

**Hair Growth**  
depends upon hair culture, and hair culture begins with scalp cleanliness. Growth stops and baldness begins when the scalp and hair are not cleaned regularly and thoroughly and in the right manner. If your hair is dull, oily or dry and brittle, use **QUINEGG Shampoo**. Quinegg will allow the tiny oil glands to release just the right amount of oil to keep your hair soft, silky, healthy and vigorous. Large Bottle 50c. "Be Fair With Your Hair."

**VOSBURGH CHICAGO**

If your own druggist does not have Quinegg Shampoo, you will find it on sale and recommended by Sherman & McConnell Drug Store, Boston Drug Co., and Merritt Drug Co.

**Hairs Will Vanish After This Treatment**

(Toilet Helps)  
You can keep your skin free from hair or fuzz by the occasional use of plain delatone and in using it you need have no fear of marring or injuring the skin. A thick paste is made by mixing some of the powdered delatone with water. Then spread on the hairs and after 2 or 3 minutes rub off, wash the skin and all traces of hair have vanished. Be careful, however, to get real delatone.—Adv.

**FIREMAN HAD NARROW ESCAPE HE DECLARES**

Acute Indigestion Came Near Ending His Life—Tanlac Overcomes Troubles.

"A little less than two years ago, when I first began taking Tanlac," said J. S. Pence of 53 North Chambers street, Galesburg, while in the Hoover-Lott drug store recently, "I only weighed one hundred and twenty-five pounds and was one of the sickest men you ever saw; but now I tip the beam at one hundred and eighty pounds and never have an ache or pain."

Mr. Pence is a well known C. B. & Q. fireman and has been railroading for eighteen years. His statement regarding Tanlac, while indeed remarkable, is by no means unusual, as many hundreds have testified to having used this medicine with the same wonderful results.

"Something like fourteen years ago," he continued, "my stomach got out of order and I started down hill. I first lost my appetite and got to where nothing would tempt me to want to eat. Then I got to the place where I never dared eat any thing except the very lightest of foods and even this would cause almost unbearable cramping pains in my stomach, and lots of times the gas would shove up around my heart and smother me so I would have to lie down for several hours. When I got to where I couldn't eat any of the most nourishing foods, I went down hill in a hurry, and got so I couldn't hold out to work all day. You just don't know how heavy a shovel of coal was to me; it was just all I could do to get it into the firebox and I tell you I was almost a nervous and physical wreck. I hadn't had a year's sleep in seven or eight years, and when I was at my worst, there were weeks at a time when I couldn't close my eyes in sleep at all.

"One day after I had been compelled to quit my job on account of my condition, I started up town, and when I reached the corner where the Bank of Galesburg stands I felt awfully queer. Spots came before my eyes, a chill came over me and then all I remember was the sidewalk looked like it was coming up and I fell to the ground. I had taken a sudden spell of acute indigestion and nervous exhaustion and I hardly ceased with my life. They took me to the hospital where I stayed for four weeks and when I got home I lived on nothing but soups for weeks. I was nothing but skin and bones and nothing helped me a particle, and my wife had been told I would never get well. While in this shape, a good C. B. & Q. engineer friend of mine came to see me and pleaded with me to try Tanlac, saying it would bring me out of the rut like it had him. Well, I had 'em to get me a bottle, and I shall always believe I owe my life to this great medicine. I had not finished my second bottle until I was up and around. I soon wanted something substantial to eat, and now I am sound and well, eat just anything and am working every day in the week, so I must say Tanlac is wonderful.

Tanlac is sold in Omaha by all Sherman & McConnell Drug Company's stores, Harvard Pharmacy and West End Pharmacy. Also Forrest and Meany Drug Company in South Omaha and the leading druggist in each city and town throughout the state of Nebraska.—Adv.

**COLONEL MACRAE DINNER GUEST OF OMAHA BANKERS**

Back From Overseas, Bluffs Doctor Details Experiences in Hospital Caring for the Wounded.

The Bankers' club of Omaha had as its guest of honor at a dinner last night, Col. Donald Macrae of Council Bluffs, commander of Mobile Hospital No. 1. He returned from France at the head of his hospital unit a week ago.

The dinner was served in the oriental room of the Blackstone hotel. Officials of banks in Omaha, Council Bluffs, Benson and Florence were there. It was one of the regular meetings of the club and was designated "Lincoln night."

The following bankers from Lincoln were present: W. B. Ryons, George W. Woods, E. E. Barnett, Carl Weil, M. W. Folsom and L. B. Howey.

Former Senator Millard, president of the Omaha National bank, presided. Colonel Macrae was the only speaker. He appeared in full overseas uniform. He told the story of his experiences at the front, where he saw many wonderful cures result from the up-to-date surgical methods and hygienic regulations.

"In the 22 weeks our hospital unit was in active service we operated on about 7,000 men," said Colonel Macrae. "Surgeons worked in relays. Each team worked usually 12 hours, with one-half hour off in which to eat. When necessary, as during a great battle like Chateau-Thierry and the Argonne forest, we worked 48 hours without sleep or rest."

