AN INCOMPARABLE ASSEMBLAGE of good, almost new, used cars can be found at Omaha's largest used car store. This store is the clearing house for new car dealers. We assemble all the used cars they trade for. We have had 12 years experience in the automobile business and we think we know the selling value of any car. You will find almost any kind of a car you want in this building and the price must be best, as we sell seven cars last Sunday to a Kansas City dealer. If he can pay freight and then sell them at a profit we must have the world beat for price and quality. We kindly ask you to come in and look this stock over. We will be glad to tell you the price. We won't get mad if you don't buy. We want to get acquainted with you.
