

JACKSON THINKS GISLASSON WILL BE HERE TODAY

Former Salt Laker Traded for Krug, Left Home Yesterday and Should Arrive This Morning.

The Rourke ball yard was in such good condition yesterday that the Western leaguers were able to get out on the field for another day's stiff workout.

The prices for the Sunday game will be 30 cents for any part of the park, including the war tax.

The infielder received from Salt Lake City in exchange for Marty Krug is expected to report some time today.

The Rourkes will work again this afternoon, and Bill let the boys know that he expected some snappy infield work.

Zbyszko Knocks Dr. Roller Out in Wrestling Match

Milwaukee, Wis., April 11.—The wrestling match between Wladek Zbyszko, who lays claim to the world's championship and Dr. Roller came to an end after 25 minutes of fast work here last night, when Zbyszko getting a head lock on Roller, lifted him high in the air and dropped him, Roller falling on his head and severely injuring himself.

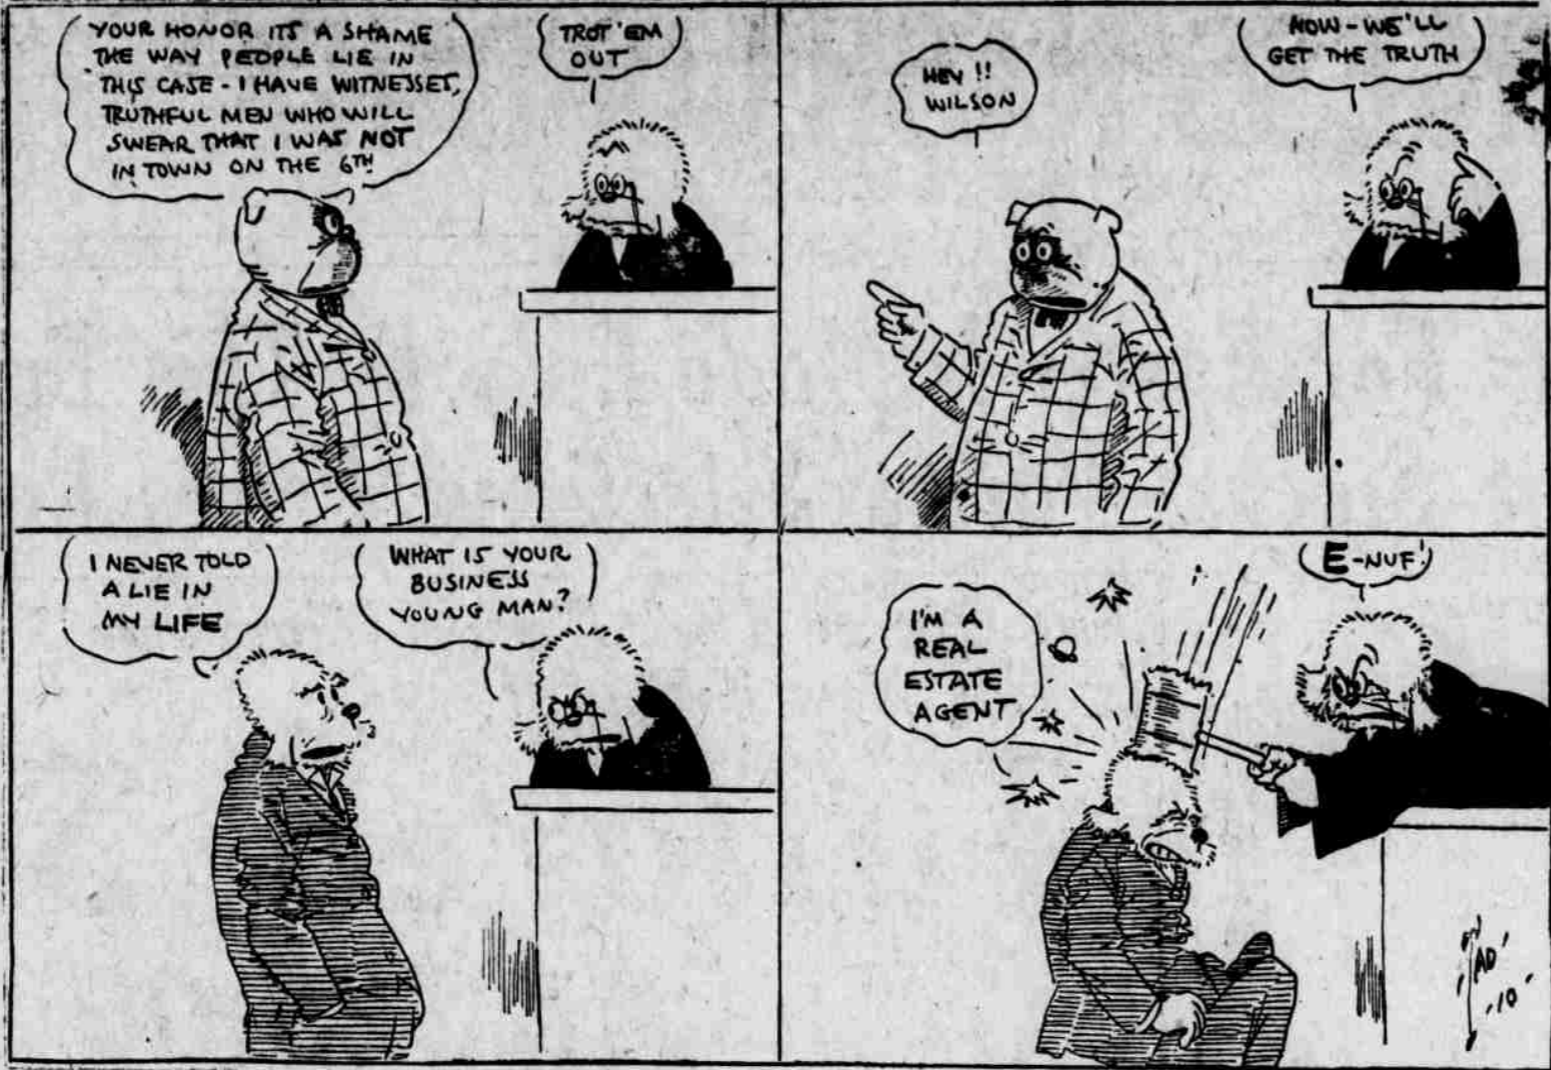

Wilson's Transport Sails

New York, April 11.—The transport George Washington sailed at 4:30 o'clock this afternoon from Hoboken for Brest. The vessel will bring back more than 4,000 troops.

The stockholders of the Toledo American association base ball club, having cleared up their difficulties, retaining Roger Bresnahan as manager, but electing a new president, has elected Owner Pa Rourke of the local Western league club out of a chance to bring a double A club to Omaha.

The international indoors singles champion, Vincent Richards, lost two straight sets to Ichiya Kumagae, Thursday night in the semi-finals of the North and South tennis tournament at Pinehurst, N. C.

Today is the last for practice that the Armour's and Rourkes will have before they tangle at Rourke Park for a real-honest-to-goodness ball game.

