SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's recipe to bring color, lustre and youthfulness to hair when faded, streaked or gray.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. This ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—Adv.

Many Women Suffer Needlessly. Simple Medicine, Containing Sulphur in Tablet Form Brings Amazing Relief.

The absence of a simple mineral like ordinary sulphur causes women untold misery and periodical suffering beyond words to express. But women often suffer in silence, rather than make their troubles known. If you, madam, or miss, suffer with frightful headache, miserable, dragging backache, constipation and kidney, bladder and other irregularities, just try for a few weeks regulating the bodily functions through the use of Sulphur Tablets (not sulphur tablets) and note the amazing, gratifying relief and happiness that they afford.

Mrs. C. P. Couch, Pasadena, California, writes: "After reading your advertisement in the 'Times,' I thought I would try Sulphur Tablets as a tonic and regulator, and I find them absolutely the most wonderful system regulator I have ever used. Sincerely, etc." Sold by good druggists everywhere at 60c per tube and guaranteed satisfactory.—Adv.

Washington Smart Set Is Quiet After Shrove Tuesday Celebration

(Washington Bureau of The Bee.) Washington has had a few days of quiet the latter half of the week and society needs it. The season ended, not on Shrove Tuesday night, but on Ash Wednesday morning, in a riot of revelry.

The great Mardi Gras ball at Wardman Park hotel beginning at 10 on Shrove Tuesday night and ending after the 6 o'clock breakfast served in the dining room was quite the most beautiful, picturesque and crowded affair Washington has had in very many years.

Spreading apple trees in full bloom with delicate pink blossoms were everywhere throughout the three ballrooms and corridors. The receiving party stood under one, and each box all around the ballroom was shaded by one. A pale green canopy studded with Oriental figures spread over the center of the large ballroom floor and three bands played for the dancing.

Countless milk maids in Normandy and Holland Dutch costumes, with their clanking wooden shoes, sold milk and cheese, and one fair milk maid milked a handsome Holstein cow, in an improvised stall in the main corridor. Every one was in fancy dress and every conceivable character was represented, from Polly of Louisiana to the conception, to a real Chinese mandarin and a Japanese lady of high degree.

One of the last things the president did before leaving for New York, on route to Paris, on Tuesday was to write regrets that he could not attend the ball and to enclose a check for a handsome sum for the cause. The vice president did the same thing before leaving with Mrs. Marshall and their young adopted son, Morrison Marshall, for Arizona. They will remain there for some weeks. On their return here they will remove from the down town hotel, where they have lived ever since they came here, to Wardman Park hotel, where they will have a handsome apartment.

Mrs. Wilson saw few friends. Mrs. Wilson saw very few of her friends during her brief stay at the White House. She spent all the time possible with her mother and sisters and brothers, here in Washington. Her mother is quite elderly and has not been well. On Monday afternoon President and Mrs. Wilson slipped away from the White House and walked down town. They were unattended by the customary bicycle men and "plain clothes" men and were recognized only here and there as they briskly walked through G street to Ninth street, thence down to Pennsylvania avenue and back to the White House, entering through the east entrance. Mrs. Wilson wore a pretty gray walking suit of cloth with a small gray hat and silver fox fur. She wore the same suit when she left for New York.

The Nebraska delegation is quite broken up, only the senators and Representative C. Frank Reavis remaining in the next congress. Mrs. Shallenberger and her daughters returned to their home in Alma, Neb., leaving here on Tuesday, just after adjournment.

Mrs. Sloan, wife of Representative Charles H. Sloan, of Geneva, Neb., is remaining for some weeks yet at the George Washington inn, where they have lived for some time. Their youngest son is still in school here.

Representative and Mrs. Dan V. Stephens of Fremont, Neb., are selling their Newton street home and will probably leave the first of April or last of this month for their home in Fremont. Mrs. Stephens' sister, Mrs. Lake, of Fremont, who has spent some weeks with them here, will remain and return there with them. She has been entertained quite considerably at small affairs by their many Nebraska friends.

Mrs. Lobbeck, wife of Representative Charles O. Lobbeck, of Omaha, did not join Mr. Lobbeck here this winter.

Representative and Mrs. C. Frank Reavis, after their return from Panama, will go back to their Cleveland Park home after spending the winter months at the Continental hotel, near the capitol and near the Union station. The Congressional club, of which Mrs. Reavis is treasurer, has closed its season with the close of congress. They had their last tea last week, until an extra session or the new session next winter opens.

Mrs. Frank Judson of Omaha, who has been here for several months, has gone to New York for a time before going south and then home. Judge and Mrs. Constantine J. Smythe have taken possession of the home of Mr. and Mrs. D. C. Stapleton, which they will occupy during the absence of Mr. and Mrs. Stapleton, who are now in Phoenix, Ariz., visiting Mrs. Stapleton's brother-in-law and sister, Captain and Mrs. Barber. They will go from there to California, and probably to South America before returning here next October.

The Ak-Sar-Ben club of Nebraska girls gave their first dance last Saturday night in the Wilson Normal school. Miss Viola Weatherall of Lincoln is president of the club and was chairman of the ball committee.

