Don't Use Curling Iron! Here's a Better Method

(Woman Beautiful) By no means use a heated iron. It makes the hair dry and dead looking, giving a most unbecoming appearance. After brushing the hair thoroughly, just dip a clean tooth brush in a saucer of plain liquid salinene and run it through the parts of the hair to be curled. Do this at bedtime and you will be surprised when you look in the mirror next morning. The hair will be beautifully wavy and curling and the effect will never altogether natural.

For Rough, Wrinkled, Freckled, Pimpled Skin

As March winds, flying dust and dirt, are apt to injure any complexion, this information will be of special value right now. If you have any cutaneous blemishes, use our special powder or anything else to cover it up. Too often this only emphasizes the defect. Besides, it's much easier to remove the disfigurement with ordinary mercurated wax. Applied nightly, the wax will gradually remove freckles, pimples, moth patches, sallowness, red or yellow blotches and surface eruptions. The affected surface is absorbed, a little each day, until the clear, soft, youthful and beautiful skin beneath is exposed wholly to view. Ask the druggist for one ounce of mercurated wax and use this like you use cold cream. Begin in morning with soap and water. Many who have tried this simple, harmless treatment report astonishing results.

Stuffed Prunes. One pound sweet prunes, one-third cup black walnuts, 1/2 cup raisins, 1 tablespoon lemon juice. Select large, well-shaped prunes. Soak over night, dry, open carefully and remove the stones. Mix chopped raisins, black walnuts and lemon juice. When thoroughly blended re-fill the prunes with the mixture.

Cabbage must be cooked quickly in fast boiling water.

Worth Knowing

When frying oysters always add a little baking powder to the flour in which they are rolled. This increases the size of the oysters very much.

Add a sliced banana to the white of one egg and beat until stiff. The banana will entirely dissolve and you will have a delicious substitute for whipped cream.

A nice way to serve tartar sauce is to cut a lemon in half, clean out the inside and then fill the halves with the sauce, one being served to each guest.

Often when boiling eggs the white comes through the shell and spoils the taste of the egg through its appearance. This may be prevented if a teaspoonful of salt is put into the water before boiling.

Sewing for the Visiting Nurses was the work of Mrs. C. W. Southwell's group. They held their meeting on Friday afternoon at the home of Helen Litchie, who had charge of a program which was also given that afternoon.

PIMPLY? WELL, DON'T BE

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, bowels and liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's no sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that timely, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cured with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.

WOMEN NEED SWAMP-ROOT

Thousands of women have kidney and bladder trouble and never suspect it.

Women's complaints often prove to be nothing else but kidney trouble, or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to be become diseased.

Pain in the back, headache, loss of ambition, nervousness, are often times symptoms of kidney trouble.

Don't delay starting treatment. Dr. Kilmer's Swamp-Root, a physician's prescription, obtained at any drug store, may be just the remedy needed to overcome such conditions.

Get a medium or large size bottle immediately from any drug store. However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Binghamton, N. Y., for a sample bottle. When writing be sure and mention The Omaha Sunday Bee.

Great Medicine

Made From Corn Silk—Excites Favorable Comment.

Kidney and Bladder Ailments Banished By Few Doses.

Corn Silk! The same "silk" you see protruding from the husk of corn, produces a fine medicine for kidney and bladder irregularities, when compounded with other simple drugs as in Balmwort Tablets.

Balmwort Tablets contain a powerful extract of corn silk, which quickly relieves the inflammation and congestion that causes such distress as pains in back and hips, rheumatic twinges, nervousness, severe headaches, accompanied by frequent desire to eliminate, followed by scalding, burning sensation. The patient is compelled to arise frequently to relieve painful pressure, even though a scanty flow follows.

The eyes appear "blood-shot," the sleep is restless, and sometimes fever, followed by chills, cause great unrest. It is unwise to neglect such symptoms, when a few doses of Balmwort Tablets can be taken for relief.

Alice Trough, 5627 South Twenty-fourth street, Omaha, Neb., writes: "I have used one tube of your Balmwort Tablets and find that they are the best I have ever used for kidney and bladder trouble."

Ask any leading druggist for a tube of Balmwort Tablets. Price, \$1.00.—Adv.

Keep Busy Or Keep Still

If you must waste time, waste your own.

People with nothing to spend but their time should spend it at home.

Modern business has its work cut out for it—there's much to be done and life is all too short, so unless you are lending a hand don't hinder the busy man.

The lives, welfare, success or failure of hundreds of people may depend upon the forceful thinking and clearcut action of a master mind. No man ever thought and planned, listening to "funny stories" or idle gossip or complaints of the irresolute and idle.

If you are a bricklayer, merchant, doctor, dentist, or what not—LIVE THE PART. THINK how you can be BETTER than your fellow—think how you can give better service, think how you can uplift yourself and your calling at the same time by making every minute or every day MEAN SOMETHING.

Keep busy, whether at work or study—keep the hands and mind active and you will have neither the time nor the inclination to annoy others or keep them from their business.

One of the secrets of the success of this dental practice is that we are always busy—there is no idle time for the public to pay for—"no drones" for the "workers" to carry—we neither waste our time nor yours, and yet a patient is never "hurried" nor a piece of work "rushed" because busy people accomplish their ends without undue haste.

Better material, superior skill, reasonable prices, freedom from pain, are some of the advantages you are assured of here and you will not waste time making needless visits day after day, in order to have your dental work done properly.
