HE IS 48 YEARS OLD

But He Feels Like a Young Man of 25.

"How I suffered with my stomach! how I suffered with headaches, constipation and rheumatism—until I began taking your marvelous medicine Nuga-Tone. Now, thank God, my health has returned and I feel like a new man. I am 48 years old but I feel like I am only 25. I will praise Nuga-Tone all my days." This from J. L. Palos, Keeler, California.

Nuga-Tone builds strong, active, vigorous men and women because it makes strong, steady nerves and rich, red blood. Nerve-power is the basis of all life and action in the body. Nourish the nerve-cells, put fresh energy into the machinery of your body and you'll be surprised at the change.

When the stomach gives out and the bowels are clogged, don't fool with stimulants. When the blood is full of impurities and the circulation is sluggish, don't take the right thing—take Nuga-Tone a little while, build up your nerves and blood and see how quickly you'll feel young again.

Druggists guarantee Nuga-Tone. Buy a bottle. A bottle will last you a whole month. Use it 20 days and if you don't feel better and look better, take the remainder of the package to the druggist and get your money back.

Good druggists everywhere sell Nuga-Tone. Try it. Get a bottle today at Sherman & McConnell Drug Co. Store. —Adv.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities. You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

Half-Sisters, Married to Two Soldier "Buddies" by Same Judge at Same Time Are Now Next-Door Neighbors

Trip From Paris, S. D., to Gay Paree Interrupted by Armistice, Yanks Decide to Get Married.

Dressed all in white and carrying big bouquets of roses, Emma McComb and Bessie Hayes, half-sisters, came to the county judge's office in the court house yesterday with their khaki-clad sweethearts and, amid much laughing and happiness, had the licenses made out and were married by County Judge Bryce Crawford, while the stenographers all peeped through the doors.

Nothing short of a tornado could keep the stenographers from watching a wedding. The news spreads all through the building in some mysterious way and the girls come from far and near to see the so-called "happy pair."

In this case there were two pairs and it takes a pretty good hand to beat "two pairs."

But who were the bridegrooms? They don't cut much figure at weddings. But let their names be told. Emma McComb, 21 years old, became Mrs. Russell D. Roseborough, wife of Private Roseborough, Company B, supply train, 10th division. He went into the army from Paris, S. D., but failed to get to Paris or France.

Bessie Hayes, 18 years old, half-sister of Emma McComb, became Mrs. William McFarland. William went into the army at Perry, Ia., and was in an engineers' train with the 211th regiment 11th division.

Mr. and Mrs. Roseborough have set up housekeeping at 514 South Twenty-second street, and Mr. and Mrs. McFarland will live right next door at 518 South Twenty-second street.

PAVING PETITION FOR \$3,000,000 TO GO TO BOARD

Nearly 150 Signers Out for Paving of 115 Miles of Road in Douglas County.

The petition asking that a special election be called to vote on the proposed \$3,000,000 bond issue to pave 115 miles of Douglas county roads will be presented to the Board of County Commissioners this morning.

"It will probably bear from 100 to 150 signatures," said County Commissioner O'Connor. "The law requires that it be signed by only 20, but the fact that the signers of the petition will have to pay the cost of this special election if the bonds do not carry, makes it easier to get 100 signers than 20."

The coming election promises to be one of the most interesting held in years because, not only is \$3,000,000 at stake, but from 100 to 150 citizens of Douglas county will stand liable for about \$10,000 in all if the bond proposition does not carry by a three-fifths vote.

Holds Petitioners Responsible.

The law provides that the signers of the petition and "each of them" shall be liable for the cost of the special election if the proposition does not carry.

In the minds of many the carrying of the bonds, especially by the three-fifths vote, is considered doubtful.

Out in the county Mr. O'Connor says there is much opposition to them among some of the farmers, who think the roads should have been designated closer to their farms.

In the city there is much opposition to them by those who declare it unjust that Omaha should bear the greatest part of the expense of paving roads principally valuable to the farmers.

The election will take place in the early part of June and, if the bonds carry, actual paving should begin by midsummer.

BIG SHOE BILLS NOT NECESSARY

"It looks as if I would not be able to wear out my shoes with Neolin Soles. They have been in service about a year, and are still good," writes W. C. Dickinson of New Haven, Conn.

It is natural that shoes with Neolin Soles should wear a long time, for Neolin Soles give extra wear where most shoes wear out quickest.

These long-lasting soles are made by Science to be especially tough and durable—comfortable and waterproof, too. If you want to save money on shoes buy them with Neolin Soles. Good shoe stores carry them in many styles for men, women, and children. And you can have your old shoes re-bottomed with Neolin Soles at any repair shop.

Neolin Soles are made by The Good-year Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.

"Von Hindenburg" Is "Wished" on Dog by Owner in Omaha

"Von Hindenburg" is the name of an English coach dog for which H. Reuben, 2414 Sherman avenue, was given a dog tag Monday afternoon by the city clerk.

The tag number is 2314. Mr. Reuben explained that he named the canine after the Hun commander because the animal on a recent date returned home with evidence of having emerged second in a sanguinary encounter.
