Lincoln, Neb., March 22.—Governor McKelvie said today in his the members of the Roosevelt per- D. C. Dorwart. Membership com- daily conference with newspaper men that he had taken no hand on either side of the fight over paro-

he purpose of creating a model arm community.

Neb., June 23.

The Citizen's party of Friend have nominated the following amilies, healthy, strong and eager ticket: Mayor, C. E. Bowlby; coundesigned to fulfill the party pledges. He pointed out that in his message he said there should be the same requirements for regulation and inspection for public and private schools, their teachers and the courses of study.

"When the question gets to the conference stage, I may have something to say upon it if the conferor I should feel called upon to make a further recommendation," asserted the governor.

Resolutions Adopted by Farmers' Union of Merrick County

At the meeting of the Farmers' union of Merrick county, held last Monday, in Central City, resolutions were adopted by a unanimous vote, declaring that the members of the organization are opposed to legislation restricting the parochial and district schools. The union went on record as be

ing opposed to the proposed good roads system. Members resolved that good roads from the homes of the farmers to their respective trading points were of most importance. Members of the union raised their voice in protest against the appropriation of a large sum of money to aid in stopping the liquor traffic. They took the position that the money from fines would be sufficient for all purposes.

As to county matters, resolutions were adopted condemning unlawful acts committed in Merrick county and commended all officers who had performed their duties.

EXTRA TESTED

ACINE Multi-Mile Cord Tires are distinguished by the supreme mileage achievement of the tire world—Racine Absorbing Shock Strip. The Racine Absorbing Shock Strip is an extra strip of blended rubber of graduated resiliency. It takes up shocks and jolts of the road. It completely neutralizes them, and unites the tough rubber of the tread to the rubberized cord fabric carcass of the tire. Thus, the two are welded perfectly

and danger of separation is eliminated. Extra Care-Extra Wear

Miles and miles of extra service are added to Racine Multi-Mile Cord Tires by this achievement of Racine Rubber Company's chemists. Each of the many Racine Extra Tests is applied through every step in this tire's production. This extra care in the fac-

tory means extra wear on the road. Racine Multi-Mile Cord Tires are built on the proved Racine principle of multiple-strand construction. Greater tire mileage and greater riding comfort result from the flexibility of the thousands of rubber livened cords.

Greater Tire Mileage

Non-skid construction is scientifically perfected in Racine Tires as proved by severest tests over slippery, treacherous roads and pavements. You want greater tire mileage—Racine Multi-Mile Cord Tires will yield it. Competing with any make you choose, Multi-Mile Cord will prove its Extra Tested value.

For Your Own Protection Be Certain Every Racine Tire You Buy Bears the Name