**Federal Land Bank of Omaha Sets Record for Four Months This Year**

The Federal Land bank of Omaha during February, March and April, according to President Hogan, loaned more than \$11,000,000, establishing a record.

A stock dividend of 6 per cent per annum was declared. Twenty-five per cent of the net earnings to date were placed to a reserve account. According to Mr. Hogan the volume of business done by the bank at present assures another 6 per cent dividend for 1919.

More than 7,700 farmers are now members of the 362 National Farm Loan associations in Iowa, Nebraska, South Dakota and Wyoming. Iowa has 128 associations.

It is stated by Mr. Hogan that it is now possible for nearly every farmer in the four states comprising the Eighth federal land bank district to obtain a loan through a local association already organized in his community.

**Body of Man Killed by Train Is Identified by Relatives**

The city clerk has received a petition from property owners who ask that the neighborhood of Thirty-ninth and Farnam streets be declared a restricted residence district, according to the provisions of a law which gives the city council authority to designate restricted areas. The prospective erection of a hospital at Thirty-ninth and Farnam streets prompted the petition.

The good fellowship committee of the Chamber of Commerce dined at the Omaha Live Stock exchange Monday afternoon. Will H. Wood, president of the exchange, presided at the luncheon.

Addresses were delivered by J. W. Gamble, Robert Manley, Everett Buckingham and Bruce McCulloch. Music was furnished by the Chamber of Commerce drum corps.

**Americanism One of Features of Meeting of Veterans of Late War**

"It was a great demonstration of genuine Americanism," was the sentiment expressed by Colonel Maher, Allan Tukey and T. J. McGuire, when they returned from St. Louis, where they attended a caucus of the American Legion, an organization of veterans of the war.

The Omaha delegates stated that Lt. Col. Theodore Roosevelt went away a bigger man than when he first entered the caucus. For more than an hour 1,048 delegates cheered Roosevelt and insisted that he accept the presidency of the legion, but he steadfastly refused. The Omaha men stated that the St. Louis meeting did not have an ounce of selfishness; that generals nominated privates and privates told generals to sit down when the occasion seemed to warrant such commands.

Delegates were from every state except the Carolinas. No effort will be made to make the organization permanent until a national convention shall be called next November in Minneapolis, when it is believed most of the overseas men will have returned. Nebraska will be entitled to four delegates at large and one additional delegate for every 1,000 members, at the Minneapolis meeting.

**ALLEGED MEMBER OF LIQUOR RING FINED IN COURT**

Implement Dealer's Arrest Follows Investigation After Arrival of Car of Whisky In City.

The conviction in police court yesterday of Arthur Parsons, implement dealer, 3401 Burt street, for illegal possession and transportation of liquor, coupled with the arrest of his 15-year-old son, Jack, and Walter Dunovitch, 4402 L street, last night, is the first of a series of arrests of members of what is believed to be an influential syndicate of bootleggers.

Parsons was fined \$100 each on charges of illegal possession and transportation of liquor. The arrests grew out of an investigation by state agents following the alleged unloading of a carload of liquor on the South Side the night of March 7. The whisky was shipped here and unloaded under the direction of the largest bootlegging syndicate in operation in the state, according to State Agent Samardick.

**Rickenbacker to Be Guest of Chiefs of Ak-Sar-Ben**

When Captain Rickenbacker comes here next Monday for his lecture at the Auditorium on his air adventures on the western front, he will be the guest of the Ak-Sar-Ben board of governors.

The board has planned a trip out to the new Ak-Sar-Ben grounds. It was here on the old mile track that "Eddie" won his first automobile race. He gained greater fame in July, 1914, when he won a real victory on the Sioux City track.

Three speeding events followed this in 1915 and in 1916 were added three championship victories—the Metropolitan, N. Y.; the Tacoma and Los Angeles. Since his superlative achievements in the air he has often remarked that his early training and experience was an excellent foundation for his work as an air fighter. His lecture, in which he will tell his air experiences, his combats and adventures while fighting the Huns, will be augmented with moving pictures and slides of himself in action.

Seats are now on sale at Beaton's, Barkley's Bros. cigar store, Sixteenth and Farnam and Omaha Automobile club.

**Gingham Frocks**  
Which Were the Cause of Such Active Selling Last Saturday at **\$10.00**

**CLEVER!** Is the word that best expresses the styles of these new gingham dresses. The materials are the very best quality of gingham, in pretty new plaids and charming new color combinations.

The frocks are so different and so attractive as to style and decorative detail that but a glance at the display established the desire that not one but several should be added to one's wardrobe.

As to description—suffice to say that every style feature with those little touches of daintiness and individuality is represented—including the barrel effect skirt with surplus crossed sash; organdy embroidery shawl collar and cuffs with vestee of tucked organdy; pipings, tiny pearl buttons, deep bias frills; bustle effect skirts, long tunic, etc. You'll enjoy viewing them, and the values are very uncommon.

**Co-Operation**

The interests of the business man and the banker are mutual. The success of either depends in a large measure, on the co-operation of both.

The steady, healthy growth of this bank is, we believe, the result of our attempts to co-operate whole-heartedly with our patrons.

That they, too, have profited by this policy can, we believe, be verified in a great many instances.
