Consideration That Are Different

Bowen's Value Giving Furniture Store."

You should choose your furniture as you would a friend, and select with care furniture with a quality and beauty that will make it a pleasant companion through many years.

We are told every day that the Furniture we sell is a little different in that the quality is all we claim, the make, design and finish all one could ask. This we believe goes a long way in giving the Bowen store a standing with its thousands of customers, making it possible for us to enlarge, to better cater to the wants of our friends.
