

## EVERY NORFOLK AUTO DEALER TO BE AT AUTO SHOW

House Famine at Norfolk—Political Parties Want Women's Votes in City Election.

Norfolk, Neb., March 6.—(Special.)—Norfolk is suffering from a house famine. Scores of families are living in hotels and in rooming houses and have their household goods stored in transfer houses because they can't find suitable houses. A committee of business men has been appointed for the purpose of finding locations for new homes.

**Court Woman's Votes.**  
The democrats and republicans in their official calls for candidates and city conventions have announced to Norfolk women that they would welcome them to affiliate with their parties. Because of the interest taken in politics this year by the enfranchised women, the school houses of the city are to be utilized in order to take care of the big crowds. The women have organized and all caucuses and conventions will be liberally attended. Political leaders admit that the women may control the caucuses where the delegates to the party conventions are to be selected. The democrats' caucuses will be held March 7 and the convention on March 12. The republicans will hold their caucuses on March 13 and their convention on March 14. The women have officially announced that they are interested only in securing dependable candidates for city office and that they have not yet decided to back any of the candidates proposed by leaders of any party. It appears that the caucuses may be quite amicable.

Democrats appear to favor Councilmen Shafter and Haase and former Mayor John Frank as possible candidates. The republicans are strongly in favor of Councilman John Durgoo.

George Berry, prominent sheep ranchman and an old-time stage driver of the Black Hills country is very low in a Norfolk hospital. Berry underwent several surgical operations for cancer recently.

**Will Not Allow Germans to Evade Saluting Yankees**  
Coblenz, March 6.—(By Associated Press.)—All German officers and men on duty in the zone occupied by American troops must wear uniforms when they appear in the street, according to an order effective Thursday, issued by General Dickman today.

The order is a result of a tendency on the part of certain German senior officers to wear civilian clothes because of their dislike to being compelled by a general order issued some time ago to salute all American officers. The Germans claimed that it was very distasteful for German officers of rank to have to salute American lieutenants.

State Manager Jesse Johnson, Senator W. J. Taylor, State President J. D. Ream and Organizer Wood also spoke. They told of the work of the league.

## FARMERS' UNION MAY BEAT OMAHA GRAIN EXCHANGE

McLaughlin's Pure Seed Law Rescued From Ignominious Death by Committee of the Whole.

From a Staff Correspondent.  
Lincoln, Neb., March 6.—The "Pershing Highway," extending from coast to coast and including all the cities and towns where the principal events in the life of General John J. Pershing occurred is being organized by the Lincoln Commercial club. The route begins at San Francisco, with New York as the eastern terminus.

The proposed highway runs through 17 states, nine state capitals and the national capital. Governor S. R. McKelvie, as honorary chairman, will extend invitations to the governors of the states on the highway to send delegates to Lincoln to attend a meeting to perfect a permanent organization. Chancellor Avery of the university is president pro tem of the organization committee.

The "Pershing highway" is a part of already well recognized routes, such as the Lincoln highway, S. Y. A., and the National highway.

**Pure Seed Bill.**  
Another bill, which had been turned down by the committee on agriculture and recommended for indefinite postponement, House Roll 480, McLaughlin's pure seed law, was taken under the wing of the house by the friendly committee of the whole and rescued from an ignominious death. The report of the majority of the committee was overruled and the bill ordered advanced.

McLaughlin's pure seed bill, H. R. 473, was ordered out favorably by the same committee. It provides for an analysis to be made of all fertilizers sold in Nebraska and the findings of the same to be labeled by the state chemist.

**Real Estate Bill Killed.**  
Wildman's bill, H. R. No. 371, providing for the licensing of all real estate dealers and regulating their business was recommended for indefinite postponement.

H. R. No. 27, by Sandquist, providing for the collection of a poll tax of \$2.50 per annum, the same to be paid in cash, and when failure is made, directing the county treasurer to issue a distress warrant for the collection of the tax, passed the committee of the whole without any debate, the original bill and all its amendments being accepted by the members with a practically viva voce vote—something that almost borders on the miraculous in the present session.

## LINCOLN IS OUT FOR A PERSHING HIGHWAY ROUTE

McKelvie Invites Governors to Aid in Perfecting Organization of Highway.

