## NEGRO SPENT \$15 A WEEK ON DOPE; \$7 FOR FAMILY

### Colored Man Testifies in Federal Court That He Uses 11 Cocaine Capsules in Two Days.

Fifteen dollars a week for "coke" and \$7 to support himself and his sick wife is the account of his \$22 weekly earnings given by Dan Smith, negro, on trial yesterday before United States Commissioner Robert Neely, for violation of the Harrison act.

The negro was arrested by Russell Eberstein for illegal possession of drugs. According to a law which went into effect Tuesday, possession of the drug without a revenue stamp is subject for conviction the same as the sale of the drug.

#### Driver in Accident.

At the hearing Commissioner Neely recognized the negro as one who was driving an automobile in a recent collision on Leavenworth street, near Twenty-seventh.

"Were you under the influence of the drug at the time you were driving the car?" Neely asked him.

"The accident was not my fault. The other driver ran into my car. I didn't strike him," the negro replied.

"How do I know you are telling the truth?"

"Well, the other fellow paid the damage, that's the best proof," replied the dope fiend.

#### Costs Three Dollars Daily.

Smith said he paid \$6 for 11 dope capsules, a two-day supply for him. On plea of a wife, sick in the hospital, and a good job in an automobile concern awaiting the negro, Commissioner Neely released the negro on bond.

#### Doctors Say Man Who Hugged Dressmaker Is Insane; Is Discharged

C. B. Pugh, arrested by police yesterday after he had attempted to hug Miss Johanna Giorig, a dressmaker in the Saunders-Kennedy building, was declared by seven specialists yesterday to be suffering from a form of dementia.

Pugh's actions are said by the doctors to be the result of an emotional condition bordering on insanity.

He was discharged in police court by Judge-Holmes when Miss Giorig failed to appear as a witness against him.

Pugh promised Judge Holmes he would leave the city.

Pugh appeared early Tuesday morning at the Saunders-Kennedy building and embraced Miss Giorig in the hall.

Witnesses said she beat him with an umbrella. He ran into the elevator and, alighting on the seventh floor, met two other women, whom he hugged for a moment and then fled.

Pugh told the police he was a barber, and gave his address as 2013 Leavenworth street.

#### Funeral Services for Mrs. Ida G. Smith to Be Held Thursday

Funeral services for Mrs. Ida G. Smith, wife of Dr. Charles E. Smith, who died Tuesday at the family residence, 3565 Howard street, will be held today at 2:30 p. m.

Mrs. Smith was a daughter of one of the pioneer Omaha families. Her father, E. D. Dixon, was widely known in Nebraska through his connection with lumber interests.

A sister of Mrs. Smith's, Mrs. H. A. Doud, died three months ago after a short illness.

Mrs. Smith was a familiar figure in war work activities and assisted energetically in the drives. She was a member of the First Presbyterian church.

Besides her husband, Dr. Smith, she is survived by three daughters, Helen, Dorothy and Ida.

Burial will be in the family plot in Forest Lawn cemetery.

#### War on Gophers to Start in Douglas County March 31

A war on gophers begins in Douglas county March 31. The armistice will be signed one week later.

County Agricultural Agent E. G. Maxwell yesterday morning announced his declaration to go to war on the alfalfa destroyers.

Poison bait prepared at a moderate cost by the state university is the ammunition and weapons to be used.

M. R. Mickel of Lincoln will fire the opening gun in Irvington, Union precinct next Monday by giving a demonstration in the use of the poison bait.

"We want every farmer in Douglas county to enlist in the battle against gophers every spring and fall until the pest is entirely eradicated," said Maxwell.

"The enemy has done \$150,000 damage to alfalfa every year in this county," is his charge against the poor gopher.

#### Dedicate Tree to Memory of Soldier Dead in France

Washington, March 26.—An oak tree dedicated to the soldier-dead of the Department of Agriculture was planted on the department grounds today by Secretary Houston, assisted by Col. Henry S. Graves, of the forest service, who himself saw service in France. Representatives of the army and navy participated in the ceremony.

The planting of the tree was in keeping with the suggestion made recently by Mr. Houston that the memory of American soldiers who fell during the war could best be perpetuated by the nation-wide planting of trees in their honor.

#### Says Wife Threatened Life After 6 Weeks of Marriage

Within six weeks after their marriage his wife threatened to harm him with a knife, Clyde W. Seabold declares in a suit filed in district court asking a divorce from Beile Seabold whom he married February 16, 1918. On or about May 1, he asserts, she "drew a dagger and threatened to kill him." And about August 1 she again "drew a knife on him," he says.

#### Reduction Announced in War Tax on Pullman Rates

A reduction of 2 per cent of the present war tax on sleeping car and Pullman car tickets on all railroads is announced by the federal railroad administration, to go into effect April 1. The tax is reduced from 10 to 8 per cent, which is the same rate of tax as is carried on railroad tickets. No reason was given for the change except that it is a mere economical measure.

