London, April 15.—The covered courts tennis championships was won today by P. M. Davison, the survivor of the singles in the championship tournament that has been in progress at the Queens club here. Davison defeated Bert Ritchie, the holder of the title, by the score of

FIREMAN AUDLEY HADN'T ENJOYED MEAL IN 2 YEARS

Had Fine Appetite and Gains Twenty Pounds by Taking Tanlac.

"One of the boys at the fire house put me on to this Tanlac and I have not only gotten rid of all my troubles, but I have gained 20 pounds in weight since I commenced taking it," said Thomas Audley, a popular member of the Kansas City Fire Department, and stationed at Hose Co. No. 4, and whose residence is 3939 East 13th St., Kansas City, Mo., the other day.

"Before I took Tanlac," continued Mr. Audley, "I can't say that I really relished a single meal I ate for over two years. My appetite was so poor that I seldom ever wanted anything to eat. Then, my stomach was in such bad condition that what little I did eat would sour on my stomach and make me suffer like blue blazes for two or three hours after meals. I seldom ever ate any breakfast, and just had to force down what I ate at the other meals in order to keep up my strength. Sometimes after eating I would have terrible pains in the pit of my stomach, and gas would form and bloat me up so bad that I could hardly get a good breath. I was badly constipated all the time, and suffered constantly with a dull, mean headache, and just felt tired and sluggish all the time. I lost a lot in weight, and finally got so weak and rundown that I didn't feel very much like work."

"I tried about everything I knew or heard of that was recommended for my trouble, but Tanlac is the only thing that has done just what they say it will do. And Tanlac did its work mighty well, too, for it has been several months now, since I stopped taking it, and I haven't the slightest sign of my troubles coming back on me. My appetite is simply fine, and I not only eat a hearty breakfast every morning, but when the other two meals come on I am right there to eat again. I am never bothered with indigestion now, and in fact, my stomach seems to be in perfect condition, and my food never sours after meals. I have gained a great deal in weight and feel as well and strong as I ever did in my life. Tanlac is the best medicine I ever got my hands on and I am more than glad to take advantage of this opportunity to recommend it to everybody."

Tanlac is sold in Omaha by all Sherman & McConnell Drug Company's stores, Harvard Pharmacy and West End Pharmacy. Also Forest and Meany Drug Company in South Omaha and the leading drug-gist in each city and town throughout the state of Nebraska.—Adv.

South Side Packing Houses TO MAKE CHANGE IN WORK HOURS

Conference Held and Proposition Made to Bring About Relief in Street Car Congestion.

South Omaha packing plant managers are considering a change in their opening and closing hours in order to help improve street car service. Street car officials, members of the street car employees' union and South Side business men have proposed the change under consideration with a possibility that it may soon be adopted.

R. A. Leussler, assistant general manager of the street railway company, believes that if the proposed change could be effected it would do much towards eliminating the crowded conditions of the cars at certain times of the day.

Striking Teamsters Get Increase and Back at Work

An increase of 5 cents an hour has been granted the 55 striking teamsters employed by the Edward Peterson company, grading contractors, and the men have returned to work. Tuesday morning, the men demanded a 10 cent raise.

Last Friday a refusal on the part of the company to grant the request caused the men to strike. A strike committee conferred with Mr. Peterson, head of the firm, Tuesday morning, and it was decided that

the men return to work at 45 cents an hour instead of the 40 cents they had been getting previously. The men are engaged in transporting a 30 years' accumulation of refuse from the stock yards to a large hole at Twenty-first and M streets.

Report Exaggerated.

Superintendent Beveridge of the public schools states that an afternoon newspaper Monday exaggerated the smallpox situation at the High School of Commerce.

"One case of smallpox occurred at this school and 28 students were exposed," he said.

The superintendent added that he failed to observe anything unusual or exciting in this circumstance.

Hunt Youthful Thief.

"I want to say to der pebble mit America dot I haff no desire to make der lecture talks milt der vaudevillians until der Americans make der necktie what won't bear der weight. I luff America like der landlord luffs der rent, but nobody can make der speech if der feet ain't on der platform."

"In dis hour milt sorrow when all der countries iss joining der League uff Carrie Nations, it iss no time to talk der politics. Der soda vater straw shows which vay der breeze goes. Der bone dry law kills der shampoo."

Still Dizzy.

"When I veep on der violets in Flanders by, do I veep because der violet iss \$2 der bunch? No, I veep because der foolish Belgium bites der hand vott kicks them. Der beautiful odore from der violet iss a reminder dot de kaiser has der tender heart like der Jesse Bomerooy who gets der package milt pins for der Christmas present. When I see der widow milt der orphan der sobs almost choke der sleeve which I am laffing up like der rainspout."

