

WOMAN'S SECTION OF THE BEE

As ships cross the lines of latitude and longitude without experiencing any change in temperature, so the ship of human life sails over the years and makes not the passage.

Wonderful is the power of great sorrow to sanctify the heart and purify the life.

THE BLOOD

(BY LEE HERBERT SMITH, M. D.)

AFTER INFLUENZA AND HARD WINTER COLDS.

After an attack of the grip or pneumonia, or even a hard cold, the blood is left thin, watery, and one is said to be anemic. Instead of the blood cells being round, as in diagram "A", they become irregular, as in "B." When you feel weak, nervous, or the skin breaks out in pimples, eruptions or boils, and you feel "blue" and without any snap or energy, sometimes hands cold and clammy, there is usually a large decrease in the red or white blood corpuscles and one should build up with some good blood-builder and tonic.

You can put iron in your blood and the cells become round and red, losing the irregular shape, by

taking a good iron tonic, called "Irontic," put up by Dr. Pierce and sold by most druggists. This "Irontic" is compounded of a soluble iron, nux and herbal extracts. With this you gain in vim, vigor and vitality. Instead of pale cheeks, tired and worn out before the day is half done, after taking "Irontic" your cheeks will have color, you will feel strong and vigorous and ready for work.

Or if you like a good alternative and herbal tonic, such a one can be obtained at any drug store, favorably known for the past fifty years as Dr. Pierce's Golden Medical Discovery. This is made from the wild roots and barks of forest trees and without the use of alcohol.

Leta Moore Meyer Will Write for Government

Mrs. Henry George Meyer, who, as Leta Moore Meyer, sometimes contributes articles on art to The Bee, has been asked to write for the European publicity department of war emergency and reconstruction.

Mrs. Meyer is a graduate of National Park seminary, Washington, D. C. She is a portrait and landscape painter and writer, her pictures having been exhibited in New York and Paris. Before her marriage she studied art for several years in New York at the Chase school under William M. Chase, Robert Henri, Kenneth Hayes Miller and others, and spent a summer as a private pupil of Mr. Miller's at his home on Long Island. She lived in Paris some time being a private pupil of Mr. Percival Tudor-Harte, a specialist in the methods of the old masters, and then traveled through France, Switzerland, Italy, Germany, Belgium, Holland and England, making extended stays in the principal cities.

Mrs. Meyer also writes for the American Art News of New York, the only art newspaper published and for other publications. She was a charter member of the Three Arts club, at which so many Omaha girls have stayed, when it was founded in a five-room flat in New York by Miss Jane Hall and Mrs. John Henry Hammond. It now owns a large club house and branches in London, Philadelphia, Cincinnati and Chicago. It was at this club in London that President and Mrs. Wilson were entertained at tea recently.

Mrs. Rollin Sturtevant Is Here for the Leading Role In "Fi-Fi of Toy Shop."

Mrs. Rollin Sturtevant of Kansas City, nee Alice Duval, who will take the leading role in "Fi-Fi of the Toy Shop," which will be given under

the auspices of the First Central Congregational church, arrived Monday and is the guest of her parents, Mr. and Mrs. Eugene Duval. This attractive young matron possesses a voice of remarkable beauty and Omaha music lovers are anticipating the performance which will be given at the Brandeis May 16.

A delightful May time tea was given Thursday afternoon in the church parlors, when the younger girls and matrons were the hostesses. Mrs. Sturtevant sang several numbers and other musical piang and vocal solos comprised an interesting program.

Mrs. Wilson's New Corsage Pin Very Costly

Immense Olive Branch Made Entirely of Diamonds and Eight Doves of Peace.

The magnificent corsage ornament presented by the citizens of Paris to Mrs. Woodrow Wilson when she went to France on the first trip with the president at the opening of the peace conference was made by Rene Lalique, regarded as the world's greatest craftsman in jewelry and glassware. It was brought to the United States when President and Mrs. Wilson returned in February.

The ornament is in the form of an immense olive branch, made entirely of diamonds. Among the diamond twigs are perched eight doves of translucent enamel, both olive branch and doves emblematic of peace. The backs of the doves are of the color of burnished gold. The ornament was enclosed in a beautiful casket of engraved glass, also the work of Lalique. The casket has a frame of gold set with glass decorated with engraved butterflies and leaves. The casket is considered by connoisseurs a masterpiece of art.

The cost of the diamond ornament is not known, but it is immensely valuable. One beauty about it is that with diamonds regarded nowadays not only as the most beautiful of jewels, but as one of the safest investments, the ornament will grow in value and be more valuable as an heirloom a few generations hence than it is today.

