AT THE THEATERS

MISCHA ELMAN, genius of the violin, who comes to the Brandeis theater, Thursday evening, April 17, was born at Tainoje, Russia, on January 20, 1891.

Real music may be drawn from a 'cello of one string, an instrument made from an army biscuit box and a piece of wood from a Belgian door.

"Fit to Win," appearing at the Boyd theater all this week, will be shown today to women only in place of being strictly a men's picture as was advertised.

"The Common Cause" to be shown at the Brandeis theater for the last time today, presents the story of American and allied victory in the form of a drama founded on fact and the events that have brought a cessation of hostilities.

One of the many charming features in "Mickey," to be shown at the Brandeis theater starting today, is a pet squirrel who does a comedy scene with a pet bulldog that is delightfully natural.

The finale of the first act of "Hip, Hip, Hooray! Girls" at the Gayety this week is one of the many surprises of the entertainment in that it is a combination of a big musical act and a bit of grand opera.

Vandeville's funniest clown, Little Pippifax, is appearing at the Empress for the last time today.

Mrs. Hamilton Asks Divorce Be Set Aside Mrs. Viola Hamilton has filed a petition in district court, asking to have the divorce decree awarded by Judge Day, November 29, 1918, set aside.

The Spring Rains Bring Grippe

This sort of weather brings colds and grippe. If it's just a common cold people say, "there's no danger in that!" But many a fatal sickness begins with a cold—with vitality weakened—the system is ready for the Influenza germs.

If the cold starts with a cough, and it persists then some local treatment for this condition should be taken. A well known alternative extract which has been on the market for a great many years, and which has been highly recommended by thousands of users, is Dr. Pierce's Golden Medical Discovery.