#### Dollar Above Par.

Washington, March 26.—For the first time since November, 1915, the dollar is quoted above par in Norway. Consul General Letcher at Christiania reported today,

## Diamond SQUEEGEE TREAD Tires

You Wouldn't Hike In Dress Shoes

Suppose, for example, you had a lot of walking to do, day after day,

—would you wear flimsy-soled dress shoes?

Of course not—for you'd see to it that your shoes were the tough-soled, substantial, serviceable sort.

The same holds with the "shoes" for your automobile.

You want your car to keep going on one set of tires as long as possible.

—the tires with the red sidewalls,

—are the tough-treaded, substantial, serviceable tires that will give you the long mileage you have hoped for,

—plus a little more for good measure.

If you want a tire that will make you come back for more, buy one DIAMOND.

The Diamond Rubber Co. Inc. Akron, Ohio.

## Style Notes

As Compiled By Our Store Shopper . . .

### Oh! Such Pretty Suits!

Navy blue knitted slip-on Country Club Suit with deep border cuffs and belt of "Rookie" colored angora. There is a hand embroidered motif in one corner of the collar and on the border of the coat is a Greenwich Village color scheme. Very new and striking in effect.

There is a beautiful three-piece Street Suit in a "Lavin Model," having a Russian slip-on blouse of navy blue silk with cunning little roses braided on the material. The coat is sleeveless and is open down the back, showing the silk blouse very effectively. A double shoe string belt finishes the waistline. The narrow skirt is open all the way up the side with a myriad of buttons. A narrow patent leather belt holds the blouse in place at waistline. This suit is made up in imported tricotine. One would surely feel very smart and up-to-the-minute in such a suit.

Still another smart street suit was made up in black silk Duveltyne with a long straight line Russian Peasant coat with narrow belt and high collar. The long and narrow skirt has a deep border of black and tan squares.

Another suit, which is particularly attractive in a bisque colored suit with a long belted coat, heavily trimmed with cable stitch and small tailored buttons. This coat is lined with a wonderful shade of turquoise blue. The skirt is perfectly plain with the exception of pockets on the hips, which carried out the cable stitching and button trim.

## Expressions of the Very Newest Ideas in Millinery in Our "Pin-on-Service."

Sometimes it is difficult to decide on the exact hat—but not so in the "Pin-on-Service," for here one may have the very newest reproductions of Foreign styles a few days after they have been adopted in this country.

Discriminating women find that our expert designers are in constant touch with the world's style centers and receive reports of the latest style ideas, which are quickly reproduced in the "Pin-on-Service" Section.

There are many new hats added to the "Pin-on-Service" display each day. The trimmings are pinned on ready for your sewing. The noticeable difference in the price of these hats is possible because you do the sewing.

WE are particularly featuring this week the hat for the matron of mohair braid, with pineapple straw edging; in side roll effects, tri-corns, narrow brim sailors, etc., trimmed in maline bows, sprays of lilacs, bow effects and soft feathers.

These models are very becoming to the matron, as they have been designed specially for extremely large head sizes and unusually small ones.

Included are some very smart street and dressy Hats for misses and young girls.

## BELLANS FOR INDIGESTION

### Baby Blinded from Eczema

"The child's head and face were almost a solid sore. The eyes perfectly blind. Doctor said the worst case he had ever seen. One sample of D. D. D. did wonderful work. A complete cure followed."—Thos. J. Dorminey, Jenison, Ala.

You write, too, to the D. D. D. Company of Chicago for a sample and get immediate relief. Dr. come in and we will tell you what D. D. D. has accomplished in your own neighborhood. Your money back unless the first bottle relieves you. 85c, 60c and \$1.00.

## D. D. D. THE Lotion for Skin Disease

—SECOND FLOOR—

## GAINS WEIGHT; FEELS FINE

Mr. Clyde Shearer, 722 East Seventh street, Jamestown, N. Y., writes: "I am using Cadomene Tablets and they are making me feel fine since taking them. I have gained ten pounds in flesh and feel better every day."

Thousands of nervous, thin, weak, aching, impoverished men and women are daily getting vast benefits from taking Cadomene Tablets. They are not a "cure all," but just a wonderfully effective tonic to the organs of the body. Sold by druggists everywhere.—Ad.

## TAKE SALTS TO FLUSH KIDNEYS

Eat less meat if you feel Backachy or Bladder troubles you—Salts is fine for Kidneys.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve your bowels, removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.—Ady.

## Such a Smart Sweater Coat

For sport wear is shown in a plaid of green, navy and red, with long revers and sash of mottled green and blue. A wonderful garment for country club wear.

Still another Sweater—or rather a surplice snuggler of knitted silk in a scarlet red, sleeveless and with a long tie sash, which, worn with a white baronette skirt, completes a remarkably attractive costume.