**Barber Bill Ordered to Third Reading; Move to Postpone it Is Lost**

From a Staff Correspondent.  
Lincoln, Neb., March 6.—About the most effective argument made in favor of House Roll 112, a bill introduced by Foster of Douglas county to provide for a state examining board and the regulation of the barbering trade and barber colleges, was by Representative Stuever, who declared that barbering was a dangerous operation and should be surrounded with every safeguard that would make it painless as well as hygienic.

Foster, introducer of the bill, told the committee of the whole the purpose of the measure was to procure more sanitary surroundings for the barber shops as well as eventually to obtain greater skill on the part of those who followed the avocation. The motion to indefinitely postpone the bill was lost, 52 to 35, and the bill was ordered to engrossment and third reading.

**Pleads Guilty to Robbing Garage at West Point**  
West Point, Neb., March 6.—(Special.)—Among the prettiest weddings of the season was that of Charles Hassler and Miss Josephine E. Beyer, which was solemnized by Rev. F. Pietz at St. Mary's church, this city. The newly-married couple are natives of this community and members of pioneer families of this county. Attendants were Gertrude Hessler and John Beyer. The young couple will reside on a farm in the Bancroft neighborhood.

The trial of the two alleged robbers of the Garfield garage at Beemer, Ben Meyers and Charles Wheeler, was taken up by District Court Judge A. A. Welch of Wayne. Charles Wheeler pleaded guilty and the trial of Meyers is now progressing. ## S. D. Congregational Clergyman Wrote His Own Funeral Sermon

Sioux Falls, S. D., March 6.—(Special.)—Rev. Harry Evans, a well known Congregational clergyman of South Dakota, who died at his home in Ipswich as a result of an attack of influenza, was something of a philosopher. In a codicil to his will he gave directions as to the course of relatives and friends when he should have passed away. The will and unique codicil were found after his death. The codicil reads as follows:

"My Funeral."  
"When I am called from here to there I would prefer no sorrow at my departure. I would have my friends think that I had gone on a long vacation to see the sights and wonders my country—sin. Death is not the enemy, he is man's good friend who opens the door to life abundant—to God, to Love and to Home."

The late clergyman was 46 years old and born in London, England. He came to the United States in 1906 and studied for the ministry, being ordained at Rock Rapids, Ia., and Milbank and Canova, S. D.

**Omaha Collects \$2,000 From Violators of Dry Law in Three Weeks**

From a Staff Correspondent.  
Lincoln, March 6.—Two thousand dollars in fines have been collected in Omaha in three weeks for violations of the prohibitory law, according to word received today by Chief Enforcing Officer Hyers from Agent Sam Melick. The message did not state the amount of liquor which was confiscated.

Alleged to be driving a carload of liquor across the state line from Van Tassel, Wyo., to Harrison, Neb. Harry Johnston and Adolph Reading were arrested Wednesday night by state agents at Harrison. Agents at Crawford report that 15 gallons of whisky were confiscated, and two convictions were made in connection with it.

**Libel Suit at Ord, Neb., Decided for Defendant**  
Ord, Neb., March 6.—(Special.)—Mrs. Dutcher, the mother of Smith Burrows and grandmother of A. W. Cornell and Cornell Brothers of Lincoln, died here at the age of 96. The case of Albert Parkos against Joseph Radliff for \$5,000 for damages for alleged slander was settled here when the jury found no cause for action.

The 2-year-old daughter of Lieutenant and Mrs. C. J. Mortensen died here of tubercular meningitis. The child's father is in service in France. Edward Milligan has purchased the entire holdings of the Tailfords, consisting of garage, livery barn and residence, giving as part payment his property on west Main street. The exchange value was \$14,000.

One hundred of Ord's firemen and their wives were guests of the Perryman's for a theater party and banquet Monday night. It was through the efforts of these men that the Perryman store was saved during the recent fire. Will Sack and wife are at University place, where they were called by the news that the latter's mother, Mrs. Meyer, had died. A plan has been started by the Ord firemen for building a hall. Two thousand five hundred dollars was raised in half an hour, selling shares at \$100 per share.

## Balance of Our New York Purchase ON SALE FRIDAY AND SATURDAY

Fortunately, indeed, we were to secure this merchandise at such concessions, but on account of a large retiring New York jobber (A. Friedlander) we can offer these desirable goods at remarkable savings. The first day of the sale was a crowning success—eager buyers were taking advantage of the economies—and each remaining two days no doubt will show even greater response than the first. The savings are quite out of the ordinary—likely to the extent that offerings of this nature will not be on sale soon, making it doubly important that you plan an early attendance.