"I didn't start der var. I didn't finish der var either. Der nutty Yank from der New York who vas educated in der subway iss crazy. He didn't stop. He rushes right pass der ticket chopper on der Rhine. "Vot can der clown prince do when der Yank gallups up and shakes der hand milt der knuckles first? Der clown prince is der brave man. Der telephone bills shows that. He vins der battles until he runs milt nickels out and der central vort'n giff him der army anymore. She connects him milt der zoo."

My head iss vaitzing and der crown flies off like der Coney Island crowd on der razzle dazzle."

Always Played a Duet.

Here I am milt der Holland playing tunes on der log der saw. Der Americans giff me der bawling outwards, but at least I used to take Gott into my confidence when I do somethings.

"How about der President Vilson milt Paris? Voody doesn't even consult milt der congress. Dot's vot makes der republican sorer den der fourth class postmaster who can't look in der village letter because der steam vort'n take off der glue."

Got a Raw Deal.

"Dey say der kaiser danced and must pay der fiddler. Der kaiser don't mind paying der fiddler, but he don't like to pay der whole kaefogled orchestra. Besides, you don't pay for der dance until you stops dancing. Der kaiser goes around like der Japanese valting mouse in Mexico."

The Head That Wore a Crown.

"Der President Vilson stays in Europe until he gets der service stripe for foreign service and den goes milt Washington and calls der vice president der Home Guard. Vere is der kaiser? He iss cutting out der paper dolls in Holland like der nut and der pebble vait him to earn der service stripe in der jailhouse-looking out. Der head dot vore der crown now vears der headache. Iss dot der reward for following der gold plated rule vott says do milt der others like you wouldn't want to be done by? Der kaiser ain't such a bad guy. He makes der widow and der orphan but he don't sell 'em oil stock for der Liberty bond. Vot is der reward?"

"Der kaiser is milt der Holland sawing der wood with der clown prince on der two-handed saw."

"The kaiser is von end and der clown prince is on der other. Sawing milt dot fathead iss like sawing alone."

By KID GRAVES.

The South Side branch of the Armour Packing company has Harry Williams, former Western and American leaguer, for manager of their semi-pro base ball club, but they have nothing on the Chicago branch of the firm. The Chi. club has a ball team in the Stock Yards league and they have a former National leaguer as their leader, Jimmy Archer, formerly catcher for the Chicago National league champions. Wouldn't it be a good idea for the two Armour teams to meet on the diamond in a series of games so that they could play in both cities?

One of the biggest offers for the Willard-Dempsey mill has been made by promoters in Great Falls, Montana. They offer \$250,000, for the bout and will erect an arena to seat 50,000 people if the scrap is awarded to them.

The Wisconsin State Athletic commission reports that the have a

profit of over \$16,000 from the boxing shows held in the Badger state within the last two years. A championship boxing match will be held tonight at Camp Pike, Ark., when Pete Herman of New Orleans meets Eddie Coulon, a neighbor-in-law in a ten round mill. Coulon has long been anxious to tangle with his fellow townsman, but up to date hasn't had the chance.

The authorities of Pittsburgh, Pa., have taken a step in the right direction in barring Billy Miske from any further participation in boxing shows in the Smoky City, providing of course, that all reports are true. Billy met Harry Greb, a local product in a ten-round bout there last week and it is said that he did not box on his merits, that he "pulled his punches." Jack Dillon, former middleweight champion, was the referee and he stated that Miske had not worked his best, but that Greb had. The parties in charge of the boxing game in Pittsburgh acted on Dillon's statement, barring Miske, but not saying a word to Greb.

The match at Silver Creek, Neb., that Young Golch had booked for tonight has been postponed to Saturday night. It seems that Joe Stakes, Golch's opponent, is moving and he persuaded the promoters that he would be unable to show Wednesday night on that account, so they set the match back three days.

TOWNSEND, HALE AND THOSE HERE FILL BATTERIES

Rourke Will Have Full Corps of Boxmen and Receivers When Trade and Purchase Men Report.

Despite the chilly breezes winding around the field, the Rourkes took an hour's workout yesterday afternoon, finishing up with a brisk run around the enclosure and a shower. The boys had to work fast to keep warm, though they were careful not to throw hard for fear of hurting arms. Otto Merz had to be cautioned two or three times for slipping 'em in a little too hot. The lads were all glad when Manager Jackson called a halt in the work and they hustled around the field a couple of times and slid into the warm dressing room with sighs of relief.

When Pitcher Townsend reports, Bill thinks he will have a corps of twirlers that will more than hold their own with any of the teams in the Western circuit. Catcher Hale, purchased outright from the St. Louis Americans, will be the Rourke's first string catcher and Bill expects great things from him. Townsend is a southpaw and is said to have the one thing seldom found in the left handed pitchers, perfect control.

At third base, Jess Kranda is running Harry Donica a great race for the job of covering the hot corner and Jackson is going to have his hands full picking the regular for that position. Donica's experience will be a great help to him, but Kranda's enthusiasm and "pep" just about makes up for the edge that Donica's service gives him.
