

POSSIBILITIES FOR BOULEVARD ARE UNEQUALLED

So Declares Chicago Expert After Going Over Route of Proposed Memorial Highway Along River.

"The proposed memorial boulevard should be the entering wedge toward an ultimate city plan that will make Omaha one of the great cities of the country," was a statement by Andrew N. Rebori yesterday after driving over the route of the river boulevard as planned by the City Planning Commission.

Mr. Rebori has been identified with important projects in Chicago, his latest work being an extension of North Michigan avenue. He was impressed by the topographical features along the river from Child's Point on the south to a point north of Florence.

"Chicago has nothing that will equal the possibilities opened up by such an undertaking," he said. Declared Splendid Opportunity.

"With Omaha in comparative infancy, with the boundless possibilities for expansion that its growth in the past seem to justify for the future, and the physical peculiarities of the topography that permit the building of the road, the people should realize at once the splendid opportunity they possess."

He urged that Omaha should make big plans for the future. "This is the age of big ideas and their execution," he added. "The scheme for a boulevard costing a million or so, as a memorial, may astound the people by its size today, but a few years from now the expenditure of that amount will be considered insignificant. Nothing should be too costly to commemorate the work of our soldiers."

"Be sure and make your plans big, make them so stupendous that the people will gasp at first; then, later, future generations will praise you for your foresight. If your plans are small now, the people of the future will have to develop the city for themselves and the work will run into billions, while millions will suffice at the present time."

Double Funeral for Wife and Husband, "Flu" Victims

A double funeral was held yesterday morning for Ernest and Louise Howard, husband and wife, who resided at 1010 Castelar street. Both deaths resulted from influenza. Burials were at Walnut Hill cemetery, Council Bluffs. The Howards came to Omaha three months ago from Fort Collins, Colo. Mr. Howard was employed by Swift and company, South Side. He was 35 years old and his wife 29. A 3-year-old son is seriously ill in St. Joseph's hospital, also a victim of influenza.

Frank Delbridge, Who Stole More Than \$5,000 in Merchandise From Freight Cars in Past Two Months, Says He Uses 60 Grains of Morphine Daily—Names Negro as Accomplice.

Frank Delbridge

Charles Diggs

To satisfy his craving for "dope," Frank Delbridge, 1522 North Twenty-fourth street, in two months' time robbed railroad boxcars of merchandise valued at more than \$5,000. Yesterday he told the police he had received no more than one-tenth of the value of the loot.

Police acting on the information Delbridge gave them, have checked up nearly 70 robberies of freight cars, and are now searching for the plunder.

Delbridge's methods of operation were unique. Assisted by Diggs, according to his story to police, he would drive a horse and wagon alongside a box car in broad daylight, and after breaking the seal on the doors would load the wagon and drive off.

Was In Penitentiary. "I never 'pulled' any of the 'jobs' at night," he said, "because I was caught that way once and served a year in Lincoln."

Three of the persons to whom he sold the goods, Joseph Early, 321 1/2 South Eleventh street, Mr. and Mrs. Charles Larsen, 703 Leavenworth street, were each fined \$100 and costs in police court yesterday for receiving stolen property.

Fifty Acres More Bought by Ak-Sar-Ben for Permanent Site

Fifty acres more have been bought by the board of governors of Ak-Sar-Ben for the permanent exposition grounds to be developed at Sixteenth and Center streets. The deed was recorded yesterday. It conveys 50 acres from Oscar J. and Ellen Pickard to J. D. Weaver, who is secretary of Ak-Sar-Ben, for a consideration of \$30,000.

The first 80 acres was bought from Carl H. and Christine Jensen for \$38,000, and the deed is in the name of Randall Brown, one of the board of governors of Ak-Sar-Ben.

"Plans will be formulated as rapidly as possible," said Mr. Weaver. "There is an old race track on the ground and members of the committee will look this over at once to see what is necessary to put it into shape. The street railway company must be induced to extend its tracks to the ground. There will be no unnecessary delay in the project."

City Legal Department to Defend Policemen at Trial

With Mayor Smith and Commissioner Butler voting adversely, the city council today directed the city legal department to represent Police Officer John H. Graham and Fred Franks in an action brought in district court by John Aytch.

Mayor Smith stated that he believed this action would be setting an unwise precedent; that policemen should obtain their own legal counsel when sued.

Aytch brought an action on account of alleged rough treatment by the officers when they were making an arrest.

Mrs. Bloom at "Dope" Hearing Says Detective Forced Way into Room Without Warrant.

Detective Felix Dolan raided E. J. Bloom's room at the Hotel Fontelle Saturday night without a warrant, flashed his revolver and threatened to shoot while Mrs. Sadie Bloom was confined to a sick bed, according to testimony yesterday in the hearing of Mr. and Mrs. Bloom and Dick Doran, charged with illegal possession of drugs, before United States Commissioner R. D. Neely.

Mrs. Bloom and Doran were discharged in police court Tuesday morning by Police Judge Foster, when they were charged with violations of the traffic ordinances.

They were the Standard Oil company, the Yetter Moore Wall Paper company, M. C. Peters Milling company, Tate Motor company, M. J. Foley and the Ford Livery company.

DEFEAT RINGER AGAIN ON FLOOR OF COMMISSION

City Council Amends Police Ordinance Creating Assistant Police Chief But No Police Inspector.

The city commissioners marched up the hill and then marched right down again.

Last week in committee of the whole they voted for the new police department salary ordinance, with a provision for an inspector of police, and eliminated reference to an assistant chief of police.

Turn Ordinance Around. Yesterday morning they threw in the reverse lever and voted for an amended ordinance which provides for an assistant chief of police, but not for an inspector of police.

The ordinance will be called up for passage on Thursday morning. The March pay for the police department is being held until the passage of this ordinance, so that the men may obtain the new schedule for last month's services.

Hit at Ringer. The provision for assistant chief of police, without reference to an inspector, is another defeat for Commissioner Ringer in the council chamber.

Mr. Ringer again charged the majority of the council with interfering with internal affairs of the police department.

"I should run my own department. It is a mistake to tie my hands," said Mr. Ringer, with show of feeling.

"There has not been a man in the council who has had his own well supported by this council," replied Mayor Smith.

The new ordinance provides for seniority observance in the police department, with the exception of the position of lieutenant of police, of which rank there is only one officer.

Six months' residence in Omaha will be required before admission to the police department.

Tendency to Constipation?

USE THIS LAXATIVE! Dietitians advise a "careful diet," but that is troublesome to most people; physical culturists advise "certain exercises," which is good if one has both the time and the inclination. Doctors advise diet and exercise and medicine. The question is, shall it be a cathartic or purgative medicine? Or a mild, gentle laxative?

Thousands have decided the question to their own satisfaction by using a combination of simple laxative herbs with pepsin known to druggists as Dr. Caldwell's Syrup Pepsin. A small dose gives a free, easy movement of the bowels. It is the best substitute for nature herself. In fact, since the ingredients are wholly from the vegetable kingdom it may truthfully be said it is a natural laxative.

Its positive but gentle action on the bowels makes it an ideal remedy for constipation. The dose is small, and it may be taken with perfect safety until the bowels are regulated and act again of their own accord.

The druggist will refund your money if it fails to do as promised.