Lalique works little in jewelry now, but devotes himself almost exclusively to glassware. His productions range from small seals to vases, lamps and chandeliers. His work commands the highest prices all over the world. A collection of Lalique glassware recently was exhibited in New York.

Williams-Hoyte Engagement.

Announcement has been made of the engagement of Miss Ruth A. Hoyte, daughter of Mr. E. D. Hoyte of Boston, Mass., to Rev. Gowen C. Williams, nephew of the late Bishop A. L. Williams. The wedding will take place in the summer, and will be a quiet affair, owing to the recent death of Miss Hoyte's mother.

Miss Hoyte is a graduate of Wellesly college and a member of the teaching staff of Dana Hall. Rev. Williams is completing his course at the General Episcopal seminary in New York City.

Rev. Williams will come west in the fall and will become a member of the clergy of this diocese.

Victory Loan Notes

Superintendent of Instruction J. H. Beveridge will issue an order Thursday to all pupils of Omaha's three high schools that they promise to each sell one bond for the Victory drive.

There are 4,000 pupils in the three schools, so with this request completed to, the loan will advance several hundred thousand dollars. Victory loan notes have proved to be more popular with Douglas county than Liberty bonds.

Mrs. J. A. Gibbons, major for Elkhorn in the drive, met with no success whatever last year in the liberty loan drive. This year, to date, she has sold \$4,200 worth of the notes.

Mrs. T. Robinson of Waterloo reports already her sales as totalling \$12,000, and more to come.

Mrs. Marion E. Webster, representing Valley for the loan, reports her subscriptions at \$21,500, and her canvassing still unfinished. Last year Valley's best record was \$13,450, a net gain area of \$8,050. With only these three places heard from, the outlying districts of Douglas county are going over with a bound.

Patriotism and the spirit of sacrifice has been the keystone of bond purchasers from the woman's committee.

The subscriptions reported at woman's headquarters, which represent almost one half of the issue, reveal that the greatest number of bonds have been bought by the financially poorer classes, and many names of the well to do are noticeably missing from the records.

A human interest note was touched upon Wednesday when a lieutenant of ward nine canvassed the Farnam street school. One of the bond purchasers there supports an afflicted mother and has always made it her custom to keep her bank account up to \$50. When approached for a bond, she hesitated, as \$50 represented all her savings, but on second thought she bought a \$50 bond and remarked, "I will have to work a little harder but it is our duty."

Subscriptions of \$500 and over reported to woman's committee:

Basket Store company	2,500
Mr. and Mrs. Hallock Ross	1,900
Guarantee Laundry company	1,000
Miss and Messrs. Clegg	500
Farnam street school	2,000
Miss and Messrs. Clegg	2,000
C. T. Olson and Son	2,000
Mrs. T. Rosacker	500
D. E. Rosacker	500
Sophie White	500
D. E. Rosacker	500
E. E. Paulson Motor company	500
E. F. Howe	1,000
Helen Martin	500
Dr. Louis Swaboda	500
Miss Burgess, University hospital	500
C. Hromek	1,500
Hampton Lumber company	500
Pittsburgh Glass and Paint company, through Frank Judson	25,000
Frank W. Judson	1,000

Mr. Frank W. Judson bought \$20,000 worth of Victory bonds through the woman's committee for the Pittsburgh Glass and Paint company Tuesday morning, and at the same time purchased a \$1,000 bond for himself.

New members of the Thousand Dollar club for women include:

Mrs. H. White.....\$1,000
Mary E. Cook.....1,500
Mrs. E. F. Howe.....1,000

The Train school went 100 per cent Wednesday morning through the woman's committee.

Mrs. J. T. Kulp and Mrs. L. A. Simon captains of the Fourth ward, have finished their work and report total sales of \$30,000.

Mrs. H. C. Sumney, vice chairman of the speaker's committee, gave her entire time last week to patriotic talks in the Fifth ward. Mrs. Sumney each day spoke at a meeting held there for the loan. Wednesday she spoke at the Acme Box factory.

The booths in the City National bank and Omaha National bank buildings report the sale to date of \$16,200 worth of Victory notes. Miss Letitia Hambricht is the captain of both booths.

Mrs. Charles Van Alstine, a lieutenant of the Eighth ward, sold a \$5,000 victory note to Mr. C. L. Modisett Monday.

Miss Sophia White, daughter of Mr. and Mrs. H. White, received a \$500 Victory note from her father Monday afternoon at her birthday celebration. Mrs. White also bought \$1,000 worth of the notes for herself the same day.

Theater Party and Tea.

Mrs. Wm. Dickenson gave a matinee party followed by a tea at Hotel Fontenelle, Wednesday, for her guest, Miss Mildred Ash of Kansas City.

Mrs. M. C. Peters, who is now in New York, will remain until the latter part of May.
