls it Powdrpsint. It comes in the form of a dry powder and all that is required is cold water to make a paint weather proof, fire proof, sanilary and durable for outside or inside painting. It is the cement principle applied to paint. It adheres to any surface, wood, stone or brick, spreads and looks like oil paint and costs about one-fourth as much.

Write to Mr. A. L. Rice, Manufacturer, 660 North Street, Adams, N. Y., and he will send you a free trial puckage, also color card and full information showing you how you can save a good many deliars. Write today.—Adv.