War Camp Community Activities Adding Interest to Organization

Sunday at 3 p. m. the D. T. A. Glee Club will have its second song practice and study under the direction of Mrs. Mabel D. Morrison, assistant War Camp Community service song director.

Monday night the Lafayette club will have a supper and social evening at the Girls' Community house.

Tuesday night the Cluga and tee: Mrs. Norris, wife of the senator from Nebraska, and Mrs. Reavis acting as chaperones. There were 150 young people dancing, many of the Nebraska soldiers in camp around Washington coming in for it. Lt. Samuel Chamberlain and Lt. Elmer Christiansen, both of Nebraska and both University of Nebraska boys, were here for the dance, on their way home from nearly two years' service in France. It was decided at the dance that the club would give one the first Saturday night of each month until further notice.

Best Treatment for Catarrh, Croup, Coughs and Colds

Guaranteed by Sherman & McConnell Drug Co.—No Stomach Dosing

Breathe HYOMEI for all diseases of the breathing organs. It is guaranteed. In case of croup, which is very common in children send for a doctor at once. In the meantime pour 30 drops of HYOMEI into a bowl of boiling water and hold the child's head over it; cover with a towel or cloth so that only the air filled with HYOMEI vapor is breathed.

sufficient. Many people however, use the HYOMEI vapor treatment in conjunction with the inhaler.

The vapor treatment is best taken just before going to bed; it only takes about five minutes' time. Pour a teaspoonful of HYOMEI into a bowl three quarters full of boiling water, cover head and bowl with towel, and breathe the vapor that arises deep into the lungs. By this method many a hard cold has been broken up over night. A HYOMEI outfit which consists of a bottle of HYOMEI and a hard rubber pocket inhaler, costs \$1.15 at Sherman & McConnell Drug Co., and druggists everywhere. Extra bottles if afterward needed cost only 60 cents.—Adv.

New Hair Will Start Growing Today!

A Powerful Secret for Hair-Root Developing. Also the New Way of Positively Removing Wrinkles by Refining the Texture of the Skin.

using what you mention. Why not make up this cream yourself, and then you will be absolutely sure that your complexion will be wonderfully beautiful in a few weeks? Mix together an ounce of yolk and two tablespoonfuls of olive oil in a pint of water, to form a cream. Rub it well, and use twice a day at least, if you can. Your fresh, healthy skin will be the result. It is a liquid which you apply to the scalp and it will stimulate the hair roots, so that the difference is really seen in a few weeks. Get from your druggist for about fifty cents a one-ounce package of this cream, and mix the contents with a half pint of water and a half pint of bay rum. Use often and liberally. Your hair, for one thing, will soon begin to stop falling.

LOOK—Blackheads? It is very easy to get rid of them. I will tell you how, and you will get rid of them in only a few moments, too. On a wet clean skin, rub some Vaseline, costing about 50 cents at your druggist, Rub this on the blackheads, and then look in your mirror and see if I am not right.

By VALESKA SURATT.

IT SEEMS almost a shame to see how much valuable time is lost in an effort to save the wearing away of a formerly beautiful head of hair. A great many use materials which are absolutely ineffective; they believe they are nourishing the hair, but instead they starve it. Premature graying of hair is one result. How wonderful it is then that the hair can be so treated that it will immediately take on new life by being given the very materials which it readily takes into its own cell life. This, for instance, is what occurs when the following formula is used on the hair for a short time. It is a tremendous hair restorer, it infuses new vigor in the hair roots, so that the difference is really seen in a few weeks. Get from your druggist for about fifty cents a one-ounce package of this cream, and mix the contents with a half pint of water and a half pint of bay rum. Use often and liberally. Your hair, for one thing, will soon begin to stop falling.

MIS E. E.—Fatty accumulations are constantly forming on every scalp. Soap cannot remove them; it simply removes the looser dirt. Dissolve a teaspoonful of egg yolk in half a cup of water and use as a head wash. This will dissolve away all these accumulations and leave the hair with a splendid sheen. It is a liquid which you get enough egg yolk for 25 cents to give you over a dozen shampoos.

MIS GRUMBLE—Your complaint about chafy face powder is well taken. I want you to try the face powder which I had made up for myself in order to avoid this very chafiness. It is "Vaseline Suratt Face Powder," and is sold at drug stores in any tint for 50 cents.

MIS G. O. C.—Here is the best way in the world to get rid of any superfluous hair and to get rid of any reddening or irritating the skin. It is the only way known to "dissolve" the hair, to leave the skin in perfect condition and leaves no spot or redness whatever. It is glorious to use. Get a one-ounce package of this cream, and mix the contents with a half pint of water and a half pint of bay rum. Use often and liberally. Your hair, for one thing, will soon begin to stop falling.

ACACIA—Any skin will respond quickly to the following treatment. The cream below should be made up by you, and you can do it in a few moments. It makes the texture of the skin very fine and soft, and brings a splendid youthful plumpness and vigor to the skin. To a half pint of water add two ounces of egg yolk, and also one tablespoonful of Glycerine. This cream is remarkably nutritious to the skin and after a few days you will be able to say that you have found the secret of keeping the face young. Any druggist will supply you with the egg yolk for about 50 cents.
