Chairman Speakers' Committee For The Victory Loan

Mrs. L. M. Lord, chairman of the speakers' committee for the Victory campaign. When not speaking to speed the bond selling she becomes a saleswoman and joins the lieutenants in their house-to-house canvass.

Mrs. L. M. Lord

Excellent reports of the woman's committee from the state districts are coming in to headquarters and show splendid results from the towns of the districts, many having gone 10 per cent over their quota.

The rural districts have been held up in the work on account of continued rains, but even in spite of this the job through the state is three-fourths finished.

Mrs. A. G. Peterson, state chairman of the woman's committee, reports the following assistants:

District No. 14, Mrs. C. F. Ladd, chairman. County chairmen: Lancaster, Mrs. C. F. Ladd.

Owing to the desire of some canvassers to go over their anticipated quota, the house to house canvass

has been extended three days. At this final decision, all reports must be turned in and closed by Wednesday evening. The office of the woman's headquarters in the Masonic building will be entirely closed, and the reports and the committees' work entirely finished by Saturday evening.

The booths in the City National Bank building and the Omaha National bank in charge of Miss Letitia Hambright reported sales of \$3,000 for Wednesday, \$3,400 Thursday and \$2,400 for Friday. These two booths are among the leaders for the campaign. Many individuals unsolicited in their wards, visited these booths last week, so as not to be overlooked in the Victory note subscription.

Five hundred dollar subscriptions and over turned into the woman's committee:

Mrs. C. Thies, \$900
Mr. George Ribbell, 500
Grace Kershner, 500

Miss Mona Cowell, who has been doing Red Cross canteen work at Brest, France, is now spending her two weeks' service leave in Italy and expects to visit England and Flanders' field before returning to her work at Brest. The canteen at Brest was recently reviewed by General Pershing and all workers were personally introduced. Miss Cowell has given up her trip to Constantinople, and will spend several months more in the needed canteen work at Brest.

Mrs. B. B. Wood is now at the Brighton hotel, 2133 California street, northwest, Washington, D. C.

German Red Cross Efficient and Powerful

The German Red Cross, as is generally known, was one of the most efficient parts of the German military machine. With millions of members, plenty of money and a wonderful equipment, the German society, because of its absolute control by the government in peace as well as in war, was regarded by the outside world as being out of harmony with the merciful spirit of the real Red Cross. The fact that the German Red Cross had refused to subscribe to articles of the Geneva treaty intended to prevent abuse of the Red Cross emblem strengthened this feeling.

All that has been said of the German Red Cross, especially the reference to the manner in which it was dominated throughout the military authorities, applies to the Red Cross society of the former Austro-Hungarian empire. Most of the states into which these two great monarchies have been divided will undoubtedly have delegates at Geneva.

The future of the relief organization known as the "Turkish Society of the Red Crescent," which was established in 1864, is problematical. Little is known of the present condition of the Bulgarian Red Cross.

As Belgium has commanded the terrible struggle, so its Red sympathy and admiration of the whole world for its heroic part in the Red Cross society has won the confi-

dence and respect of all those familiar with the problems it was called upon to meet. With the greater part of the little kingdom under German domination, the Belgian Red Cross workers, supported at every turn by King Albert and Queen Elizabeth, labored day and night among soldiers and civilians. The Belgian Red Cross was founded in 1891.

Salts Fine for Aching Kidneys

We eat too much meat which clogs Kidneys, then the Back hurts

Most people forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders. You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders. Jad Salts is harmless; inexpensive makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications. A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble. Adv.