stein remain in the upper brackets of the doubles tourney.

The New York state amateur three-cushion billiard champion, Arthur Newman of Brooklyn, N. Y., won the national title in New York, Thursday night, defeating Earl Patterson of the Chicago Athletic association, 50 to 31, in 82 innings.

A new mark for the mile run was made by Joey Ray, the national A. A. U. champion in the central A. A. U. championships under the auspices of the Franklin A. C. of Chicago.

It will cost the bleacher fans just as much as it will the grandstand habitués at tomorrow's game. Kopp will probably be on the mound to start the game for the Rourkes and Corderman behind the plate.

Eight Lincoln men will roll in the doubles at the Omaha alleys tonight, starting at 5 o'clock.

The Beau Brummels five-man team will roll at 3 p. m., Sunday. Frank Middaugh and L. Hammond will roll in the doubles at 5:15 p. m. and they will each start in the singles at 6:15 p. m.

Rep. Mondell Declares Extra Session Should Meet by First of May

Washington, April 11.—Representative Mondell, who is to be majority floor leader in the next house, feels the urgent necessity for calling an extra session soon.

By Staff Correspondent.

Washington, April 11.—Representative Mondell, who is to be majority floor leader in the next house, feels the urgent necessity for calling an extra session soon.

"The president should assemble congress not later than May 1," said Mr. Mondell today, "in order to give the time absolutely necessary for consideration of the appropriation bills before the beginning of the fiscal year, July 1. It will be physically impossible to prepare and pass the great appropriation bills running into the billions of dollars within the space of 30 days if congress is held off until June 1 as has been suggested.

