VOTE TO INVOKE REFERENDUM ON PRIMARY BILL

Political Patriots Wage Battle on Desirability of Women Taking Part in Political Organizations.

Lincoln, April 29.—(Special.)—By a vote of 35 to 25 the meeting of Political Patriots held at the Lindell hotel for the purpose of forming an organization for invoking the referendum on the primary law voted to take such action.

The controversy hinged on whether the action should be taken on the recall of the entire bill or that part of the bill which recognized the rights of women to partake in party organization.

Randall Fights McKelvie.

Senator C. Petrus Peterson of Lincoln was elected chairman, and S. C. Bassett of Gibbon, secretary. C. A. Randall of Newman Grove insisted that the referendum should be on the entire bill. He charged that Governor McKelvie had signed the primary bill simply to save his code bill and that he was through with the governor because of such action.

Charlie Bryan said he had been defeated in the primary twice for governor but he was still for the system and said that Newbranch of the Omaha World-Herald had assured him that the democratic organ of democracy in that city would back the proposition to recall the primary law.

N. P. Dodge of Omaha said that there could not be party organization under the primary system, and as between the two he preferred the direct primary.

Discus Woman's Part.

The discussion centered on whether the women should be allowed to have a part in the party organization by leaving in that part of the new law which allowed the women to have an equal part with the men in the party organization, or whether they should be eliminated from any part whatever by recalling the entire bill and by a vote of 35 to 25 the meeting decided that the women should be left out of consideration.

Some of those present were C. W. Bryan, C. A. Randall, J. R. Johnson, state manager of the Non-Partisan league, N. P. Dodge of Omaha, W. H. England, C. A. Sorenson, W. L. Locke and Harry Dobbins of the State Journal, Frank Harrison, W. E. Dale, recent democratic candidate for the state senate in Lancaster county; Frank Mills, former democratic member of the legislature from Lancaster county; J. H. Craddock of Omaha, former democratic member of the legislature; R. B. Howell of Omaha, and J. R. Gettys of University Place.
