# CREATE LOADING STATION, FORMED

**Business Men and Live Stock** Shippers Organize Company to Establish Better Transportation Facilities.

Steps to organize a corporation for the purpose of establishing a central loading station for all auto truck operators engaged in hauling on rural routes to and from Omaha and surrounding country, were taken at a meeting held in the Chamebr of

Commerce Tuesday. M. L. Henry, representing the bureau of markets, Washington, D C., officers of the highway transports committee and a number of auto truck operators attended. A committee to draft articles of

incorporation was named. It's report will be heard at an early meet-L. F. Langhorne, who operates a line of trucks between Omaha and Lincoln with headquarters at Elm-

wood, between the two cities, offered to buy the first block of stock. The purpose of the loading station is to assist merchants and farmers in establishing better transportation facilities for live stock and merchandise within a radius of 50 to 60 miles from Omaha and to provide some means by which truck operators coming into Omaha may be

assured return loads for the trip J. S. White, chairman of the Douglas county highways transport com-

mittee, presided. "Better road building, which is a prospect for the near future, will increase rural hauling by leaps and bounds," he said. "In five years the & largest part of freight moved in and out of Omaha and vicinity will be moved by auto truck," he said.
