Your voiceless lips, O flowers, are living preachers. Each cup a pulpit, every leaf a book. Supplying to my fancy numerous teachers From lowliest nooks.—Horace Smith.

There are two things which will make us happy in this life if we attend to them. The first is never to vex ourselves about what we cannot help; the second is never to vex ourselves about what we can help.—Aron.

SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's recipe to bring color, luster and youthfulness to hair when faded, streaked or gray.

That beautiful, even shade of dark, glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application or two of Sage and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's Sage and Sulphur Compound" now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous. The ready-to-use preparation is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.—Adv.

WOMEN! DRY CLEAN THINGS AT HOME

Try it! For a few cents you can dry clean everything.

Save five to ten dollars quickly by dry cleaning everything in the home with gasoline that would be ruined by soap and water—suits, coats, waists, silks, laces, gloves, shoes, furs, draperies, rugs—everything.

Place a gallon or more of gasoline in a dishpan or washbowl, then put in the things to be dry cleaned, then wash them with Solvite soap. Shortly everything comes out looking like new. Nothing fades, shrinks or wrinkles. Do not attempt to dry clean without Solvite soap. This gasoline soap is the secret of all dry cleaning.

A package of Solvite soap containing directions for home dry cleaning, costs little at any drug store. Dry clean out of doors or away from flame.—Adv.

STAY ON THE WATER WAGON

If You Are One Who Has Quit Indulging in Strong Drink. Cadomene Tablets Will Help You Over the Rough Period.

Cadomene Tablets are helpful to weak nerves. Weak, faulty nerves often come from strong drink. Sometimes the system is impoverished by excesses of one kind or another, such as poor digestion and faulty nutrition. Overwork, anxiety, and even grief causes abnormal nervous conditions. The strength of body declines. The strength of will power wanes. Nervousness and sleeplessness cause further weakness and loss of vitality. Years of faithful practice taught a great physician that the formula now used to make Cadomene Tablets would surely build up the health of his patients. Now, anyone can take this great medicine if needed. Mr. G. A. Hoover, R. R. No. 1, Reading, Pa., writes: "I am taking Cadomene Tablets with very gratifying results. Nervousness, overwork, and sleeplessness are my complaints."

Mr. Joe N. Herndon, 1645 Twenty-fifth St., Sacramento, Cal., writes: "I am using Cadomene Tablets and find a great improvement has been brought about in two days." Every package is guaranteed satisfactory to the purchaser.—Adv.

"Two Orphans" Will Bring to the Notice of Omahans Some Fine Local Talent

"The Two Orphans" to be produced at the Brandeis, May 1, for the benefit of the fatherless children of France, is being rehearsed every afternoon and evening and will be a well-finished production of this beautiful French play of the seventeenth century, with its picturesque settings and wonderful sympathetic story. It is written round two Norwegian orphans, one of them blind—the other of them, Henriette, the role played by Miss Esther Wilhelm—brings her younger sister to Paris—to have her eyes treated by a great specialist—when she is abducted by a French nobleman—the Marquis de Prelis—played by Lee Aitchison—while the blind sister falls into the hands of a band of Paris apaches, led by Jacques La Frochard, an outlaw—which is being splendidly rehearsed by Tommy Mills of Creighton. The older sister, after being condemned to exile is rescued by the Chevalier de Vaudery—(Hart Jenks)—and the blind sister—who is an adopted child—having been found when a little babe, deserted on the steps of Notre Dame, by Henriette's father, is restored to her sister. The story of the play unfolds the fact that the little blind girl, Louise, is the lost child of the Countess de Linieres, an important role, to which Mrs. F. L. Prawl is bringing her experience equaled with Madame Modjeska—and Nance O'Neill, having played important roles when with the companies of both these well known stars.

Mrs. McLaughlin is also in the cast, with her many years of professional work, with such well-known people as Lewis Morrison Frederick Warde, Richard Mansfield, Herbert Kelsey and Elie Shannon—the Geo. Broadhurst productions, and many years in stock, in Chicago, at the old Dearborn theater, in San Francisco at the Alcazar, Los Angeles at the Belasco, Denver, at the Broadway and Elitch. Mrs. McLaughlin, who before marriage to Col. Warren R. McLaughlin, was known professionally as Isabel Gilbert, and has occasionally since her marriage, played in stock. She was with Eva Lang several seasons ago at the Brandeis, appearing there at the request of Mr. O. D. Woodward, who has known Miss Gilbert and her work before.
