

# NO GRADUATION ON HOODOO DAY FOR HI STUDENTS

### Commencement Fixed June 12 Instead of on Thirteenth Day of Month by School Authorities.

Superintendent Beveridge of the public schools shares the opinion of the boys and girls of the public high schools, that their graduating day next month should be set on some day other than the 13th, which falls on Friday.

The annual commencement will be held Thursday, June 12. Some of the young people of Central high school brought the matter to the attention of Principal Masters and he in turn whispered to the superintendent.

PHOTO-PLAY OFFERINGS FOR TODAY.

**WILLIAM S. HART** has just about finished work on "The Money Corral," and everyone about the studio, from the star down, is enthusiastic over the production. It is said to be one of the most exciting stories he has ever done. A big rodeo feature furnishes what is considered one of the most attractive sets and scenes ever provided for a film.

**Dora Rogers**, a Mack Sennett comedy beauty, has joined the Universal forces and is playing in **William S. Campbell** company.

**Carol Dempster** and **Clarine Seymour** own two of the pretty faces that will appear in **David W. Griffith's** picture, "The Girl Who Stayed at Home," based upon a story by **S. E. V. Taylor**. Miss Dempster is well known as a solo dancer who accompanied **Ruth St. Denis** on one of her numerous tours of the country, and won praise from every section. Miss Seymour did picture work when she was in pigtail, but has recently confined her activities to the stage.

**Universal City** has no place for superstition. Just 13 directors are now busy on "the big lot."

**Rupert Julian's** new picture, "The Open Road," now being made at Universal City, affords "the Beau Brummel of the screen" an opportunity to wear old clothes. He plays an Italian part. **Rhea Mitchell** is the leading woman.

Now that an osculatory survey has been made by **Baby Marie Osborne's** "sentimental journey to friends" from New York to California, it appears that, in the re-

**CATHERINE BRESHKOVSKY**, now on her second visit to this country, will lecture at the Brandeis theater, tomorrow evening on "Reclaiming Russia." This wonderful woman, who has been variously called by admiring thousands throughout the world, "the little grandmother of the Russian revolution" and the "grand old woman of Europe" is making a special appeal on her present tour of America for the war orphans of Russia, not only that Russia may be restored through this rising generation, but the future safety of all nations be secured. "My country," she said in a recent interview, "suffers at the present time most incredibly for the most necessary objects and materials."

**George Rockwell**, one of the "noble nuts" at the Orpheum this week, is extremely funny for a number of reasons. One is that his nonsense has in it much real satire. The wife who whines or regards herself as a martyr is absurdly burlesqued by this comedian. His act is one of the pronounced applause hits of the current bill. The dramatic feature is the

# PROPOSE BIG JUBILEE FOURTH FOR SOLDIERS

### Mayor Smith Presides at Meeting Where Preliminaries Are Made for Great Omaha Celebration.

Mayor Smith presided in the city council chamber last night at a preliminary meeting to arrange for a home-coming celebration, July 4, for returning service men.

A resolution offered by **Randall K. Brown** of the Chamber of Commerce was adopted in effect that the mayor shall elect one delegate from each of the organizations within the city and call a meeting for next Saturday night to consider this matter more in detail.

The Fontenelle Park Education association, which has held July Fourth celebrations for five years in Fontenelle park, offered to join in the proposed celebration. No action was taken last night as to the place.

City Commissioner **Falconer** proposed that one celebration should be held in Fontenelle park and another on the South Side.

It was the sense of the meeting that every organization in the city should have a voice in making the final plans.

### Enjoy Social Session.

Members of the local organization of the American Association of Engineers met at the number of 25 met at the Hotel Fontenelle last night, where they enjoyed a smoker, a social session, and then listened to an address by **W. J. Mauer**, assistant manager of the American Radiator company, Chicago.

# Divorce Courts

**Helen Lee** has filed suit for divorce in district court from **Frank Lee**, to whom she was married in Omaha a year ago. She alleges non-support.

**John M. Delator** was granted a divorce from **Minnie Delator** by Judge Day, sitting in divorce court. She charged him with cruelty and abandonment.

**Mariam Mullane** charges in a petition for divorce filed in district court that her husband, **William**, threw her out of her home, inflicted injuries upon her, beat her and accused her of infidelity. She and her son are now living at 4727 South Thirteenth street, and she asks the court to grant a restraining order to keep her husband from interfering with them there.

**Mathilda Smith**, in a petition for divorce filed yesterday in district court, charges that her husband, **Charles**, made life intolerable. They were married in Council Bluffs in 1915. She asks to be restored to her maiden name, **Schoening**.

# For Constipation! Physic Purge or Laxative?

Everyone now and then becomes constipated, and millions are chronically in that condition. The perplexing question arises—what to use.

Purgatives and cathartics are drastic and usually cause a reaction. Saline waters are rapid in action but do no more than empty the bowels.

Just as certain an effect, and certainly a much more pleasant one, can be obtained by the use of a combination of simple laxative herbs with pepsin sold by druggists under the name of **Dr. Caldwell's Syrup Pepsin**. It acts gently, without griping. It is an especially ideal medicine for children, women, old people and others who find purges too powerful.

Only a teaspoonful is required, and by morning the movement is free and complete. A bottle in the house is insurance for the whole family against constipation, indigestion, headaches, flatulency and other digestive ills.

The druggist will refund your money if it fails to do as promised.

PRICE AS ALWAYS

In spite of greatly increased laboratory costs due to the War, by sacrificing profits and absorbing a war tax we have maintained the price at which this family laxative has been sold by druggists for the past 35 years. Two sizes—50c and \$1.00.

**Leonard Gilbert**, a resident of Omaha for 42 years, charges that his wife, **Mamie Gilbert**, has deserted him. He asked the district court yesterday to grant him a divorce. They were married in 1904 in Council Bluffs.

**Howard Smallwood** alleges in a petition for divorce filed yesterday in district court that his wife, **Elsie**, has lived with other men and has been so cruel to him that he can no longer safely live with her.

**Emily Stone** says in a petition for divorce filed in district court that she and **Albert Stone** entered into a contract to be married in Ohio, October 1, 1912, and that they then lived together as common-law husband and wife until April 10, 1917, when she says he beat her and deserted her.

Alleging that she had been made a helpless invalid by the cruel and inhuman treatment of her husband, **Emma Overling** asks the district court to grant her a divorce from **Theodore Overling** to whom she was married in 1900. She asks the custody of their two children.

**Clinton Boyden** on April 21, 1919, ordered his wife to "get out of the house," according to the petition of his wife, **Loretta**, for divorce filed in district court. She says she has been living with the children at the home of a neighbor since she was ordered out of her home.

### Army Orders.