"Congress can not frame these immense appropriation bills without careful consideration, without hearings of heads of bureaus and departments and without attention to the modified needs of the government after the war.

"Aside from the necessity of granting time to get up the bills with care and due attention to economy, it will be necessary to supply deficiencies long before July 1. Many of the departments now are suffering from deficiencies and this state of affairs ought not to be permitted to continue. It is absurd to suggest that the government's needs could be met by passing continuing resolutions, that is, continuing in effect for 30 days or longer the existing appropriations. This is an undesirable recourse in normal times, but now is out of the question because the current appropriations will not be needed for the future in some cases, and would not suffice in others.

The resolutions urged that the better way to aid Mooney is to apprehend the guilty parties, and asked that unions be assessed for the purpose and the executive committee of the American Federation of Labor take charge of the money and prosecute the search.

Labor Editors Disapprove Strike in Mooney's Behalf Chicago, April 11.—A group of editors of labor papers attending a conference of newspaper editors of the Seventh federal reserve district in the interest of the Victory liberty loan held a meeting today and drafted and adopted resolutions disapproving of a nationwide strike in an attempt to free Thomas Mooney, convicted of murder in connection with the preparation day bomb explosion in San Francisco in 1916.

COMMUTATION OF 52 SENTENCES URGED BY PALMER

Attorney General Also Refutes Statement That There Are 1,500 Political Prisoners in Penitentiaries.

Washington, April 11.—Recommendations of executive clemency for 52 persons convicted under the espionage act have been sent to President Wilson by Attorney General Palmer, but the names and commutations in each case will not be announced until the president has acted. This is in line with the policy of clemency inaugurated by Thomas W. Gregory as attorney general and approved by President Wilson several weeks ago, through extension of clemency in 55 cases.

Total Number 239.

"When this investigation of the espionage act cases began about two months ago, the total number of persons confined in jails and penitentiaries for violation of the espionage act was only 239. Of these the sentences of 55 have since expired and five have been paroled, leaving 179 now in confinement. In about 30 of these cases the sentences have already been commuted and I have now recommended commutations in 52 more. These figures do not include the Industrial Workers of the World group of cases in Chicago and California, which would add 121 to the number. Of these

many, however, recently have been released on bail. There are no men in prison because of the expression of their views on social, economic or political questions, including the war. Besides, the above figures do not all represent men prosecuted for what they said or published.

Current Reports Erroneous. "Many obstructed the draft in other ways, as for instance by armed resistance, by stirring up fraudulent claims for exemption from military service and other methods. In fact many of them violated the selective service law as well as the espionage law. It thus appears that current statements to the effect that there are 1,500 political prisoners in the penitentiaries and jails of this country are the result of either frenzied imaginations or deliberate intent to deceive the public."

Diver to Search Bay for Effects of Victim of Illegal Operation

San Francisco, April 11.—A diver will be engaged to search parts of San Francisco bay for the effects of Miss Inez Elizabeth Reed, the Fort Riley, Kan., army nurse, who died last month as the result of an illegal operation, and whose body was later found in a ravine near San Mateo, south of this city, it was announced today by Captain of Detectives Duncan Matheson.

Dr. Ephraim Northcott, a San Francisco physician, is under arrest charged with performing the illegal operation and is now awaiting a preliminary hearing.

WAR CROSS WITH STARS WON BY "CHICK" MILLER

Former Ames College Football Player Returns From France Wearing Two Wound Stripes.

New York, April 11.—The transport Julia Luckenbach, carrying the 157th infantry complete, and which reported by wireless it had lost a propeller at sea, arrived off Ambrose lighthouse today from Bordeaux.

The 157th, 72 officers and 2,630 men, is part of the National Guard division from California, Nevada, Utah, Colorado, Arizona and New Mexico. The men will be distributed among 17 camps.

Wearing two wound stripes, sergeant Charles A. ("Chick") Miller of Ames, La., who played on the Ames college football team, returned with the French military medal and the French war cross with two stars.

Miller was honored for donning a German uniform and crossing into the enemy's lines where he obtained valuable information.

Road Building Material Freight Rates Reduced

Washington, April 11.—Reduced rates on road building material for federal, state, county or municipal work were ordered today by the railroad administration. All railroads were authorized to cut, without filing tariffs, 10 cents a ton from regular rates exceeding 40 cents a ton on all shipments of broken crushed or ground stone, sand and gravel, slag, shells, etc., where the benefit of the reduction would accrue to the federal, state or local governments.
