DISCUSS PLAN OF ORGANIZING **NEW CIVIC BOD**

May Form New Organization to Act as Clearing House for Public Welfare Movements.

Is there need for a civic body in Omaha which shall act as a clearing house for public welfare move-ments? If so, what is the best plan of organization?

These were the questions discussed by an investigating commit-tee at the Chamber of Commerce Thursday noon. The committee elected Tuesday morning at a mass meeting in Memorial hall, for the composed of Mesdames A. C. Troup, chairman; F. H. Cole, secretary; Draper Smith, N. P. Feil. H. H. Baldrige, C. L. Hempel. J. B. Watkins, J. Y. Hooper, F. W. Judson, W. J. Hynes and Dr. Kathleen Sullivan.

With the exception of Mrs. Hynes, all members of the committee were | many. present, as well as Mrs. W. E. Bolin, chairman of the bureau on nursing activities, Omaha chapter Red Cross, and H. H. Baldrige, chairman of the committee on public affairs Chamber of Commerce.

Mr. Baldrige emphasized the importance of co-operating with existing organizations already engaged in activities which would naturally be sponsored by the new council. To Confer With Committee.

A motion prevailed whereby chairmen of certain committees of the Chamber of Commerce will be invited to confer with the women's investigating committee, at a lunch-con next Monday. The women are also taking steps to get an expres-sion from the philanthropic organizations of Omaha as to the desirability of the new civic body. Big social service movements now under way are being investigated to see they reveal the need of support from the proposed council.

The investigating committee of 11 will make a report to the general mass meeting called for May 13, instead of May 6, as originally announced in Memorial hall, court
