## Ask Melady's Aid in Staging Big Bout

In recognition of his efforts to raise the plane of sports to a higher and better moral level Gene Melady, prominent member of the Omaha Live Stock exchange, has been requested to co-operate in pro-moting the Willard-Dempsey battle in the event that it is staged in Pocatello, Ida. J. Rob Brady, Poca-tello's millionaire banker, who is in New York at the present time striv- trick? ing to reach an agreement with the managers of the principals whereby the bout would go to the Idaho town, wired the request to Mr Melady Thursday.

Mr. Melady has given his assent and it now seems highly probable that the well known Omaha promoter will have a prominent part in arranging the final details of the match if staged in Pocatello. In his telegram Mr. Brady ex-

pressed the opinion that because of Mr. Melady's consistent advocacy of fair and clean sports his co-operation would almost assure the magnitude would make him valuable, it was stated.
