WINTER WHEAT SHOWS BIG GAIN OVER NEBRASKA

First Crop Report of Season Issued by Burlington Railroad Estimates 3,500,000 Acres Winter Wheat.

Three million, five hundred thousand acres of winter wheat in Nebraska, as against 3,135,000 last year is the estimate of the Burlington Railroad company, according to its first crop report of the season, just out of the office of the general superintendent. The condition of the Nebraska winter wheat, taking the state as a whole, is a little better than 100 per cent. In making comparisons for the purpose of arriving at conditions, 100 per cent is taken as the basis, this figure being accepted as the average crop for a period of ten years. Four divisions of the Burlington system in Nebraska cover practically all the winter wheat area of Nebraska. At this time the condition of the cereal throughout the respective divisions is:

Table with 2 columns: Division, Condition. Omaha 100 per cent, Lincoln 93 per cent, York 107 per cent, McCook 102 per cent. Estimate Seventy Million.

Crop experts of the Burlington contend that in the event wheat conditions maintain the present average up to harvest time, the yield would be around 70,000,000 bushels. Prospects are much more favorable for the harvesting of a bumper crop than they were a year ago at this time. One year ago the condition report showed an average of 75 per cent, taking the state as a whole. Two years ago, April 15, the condition was 35 per cent on the basis of 100 per cent for the long time average.

The Burlington report shows that a large acreage has been sown to spring wheat, but figures are not obtainable. The acreage into oats will be a little less than during former years. In some localities, plowing for corn has commenced. Indications point to an unusually large acreage.

Alfalfa Not Damaged. No damage to alfalfa is reported. Pastures are coming on rapidly and in many localities, feeding of dry fodder has ceased.

The condition of the soil was never better. It was wet to a considerable depth by the late rains of last fall. The melting snow of the winter carried the moisture still deeper and with the heavy rains of the last two weeks, it is asserted that the soil is thoroughly soaked to a depth of two to three feet.

Precipitation was general over all Nebraska last week, ranging from one to four and one-half inches.

Says Wife Scratched and Abused Him; Wants Divorce

Arthur L. Swygard alleges in a petition for divorce, filed in district court yesterday, that his wife, Charlotte, struck, scratched and abused him while she was in a temporary fit of rage and that she used vile language toward him both in private and in public. He says that this occurred two or three times a month. During the last six months, he alleges, she has been seen on numerous occasions in company of other men. They were married in Chicago in 1916.

Admits "Vamping" Lover Held With Her in Omaha on Check and Immorality Charge

Worthless Checks Put Police on Trail of Man Who Last Year Swindled Omaha Hotel.

A two weeks' romance of John Reisbeck, son of John Reisbeck, farmer of York, Neb., and Ada Allman alias Beaty, Missouri Valley, Ia., was ended in Omaha Sunday night, when city detectives arrested them at the Castle hotel. They are held in the city jail for investigation in connection with beating nine Omaha hotels out of room rent and board bills, besides having passed worthless checks here amounting to about \$150.

Wants to Marry Girl.

The condition of John Reisbeck, Jr., told Chief of Detectives Dunn yesterday that he intended to marry his fiancée as soon as he was out of jail. Miss Allman was an employe of a candy factory in York, where the couple started their romantic escapades two weeks ago. In spite of Reisbeck's amorous feelings for his bride-to-be, his story to the police is somewhat contrary to his intentions. "I met her in York, and she told me she would run away with me from the man she was going with if I would only say the word."

Worthless Checks at Lincoln.

Several worthless checks passed by Reisbeck in Lincoln was evidence of his presence there. Miss Allman told police that she "loved John, and had lured him from York so they could be married secretly."

The Castle hotel they registered at as man and wife. No charge of white slavery will be lodged against Reisbeck as the couple had not gone to another state, according to J. J. Daley of the Department of Justice.

Chain of Checks.

