Simplicity of mechanism and sturdiness of construction in the Dixie Flyer predict a great future for it in this territory.

Nebraska auto buyers, both city people and farmers, demand a maximum of service—and the guarantee of one of the oldest firms in the country is behind this car.

Check These Brief Specifications

Motor—Dixie Lycoming Front Axle—Drop forged hi speed, 30 H. P., 4-cylinder. "I" beam section ball bearing.

Rear Axle—Full floating, Bower roller bearings, spiral bevel drive.

Clutch—Borg and Beck—multiple disc.

CHIROPRACTIC

(KI-RO-PRAK-TIK)

It is Not Medicine; Not Surgery; Not Osteopathy.

It is a scientific method of adjusting the cause of disease without drugs or instruments, based on a correct knowledge of anatomy, and especially the nervous system. The Chiropractic idea is that the cause of disease is in the person afflicted, and the adjustment in correcting the wrong that is producing it. The function of every organ in the body is controlled by mental impulses from the brain, which it transmits through the nerves. Any impingement of these nerves interfering with the transmission of mental impulses results in an abnormal function called disease. This interference is produced by subluxated vertebrae pressing upon nerves as they pass out from the spinal cord. It matters not what the trouble may be, or of how long standing, the cause is at the spine and can be removed by adjustment. When it is you will recover from the trouble.

A Bottle Baby Will be a Happy, Healthy Baby if

fresh, clean, pasteurized milk—in cleanly bottled—clean, sterilized bottles is fed to him regularly.

If your baby isn't doing well, we invite your inspection of the "home" of Alamito milk. See for yourself how proper pasteurizing is done—and find out first hand, the reason all bacteriologists agree that even the best obtainable milk is not absolutely safe for babies without PASTEURIZATION.

To See the Greatest Play BRANDEIS THEATRE

HERE is a chance for you to secure two or more tickets FREE to see that greatest of all photoplays—"The Heart of Humanity"—which has created such a sensation in Omaha and all of the Eastern cities where it is now showing. The advertisements on this double page are numbered consecutively from 1 to 20. In each of EIGHT of the ads a letter has been purposely omitted. Read all of the ads, carefully, locate the missing letters and arrange them in the accompanying blank form, or one similarly arranged, in their numerical order, giving in each instance the number of the ad, and name of the advertiser. When you have the EIGHT letters correctly arranged they will form a word indicating something of vital interest in this picture. For what our committee of judges consider the thirty-six NEATEST, nearest correct answers received on or before 12 o'clock, noon, Tuesday, March 25, we will give the following free admission tickets to see this remarkable photoplay at the Brandeis.

For the 2 NEATEST, nearest correct answers, each..... 6 tickets
For the 10 next NEATEST, nearest correct answers, each..... 4 tickets
For the 24 next NEATEST, nearest correct answers, each..... 2 tickets
In case of a tie, each tying contestant will receive full amount of prizes tied for.
Forward your answer to Theatrical Contest Editor, care of The Omaha Bee. Contest closes at 12 o'clock, noon, Tuesday, March 25. All answers to be considered must be in this office by that time; or, if mailed, must bear a postmark not later than that hour. The names of winners will be published in The Omaha Bee as soon as possible and admission tickets mailed to the successful contestants.
REMEMBER—NEATNESS COUNTS.

The HEART OF HUMANITY

WHY?

- BECAUSE people are coming back two and three times.
 - BECAUSE people are coming miles from everywhere—by train, by auto, on foot.
 - BECAUSE I'm making money hand over fist, by giving a \$2.00 entertainment at Woolworth prices—
- O, Shucks! Ask anybody who's seen it.
