

ALLEGED CON MEN GET 90 DAYS IN 'MIKING' CASE

Police Judge Gives John Murphy and James Davis Term in Jail on Charge of Vagrancy.

Following testimony in police court yesterday morning that John Murphy, Kansas City, and James Davis, Hutchinson, Kan., alleged "con" men, attempted to swindle Jens Andrews, alias John Hunt, farmer, of Boone county, Nebraska, out of \$5,000, the police judge sentenced both to 90 days in jail each on a charge of vagrancy.

Both men denied attempting to sell the farmer a seat in the Grain exchange. Murphy and Davis were arrested Saturday noon at Ninth and Farnam streets after they had told Andrews of the wealth to be obtained in the Grain exchange on a capital of \$5,000.

Andrews told the court that Murphy introduced himself as "Mr. Hunter, dealer in tractors." "Judge, he wanted to take me sightseeing about the city, then show me a demonstration of tractors west of Benson, but I didn't have time to go," Andrews said. After

Lemons Beautify! Make Quarter Pint of Lotion, Cheap

What girl or woman hasn't heard of lemon juice to remove complexion blemishes; to bleach the skin and to bring out the roses, the freshness and the hidden beauty? But lemon juice alone is acid, therefore irritating and should be mixed with orchard white this way. Strain through a fine cloth the juice of two fresh lemons into a bottle containing about three ounces of orchard white, then shake well and you have a whole quarter pint of skin and complexion lotion at about the cost one usually pays for a small jar of ordinary cold cream. Be sure to strain the lemon juice so no pulp gets into the bottle, then this lotion will remain pure and fresh for months. When applied daily to the face, neck, arms and hands it should help to bleach, clear, smoothen and beautify the skin.

Any druggist will supply three ounces of orchard white at very little cost and the grocer has the lemons.—Adv.

Meat Market in South Omaha Is Wrecked by Vandals

Malicious destroyers broke into the grocery store and meat market of Max Biester, 4609 South Thirty-third street, Sunday night, threw cigars and other loose provisions on the floor and trampled upon it, with great loss to his stock, Biester reported to the police. Nothing of value was taken from the store.

This is the second case of malicious destruction on the South Side in a week. John Peterson was arrested for destruction of a soft drink parlor on the South Side, where he said his father had been sold liquor.

Harry Scorpene reported thieves broke into his fruit store through a back window and stole a quantity of apples, bananas and oranges.

C. OF C. INDORSES BOULEVARD A S HERO MEMORIAL

System to Be Beautified by Monuments of Characters of Middle West and War Veterans.

"The Argonne Drive," a memorial boulevard system marked at intervals with tiny parks or beauty spots and additionally beautified by monuments to leading characters of the middle west, such as Colonel Cody, or Buffalo Bill, received the hearty endorsement of the Chamber of Commerce good fellowship committee, as a fitting memorial to soldiers and sailors of the great war. Discussion of this subject occupied the committee's meeting Monday noon.

H. O. Wilhelm, chairman, was instructed to name a committee to set wheels into motion looking toward the attainment of the memorial.

Proposed Another Bridge. Another bridge over the Missouri river, uniting Iowa and Nebraska, was the suggestion of Frank H. Myers. "Another bridge would do away with the excessive toll despotism," he said.

A children's hospital was another suitable memorial proposed. The good fellowship committee has gone on record as pledged to support such an institution. Dr. J. T. Maxwell will give a report on this matter at the meeting next Monday. J. L. Ferciot and J. M. Gillan made pleas for concentrating effort for a memorial to the soldiers to something which will really be a lasting memorial.

"Let's get away from the utilitarian point of view. If we erect a memorial bridge, in 10 years people will forget it's a memorial and think it's only a bridge," said Gillan.

Izzy Firsh, alias Sam Harris, with five charges of auto thefts lodged against him, this morning pleaded guilty to the theft of E. E. Docekal's automobile on June 12, 1918, and was sentenced by Judge Redick to serve from one to seven years in the penitentiary.

The remaining four charges stand against him. A jury which heard the evidence against Firsh in a case tried two weeks ago disagreed.

Firsh drove the Docekal car to Missouri and then to Kansas, where he was arrested at Leavenworth. He drove the car back to Omaha with the detective who made the arrest.

He gave the name of Sam Harris when arrested.

Attends Funeral, Gets Tip on Alleged Auto Thief; Arrest Follows

The attendance of Sheriff Fisher of Nebraska City, Neb., at a funeral in Hamburg, Ia., Saturday led to the arrest yesterday morning of Albert Gard, 3720 Ohio street, and the recovery of a stolen automobile belonging to Leo Kelley, city fireman, Florence, Neb.

Detectives Piszowski and Murphy followed Gard from his home to Thirtieth and Evans streets, where the arrest was made. Gard denies having stolen the car, but declares he was in Hamburg, Ia., on Saturday. He was followed to Omaha by Sheriff Fisher, who says he saw Gard get out of the car near a graveyard in Hamburg, where the sheriff was attending a funeral.

THE "New Process" range makes an instant appeal to the housewife. Its unrivaled design makes cooking a pleasure, for every modern device that insures perfect cooking has been incorporated in it.

The cooking burners are the most unique construction feature of a New Process Range. The vents are set along radiating ridges that direct a flame on an angle rather than straight up. The direction of the flame is counter clock wise, and slightly toward the center of the burner producing a whirling flame acting directly on the bottom of the cooking vessel. This saves heat and permits the burner to be placed closer to the bottom of the kettle which gives quicker action. This vortex flame is an exclusive "New Process" feature.
