

DEMOS TRYING TO KILL LAW THEY RECOMMENDED

Two Democratic Governors and One Legislature Advocated Passage of Code Administrative Measure.

Kearney, Neb., May 15.—That two democratic governors and one democratic legislature has advocated the passage of such a law as embodied in the civil administration code passed by the last legislature and which a democratic special committee is now trying to keep the people from

LIFT OFF CORNS WITH FINGERS

Doesn't hurt a bit and costs only few cents

Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!
A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.
Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.—Adv.

FARMER SPENT OVER \$800 IN VAIN, HE SAYS

Illinois Man Suffered for Nine Years—Tanlac Overcomes His Troubles.

"Since my health failed me about nine years ago I have spent over eight hundred dollars trying to find something that would overcome my troubles, but all my efforts failed until I found Tanlac," said Alfred Streitmatter, a well known and prosperous farmer who lives at Edelstein, Ill., while in Sulliff and Case's drug store, Peoria, a few days ago.
"I will always believe that this Tanlac saved my life," he continued, "for I had given up hope of ever being a well man again and Tanlac has made me strong and healthy. I had been going down-hill steadily ever since my troubles started and my stomach had finally gotten in such a terrible condition that the very lightest kind of food would make me suffer agonies after meals. What little I did eat just seemed to form a lump right in the pit of my stomach and I would have the worst cramping spells a man ever had. This condition kept getting worse until I began having attacks of acute indigestion and sometimes I would almost die before I could get a doctor out to my place. After these attacks were over I would be so weak and nervous for several days that I just thought I couldn't stand it. My kidneys were badly out of order, too, and I suffered a great deal with pains in the small of my back and if I stooped over for anything I would have a sharp shooting pain in my back that just seemed to go clear through my body. I would be so stiff and sore when I got out of bed every morning that it would take me about thirty minutes to dress myself, and it was almost impossible for me to lace my shoes."
"Well, I heard about Tanlac then, and decided to buy a bottle and see what it would do for me, and in a mighty short time after I commenced taking it, I knew I had at last found a medicine that had hit the spot and would overcome my troubles. I began to improve before I had finished my first bottle of Tanlac and it just looked like the more Tanlac I took, the faster I improved. I have just finished my fifth bottle, and I am as well and sound now as any man. I never have those awful pains and that soreness in my back any more and that stomach trouble has been so completely overcome that I can now eat just anything I want and am not bothered with indigestion or sour stomach afterwards. I eat a lot, too, for never had a better appetite in my life. I sleep fine every night, and can spring out of bed and dress myself like I did when I was a boy, and I can do as much work in a day as the best of them. Tanlac did all this for me, and I am more than glad to recommend it to everybody."
Tanlac is sold in Omaha by all Shuman & McConnell Drug Company's stores, Harvard Pharmacy and West End Pharmacy. Also Forest and Meany Drug Company in South Omaha and the leading drug-gist in each city and town throughout the state of Nebraska.—Adv.

knowing its merits by invoking the referendum, was shown by Gov. S. R. McKelvie in a speech before the Kearney Commercial club at its noon luncheon Thursday.
The governor in part said:
"First—Such legislation was presented to the voters in the republican platform, as follows:
"We favor the enactment of a civil administrative code in this state, creating a financial and accounting system whereby a vigorous and effective audit over financial expenditures of the state may be established and providing for the consolidation of the boards, institutions, commissions and different departments and agencies of government, thereby eliminating useless offices and positions and avoiding the overlapping functions thereof, and we further favor the creation of an effective budget system to the end that government functions may be more efficiently and economically administered."
Recommended by Nevills.
Second—It was recommended by Governor McKelvie in his message, as follows:
"The new constitution will, without doubt, provide a more economical and efficient method of handling the state's business than through the multitude of boards under the present system. The board system is not only expensive and inefficient, but, in addition, it divides authority and responsibility. It is, at present, impossible to handle the state's affairs in the efficient manner that would be demanded by any business man in the conduct of his private transactions, and the thing most needed is centralized responsibility for the discharge of the trust assumed by the state and conferred by the people to serve as public officers. Divided authority and responsibility produce waste and inefficiency, and are too often incident to the expenditure of the funds raised in taxes from the people of the state."
Shows Savings.
Third—It was recommended by Governor Morhead in his message to the 14th session of the Nebraska legislature, as follows:
"I have from the first advocated the consolidation of departments wherever possible, and where I have been able to put this policy in operation, it has shown a saving in expense and an improvement in efficiency."
Also, in his message to the 15th session, he made the following recommendation:
"The advantages of classifying the state's business and coordinating the branches under one head has been fully demonstrated by the consolidation of the state food, drug and dairy department with the oil department. The policy of consolidation may, perhaps, be carried still further to the advantage of the service," etc.

