This is indeed a pity, because baldness usually comes from carejessness, and anyone who gives the hair just a little attention should always have an abundance of good, healthy hair. Dandruff and dirt cause baldness by clogging the pores in the scalp, and giving the dandruff germs fertile ground for prolific breeding.

The treatment is very simple; remove the dirt by shampooing at least once in tan days and destroy the dandruff germs by frequently applying a little of the genuine Parisian sage, a most efficient antiseptic liquid that Sherman & McConnell and the best druggists everywhere are now recomeasy to hide the small panels if she comes, and I'll also take a few sents to surely stop itching scalp and r hair remove all dandruff and to slashes in her old gown, pretending the nourish and invigorate the hair to fit it to you. Do you think it is proper for me to know my love is not returned, but love with a man, 18 years of age. I know my love is not returned, but as I have him under my power he has to marry me. I am not considered a raving beauty, but my looks are worth mentioning. I am a brune. te with one glass eye, hooked nose, though not large, and prominent teeth. The only thing that mars my looks is a mole on my chin. How could I take it off? BROKEN-HEARTED. It is all right for you to write to several young men provided you are not engaged or otherwise honor bound to confine your missives to one man only, but you should not deceive each of the young men into thinking he is your only correspondent. ### Combing Won't Rid Hair Of Dandruff

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when -rescalp and rub it in gently with the

finger tips.

Do this tonight, and by morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find, too, that all itching

and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.—Adv.