The following firms have made complaints against Reisbeck: Thomas Flood, South Side, for \$20; Louis Conners, South Side, \$20; Peter Chadd, South Side, \$5; the Soda Inn, Twenty-fourth and Farnam streets, \$4.70 for sodas and ice cream; Forrest & Meany Drug Co., Twenty-fourth and N streets, \$25; Merritt Pharmacy, Sixteenth and Farnam streets, \$25; Hotel Henshaw, \$14.95; Hotel Conant, \$13.45; Hotel Castle, \$16.25, and Samuel Wahl, Lincoln, Neb., \$5.—

"Sob" Story Works.

Last year Reisbeck beat a room and board bill at the Henshaw through the chief clerk's confidence in him. Wearing a mourning band on his arm, he confided in the clerk that his father had died and had left him an estate valued at \$35,000.

Invest Your Fourth Loan Coupons in W. S. S., Government Urges

The Treasury department advises every holder of bonds of the Fourth Liberty loan to reinvest the half-year interest which is due today, April 15, in thrift stamps and war savings stamps. The government's thrift campaign offers Liberty bond holders, particularly the holders of single bonds and small lots, an opportunity to place their Liberty bond interest immediately at work for the government at a lucrative interest rate. Liberty bond interest coupons, as such do not earn interest. They are the interest. Invested in war savings stamps the interest will earn four per cent compounded quarterly, will be safely invested, and will be always available for a pressing need.

Gildea was charged with illegal possession of liquor and is being held at the police station pending investigation of the stolen car.

This number, originally scheduled for Friday evening, April 25, had to be changed to Tuesday evening, April 22, and tickets bought for the course bearing the date of April 25 will be honored on the 22d.

HOLY WEEK NOON MEET AT BOYD IS WELL ATTENDED

Dr. Frank G. Smith as Principal Speaker Lectures On "What Religion Is;" "Y" Quartet Sings.

About 300 business men and women attended the first of the pre-Easter noonday meetings being held this week at the Boyd theater under the auspices of the Church federation. Dr. Frank G. Smith of the First Central Congregational church was the speaker. George W. Campbell led the audience in the singing of the opening hymns. Rev. A. F. Ernst of Lowe Avenue Presbyterian church led in prayer, and the Y. M. C. A. male quartet sang two numbers.

What Religion Is.

Dr. Smith spoke on the subject, "What Religion Is." Many people have the idea that religion is a sort of moral and spiritual scourge, he said. "To be endured in order that we may become inheritors of the blessings of another world, or a parachute for making a safe landing after the flight through this life. This is not true. "Religion is simply the right way to live. Life is not divided into air-tight compartments, it is a great whole, and religion is the right way to life in all the outreaches of life. "Religion has a message for men regarding the universe and no one can give a better answer to the question as to universe than 'In the beginning, God. "Sparks of Divine Flame. "Religion also tells something about man. It declares that man is a son of God, that we are all sparks of the divine flame. The hope of the world is in this great fact, that all men possess the infinite possibility of responding to the love of the great father heart. "Religion answers the question about Jesus Christ. It says that in the fullness of time he came out of the great upward procession of God, as one who was the perfect revelation of the Father. Jesus came to reveal two great facts about God. First the great loving of God for sin. Second, the great love of God for the sinner. The meeting Tuesday at 12:15 will be led by "Bob" Wallace of Council Bluffs. The Y. M. C. A. quartet will again sing.

\$289,777,000 IS DOUGLAS COUNTY PROPERTY VALUE

Assessor Fitzgerald Figures That Holdings in County Have Made Big Increase in Past Year.

The value of Douglas county property is \$289,777,000, according to an estimate made by County Assessor Fitzgerald, now superintending the annual assessment. "I figure an increase of \$10,000,000 for the year," said Mr. Fitzgerald. "It is a little less than it was during the preceding three or four years, due to a curtailment of building operations on account of the war. But there has been a considerable increase in spite of that handicap. You can't stop a county like Douglas developing even when there is a war going on."
