Lets Man Who Eloped With Wife's Sister Go Back Home

Girl Promises Not to See Brother-in-law Any More and U. S. Commissioner Gives Oscar Horton Chance to Support Wife and Two Children in Kansas City.

Oscar Horton of Kansas City, Mo., charged with violating the Mann act when he brought his wife's 18-year-old sister, Cladelle Sebastian, to Omaha, was permitted to return to his wife and two small children by U. S. Commissioner Neely, who heard the case yesterday.
Miss Sebastian will remain in Omaha. She expressed great love for Horton, but told Commissioner Neely she could sacrifice her love for his sake.
"My sister was always finding petty things to quarrel with Oscar about. She drove him to drink and finally to me. When he told me he was coming to Omaha I just asked him to bring me, and he did. I've loved him, even before he married my sister, but neither my sister nor he thought my love was anything more than a sisterly love."
Horton also expressed his love for his wife's pretty sister. The couple came to Omaha on April 6, and lived as man and wife for five days. Horton then turned himself over to Chief of Police Eberstein.
"I believe the only right thing for me to do is to return to my family," he declared, "but it will be hard to forget about Cladelle. Perhaps if I don't see her, I can live without her."
Miss Sebastian said she would work in Omaha till she had money enough to return to her home at Plainview, Texas. She promised not to write her brother-in-law.
Commissioner Neely permitted both to sign their own bonds, and continued the case 60 days. He declared that Horton had violated the Mann act, but owing to his wife and children he would permit his return. During the trial Horton produced a telegram from his wife, asking him to return.

Beatrice, Neb., April 16.—(Special Telegram.)—In the arrest of four boys here last night ranging in age from 16 to 20 years, Chief of Police Dillow believes he has run down the ringleaders of a gang of Beatrice youths responsible for a string of store burglaries in this section.
Within the last few weeks a jewelry store and lumber office were robbed at Wilber, Neb., and some jewelry, \$800 in Liberty bonds and War Savings stamps taken.
Stores at Courtland, Holmesville, and Odell, and a number of farm houses, have also been burglarized. The police recovered some of the loot.

According to the police they have confessed to the jobs and implicated H. G. Hrdlicka, who is in jail charged with robbing the home of Gus Penner, near Beatrice.

PRIMARY BILL UP TO GOVERNOR FOR HIS ACTION

Measure Providing for Nomination of State Officers Below Governor by Convention Gets Attention..

(By a Staff Correspondent.)
Lincoln, April 16.—(Special.)—Prospects for winding up the thirty-seventh session of the legislature late Wednesday night went glimmering when some of the senate and house leaders announced their intention of waiting until Governor McKelvie had an opportunity to act upon the bill amending the state primary law, which passed the senate late Tuesday night. The bill had previously passed the house and went to the governor for signature.
Governor McKelvie today indicated that he had not definitely made up his mind what he would do with the bill amending the state primary law. He said he would discuss it with newspaper men who expressed the belief that it was legislation which required careful consideration. The governor said that he had not expected it to come up at the session because it was not in the platform of either party and the people had not been given an opportunity to express their sentiments on the matter.
The bill, which substitutes the convention system of nominating officers below governor, in the opinion of the amending might be harmful to the real reform. Mr. McKelvie said that he believed the short ballot offered a relief from the present admitted evils and he believed that the proposed change would, if anything, work against the short ballot.

Testimony Not in Record

JUDGE GRANTS WIFE DIVORCE FROM SOCIALIST

Suit Brought by Husband Dismissed and Wife Is Given Decree on Cross-Petition.

A divorce was granted to Mrs. Martha Brillhart from Jesse T. Brillhart by Judge Troup, sitting in divorce court yesterday. Brillhart is well known in socialist circles.
A petition filed by Brillhart was dismissed by Judge Troup and the decree was granted to Mrs. Brillhart on her cross-petition. Brillhart filed his petition January 21, 1919, and charged that his wife "treated him with scorn and contempt, compelled him to prepare his own meals and clean the house." He said she is "infatuated with secret societies." He alleged that she had "repeatedly told him she no longer loved him." He also alleged that she encouraged her children to treat him with disrespect.
Alleged Cruelty and Nonsupport.
Mrs. Brillhart in her answer and cross-petition, charged that her husband failed to provide for the support of herself and their two children and that he had cursed and

abused her and ordered her and the children to leave the house.

Mrs. Brillhart was awarded a divorce with custody of the two children, for whom she will provide. She has conducted a hair dressing establishment for several years. She was also granted the equity in their home, which she said is valued at \$3,500 and is encumbered by a mortgage of \$2,000.
Candidate for Commissioner.
Mr. Brillhart has been prominently identified with socialist politics. He was a candidate for city commissioner a year ago and has been a candidate on other occasions.
He was in the employ of the Metropolitan Water district for several years and later went to the Union Pacific shops. He has appeared before the Omaha Philosophical society and other organizations on socialist subjects.

EAT LESS MEAT IF BACK HURTS

Take a Glass of Salts to Flush Kidneys if Bladder Bothers you—Drink lots of water.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.—Adv.
