

# RETAIN NAMES OF ARMY CORPS WITH RECORDS

### General March Announces Plan to Preserve Traditions of Divisions Engaged in France.

Washington, March 29.—Retention of the names of 14 national guard and national army divisions with brilliant war records in the permanent military establishment in order to preserve their traditions was announced today by General March.

For this purpose, in the 21 divisions proposed to be organized in the new army, 14 will receive the following designations:

**Rainbow All-American.**  
First division, Camp Pike, Ark.; Second, Camp Dodge, Ia.; Third, Camp Lee, Va.; Fourth, Camp Kearny, Cal.; Fifth, Panama canal zone; Sixth, Honolulu; Seventh, divided between Philippines, Alaska and Mexican border; 26th, to be based on Camp Devens; 27th, Camp Upton, N. Y.; 28th, Camp Dix, N. J.; 29th, Camp Meade, Md.; 30th, Camp Jackson, S. C.; 32d, Camp Custer, Mich.; 33d, Camp Grant, Ill.; 36th, Camp Travis, Tex.; 37th, Camp Sherman, O.; 81st, Camp Taylor, Ky.; 82d, Camp Gordon, Ga.; 89th, Camp Funston, Kan.; 91st, Camp Lewis, Wash.

The 42d (Rainbow) division will be the cavalry division in the new organization. It will be organized in the Southern department and its men will be drawn from all the states, maintaining in this respect the all-American character which was obtained in the original organization.

**Five Army Corps.**  
In each case where a division has been given the designation of a na-

tional guard and national army division, it will be recruited from the district surrounding the camp named as its base and from which the original division of that designation was drawn.

General March said that the War department was proceeding with the organization of the army on the basis of a peace strength of 509,000 men. The tactical organization will comprise five army corps of 20 infantry divisions and one cavalry division. Whether this organization will become permanent, he said, depends entirely on future legislation.

Regarding the forces in Italy, while no recent advices have come to the War department, General March said indications were that preparations were being made to remove the 332d infantry from that country.

In the reorganization of the army not only the divisional designations will be retained, but also the designations of the brigades, regiments, companies and other units in each division. The special insignia authorized for each division during the war will be continued.

### Western Union Now Sends Messages to Czech-Slovakia

Cable messages in English and French in the future will be accepted for Czech-Slovakia, which comprises former Austrian provinces of Bohemia and Moravia, at the rate of 12 cents a word more than the rate to London, according to the announcement of the Western Union Telegraph company yesterday. It is pointed out that such messages will be subjected to censorship.

### Austrian Railroad Strike May Cut Bread Rations

Copenhagen, March 29.—The strike in Austria was extended on Friday to the Northern railway and as a consequence traffic between and the outside world is almost at a standstill, according to Vienna advices received here. It is said that if the holding up of food trains continues today, the bread ration will be reduced by one-half everywhere next week.

# NAMING OF PROBE COMMITTEE NOW SET FOR MONDAY

### Contracts for Thousands of Houses Let as Drop in Building Material Prices Looms Here.

Once more has announcement of the personnel of H. O. Wilhelm's housing problem been postponed.

"We expect to announce names of those who make up the committee by Monday," said Robert H. Manley, commissioner of the Chamber of Commerce.

"We want to make a careful selection and see that all interests are properly represented. This committee will not be a price-fixing committee, but one to consider the housing problem for Omaha," he emphasized.

### Many Contracts Made.

Information brought out in tentative discussions of men who will probably be included in the committee is that contracts for erection of between 1,100 and 1,300 houses have already been made this spring, according to Mr. Manley.

"This is an optimistic fact in connection with the investigation because these figures are 30 days in excess of the usual number of contracts let at this time of the year," said Manley.

Scant building was done in recent years because of wartime restrictions, but the outlook in future building, if the price question is settled, bids fair to exceed the amount done in the past.

### IN THE DIVORCE COURT

Agnes I. Nelson charges in a petition for divorce filed today in district court that her husband, Michael Louis Nelson, did not want any children.

## The Brunswick

The All-Artists Phonograph

At a turn of the hand the Ultona plays any type of record. A child can do it. It is practically automatic.

Now your library of records can be bought according to your favorites. For instance, each record maker has a famous tenor. On a one-record instrument, you can hear him only. Others are barred. And who likes to be restricted?

The Ultona is the greatest feature offered any music lover. And it is obtainable solely on the new Brunswick.

Another vast improvement in tone projection is the Brunswick Tone Amplifier, built of moulded wood, like a violin.

Let us explain the Brunswick Method of Reproduction. Hear your favorite records. Then decide on merit alone.

# RACINE MULTI-MILE CORD TIRES

## Racine's Exclusive Feature

Thanks to the skill of Racine chemists, Racine Rubber Company brings to tire users a notable manufacturing achievement.

Racine Multi-Mile Cord Tires, the only tires with the scientifically developed Racine Absorbing Shock Strip, have won a reputation for superior mileage—all 'round superior service.

Racine Absorbing Shock Strip is the most talked of advance in tire construction. It is an extra strip of blended rubber which welds the cord carcass and rubber tread into a firm, wear-resisting and inseparable whole. The rubber is of graduated resiliency and thus it neutralizes and absorbs the shocks of the road.

Racine Absorbing Shock Strip assures every Racine Multi-Mile Cord user

## Big Extra Mileage Dividends

Racine Multi-Mile Cord Tires are Extra Tested. The many Racine Extra Tests insure top quality, always.

## Real "Non-Skid"

Danger of skidding is eliminated by Racine Multi-Mile Cords. The bevelled edges of the scientifically designed tread hold the road under most unfavorable conditions. Use Racine Multi-Mile Cord Tires and know real cord quality.

For Your Own Protection Be Certain Every Racine Tire You Buy Bears the Name
