NO DISCUSSION ALLOWED HUNS ON FOOD PLANS

Turning Over of Shipping Presented to Delegates at Brussels.

Brussels, March 14.-The decions of the allied powers providing or the turning over by Germany of nerchant ships and securities in exhange for food was presented to a Serman delegation here today by an allied commission headed by Vice Admiral Sir Rosslyn Wemyss of creat Britain. The Germans were ermitted to ask questions, but no

liscussion was allowed.
It is said *that Under-Secretary on Braun had prepared a speech the feeding of Germany was a matter of interest to all the western powers. The allies have offered to furnish food until next harvest, but the Germans were ready to urge that the only measure that would cause a great improvement in the internal situation of Germany would be the sending of food in quantities proportionate to Germany's needs and the fixing of financial conditions which are satisfactory.