Sons of Veterans Boost Barrows for Commander
Lincoln, May 15.—Assistant Adjutant Gross of the Grand Army is busily engaged getting things in shape for the state encampment at York next week. He says:
"The G. A. R. and their allied organizations will welcome to the encampment, as commander-in-chief, Capt. C. E. Adams, who has been a booster for Nebraska in Grand Army circles for many years.
"The Sons of Veterans are booming Lieutenant-Governor P. A. Barrows for commander-in-chief of their organization. They are urging, that in the 38 years of its organization, the commandership has come west of the Mississippi river only twice and that now is the time for Nebraska. Comrade Barrows has been for years a favorite with Grand Army boys and with the W. R. C.; he is not only in great demand as a speaker for public gatherings, but is also at the call of all these organizations for any such service he can render. All Nebraska will wish him success."

Units of 89th Division to Reach New York This Month
Lincoln, May 15.—The governor has received information that the following units of the Eighty-ninth division were placed on early convey May 10, in addition to those released May 3:
Bakery company No. 318.
Butchery company No. 320.
Five Hundred Second engineers, headquarters and Companies A, B, C and D.
Five Hundred Sixth engineers, headquarters and medical detachment and Companies A, B, C and D.
Five Hundred Thirteenth engineers, Company D.
Ambulance corps, Nos. 833 and 835.
An Associated Press dispatch says that the Three Hundred Fifty-fourth infantry of the Eighty-ninth division sailed from Brest, the morning of May 15. This should bring them to New York between the twenty-fifth and thirtieth of May 25 and 30.

County Commissioners Let Contract for Paved Roads

Nebraska City, Neb., May 15.—(Special.)—At a joint session of the county commissioners of Cass and Otoe counties, together with the state engineer, held Wednesday, contracts for 31 miles of federal aid road were awarded. Fred Peterson of Omaha gets the grading at 33 1/2 cents per cubic yard, with 144,000 yards. The Central Bridge and Construction company of this city will furnish the pipe and concrete work in Otoe county, while the Capital Bridge company of Lincoln was awarded the contract for the concrete work on the Cass county part of the work.

Nebraska City Firm Gets County Bridge Contracts

Nebraska City, Neb., May 15.—(Special.)—The county commissioners of Otoe county Wednesday let the steel and concrete bridge contract for the remainder of the year to the Central Bridge and Construction company of this city. The local concern's bid was the lowest offered by six bidders. Bids on wooden bridges were all rejected and the county will continue to build its structures of that material.

Kearney Man Sells Store to Seward Business Man

Kearney, Neb., May 15.—(Special.)—W. O. King, for many years one of the leading merchants of Kearney, has sold his department store to W. T. Souder, a merchant of Seward and formerly president of the Commercial club of that place. The store is now closed for inventory, the formal opening under the new management being scheduled for Saturday of this week.

Farmers Expect to Finish Corn Planting This Week

Beatrice, Neb., May 15.—(Special Telegraph.)—Hundreds of Gage county farmers who were forced to leave their fields last week on account of the rainy weather have resumed corn planting and, if the weather is favorable most of them will finish seeding this week. County Agent Rist Wednesday evening estimated that about one-third of the crop was in the ground.

Wymore Man Dies

Beatrice, Neb., May 15.—(Special.)—J. T. Brown died at his home at Wymore after a brief illness, aged 65 years. He is survived by his widow and several children, all grown.
