Drive for Initial Payments Will Be Made Next Week to Get True Index of Progress Made.

Washington, April 26.—A little more than \$50,000,000 has been subscribed to the Victory Liberty loan and officially tabulated today by the treasury.

This is about one-seventh of the \$4,500,000,000 sought for the loan. Instructions will go out to Liberty loan workers to make unusual efforts next week not only to get pledges, but to induce subscribers to make their initial payments.

In this way it is hoped to have by the end of next week a truer index of the progress of the subscription campaign.

A big increase in the subscription total was reported today by the Cleveland district.

Over-subscribed. Big over-subscriptions still are reported from Michigan and Iowa, the two states which have reached their goals.

The battle tank, which plowed 12 miles up Pike's peak to advertise the loan, tomorrow is scheduled to climb lookout mountain at Golden, Colo., to the grave of the late "Buffalo Bill" Cody.

Citizens of Sioux City, Ia., put their community over the subscription mark by voluntarily going to the polls used ordinarily as voting precinct headquarters and entering their subscriptions systematically.

Oregon leads the state of the Pacific coast with 27 per cent of its quota subscribed, and Utah is second in the San Francisco district with 20 per cent.

In New England 105 communities have won honor flags.

Texas Widow Says Omaha Widower Owes Her \$110 for Wages

Mabel V. McDonald has obtained execution of a writ of attachment issued by Judge Patrick in municipal court against Joseph L. Causey, 2508 South Twenty-fourth street.

Mrs. McDonald alleged that Causey induced her to come to Omaha from Texas to serve as a housekeeper, he being a widower and she a widow. Their acquaintance began before either was married.

She further alleged that after she had cared for the home for a while, Causey sold the place without her knowledge until the new owners moved in.

She told Constable Zach Ellis that Causey left the home without advising her of his whereabouts. Her attachment on the household goods is based on an alleged claim for \$110 wages.

The case as been set for hearing before Judge Patrick on May 1.

Bolsheviks in North Russia Army Allowed to Join Enemy Forces

Archangel, April 26.—(By Associated Press.)—Approximately 90 soldiers of the North Russian army who accepted the offer of Major General Marushewsky, commander of the Russian forces and governor general of the region of the north to permit them to join the bolsheviks if they had objections to the Archangel government, have been sent through the front to the enemy lines.

A dispatch from Archangel April 3 said General Marushewsky had started Archangel with an unusual proclamation intended to call the bluff of the bolshevik sympathizers in that territory. The general offered these persons the choice of a safe conduct to the bolshevik line up to April 10, on their written application, with the alternative of a trial by military court if found within the allied military zone after that date.

Reprimand Governor Hall of Nebraska for Theft of Cigaretts

Governor Hall of Nebraska was a prisoner before Judge Troup in juvenile court yesterday, charged with stealing cigarettes from a wholesaler's truck last Monday night. Governor pleaded guilty and after a lecture by the judge was allowed to go and try to be good.

Johnnie held up a very dirty right hand and looked extremely solemn. His mother was present and said he could go to her sister's farm. But the court would take no more chances on leaving Johnnie loose for a day in the city. Mrs. Duncan was sent to buy the tickets and when she returned she and Johnnie were allowed to go to the train for the farm.

"What's the matter with you? Can't you go straight?" asked the judge.

"Yes, if you'll send me to the country, I swear it."

ONE CENT SALE!

Next Monday, Tuesday and Wednesday, April 28, 29 and 30, we shall hold another ONE CENT SALE. Such sales have been held in all the principal cities of the United States during the last few years, generally in the Rezall Drug Stores, and have been the sensation of the hour.

THE PLAN OF THE ONE CENT SALE is as follows: You BUY ONE article at the regular price, and may then obtain another of the same kind for ONE CENT. The ONE Cent Sale is an outgrowth of modern methods. By its means the manufacturers, anxious for a wider distribution of his products, makes a special concession in price, thus encouraging the retailer to co-operate by holding these sales. Thereby a large volume of merchandise is quickly distributed to the public, of course without a cent of profit, but with the effect of quickly introducing some meritorious article, perhaps hitherto unknown, or increasing largely the distribution of well-known and standard articles.

Random Notes About the One Cent Sale

This is the fifth one-cent sale we have run. Each has been a little larger than the previous one. There will be plenty of help this time, so that all may be served promptly and we believe plenty of goods also, but the only safe rule is to come early. This will be "cash and carry." No goods charged. No mail orders filled during this sale, as we are quite sure that goods enough for the Omaha folks who will call during these three days.

This One-Cent Sale will be held at our 16th and Dodge, 16th and Harney and 19th and Farnam street stores. Our 24th and Farnam and 49th and Dodge street stores will be left "free" for regular business for which we have already received the thanks of Manager Prather of the 24th, and Mrs. Baker of the 49th.

The first One-Cent sale was held about five years ago in New England Rezall drug store. It took two policemen to hold back the crowds and finally doors were locked several times each day during the Harley Drug Co. sale in Lincoln last November.

These sales are held in staid old Boston. One in particular at the corner of Washington and Avon streets, which is across the street from Filens' big establishment, made even Boston sit up and take notice.
