Rear Admiral W. F. Fullam, com manding division two, Pacific fleet, was rushed on a boat from his flagship, the Minneapolis, to the pier as soon as the report of the explosion was heard and reached it before the injured were taken away. He soon obtained an investigation. It was unofficially reported today, however, that the explosion probably had been caused by a spark leaping from the "rat tails" or leads, of the wireless antennae on the boat.

Of the injured, six were taken to a hospital in this city and four were removed to the navy hospital at Balboa Park. All ten men were badby burned and it is thought that a majority of them will succumb to their injuries. Barrow is reported the most seriously injured and no hope is held out for him.

Levin Sues to Recover AT THE THEATERS

NCE in a great while between lingerie farces and mediocre dramas comes a play that lives in the memory. Such is "Old Lady which comes to Boyd's theater for four days starting next Sunday night. That it comes here with practically the original company accounts for the fact that the west has not seen it before. "Old Lady 31" is the most successful work of Rachel Crothers, the best known woman dramatist of the day. With its principal scenes laid in an old ladies' home, the comedy atmosphere may well be imagined. While many of the characters are people well advanced in years, the play fairly bubbles over with the spirit of were financially unable to gratify youth and hope. SHARP REDUCTIONS IN YOUR SHOE BILLS

"A constant 'hiker' over all conditions of roads, my shoes were hard on my feet until I discovered Neolin Soles. And as for wear! Neolin Soles give twice the service of soles I formerly used," writes H. Noyes Collinson, Hazelton, Pa.

This long service means sharp reductions in those big shoe bills, for it is because of worn out soles that most shoes are discarded. Buy Neolinsoled shoes, not only for yourself, but for the whole family, children included. Also, take your old shoes to the repairman and have them re-bottomed with Neolin Soles.

Remember—Neolin Soles are water-proof, as well as comfortable and longwearing. They are created by Science to be all that soles should be, and are made by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to out-wear all other heels.
