OMAHA GETS TWO **O**UT OF THREE IN TULSA SERIES

Rourkes Take Final Game of the Trio Against Oilers, 5-3, After Hard-Fought Batting Duel.

The Rourkes showed the 400 fans who braved the cool breezes out at Rourke Park yesterday that their victory over the Tulsa Oilers on Thursday was no fluke, by trimming them again. Manager Jackson used his new pitcher, Shinkel, received from Salt Lake City, for the first time. He outpitched Hewitt of Tulsa by a fair margin.

The Omaha club garnered seven bingles and Tulsa five. Shinkle fanned three and walked three.

Hewitt struck out two and walked five. The game was interesting all the way, yet slower by far than the previous games of the series. took the teams two hours to com-

plete the nine innings yesterday. Seven more batsmen faced Shinkel than opposed Hewitt, but that was mainly because of the five errors made by the Rourke's infielders, Cable bungling two that should have been easy putouts. The Oilers made four bobbles, but they were not in critical places like those of the Omaha players.

The first hit of the game was made by Eddie Hazen again, being a single past the first baseman. Eddie has gathered the first bingle in each of the three games. Pitcher Shinkel got the next one, counting for two bases. Bashang sacrificed him to third and Jackson fouled out to Catcher Manion. Cable brought Shinkel home with a single, but died on first when Kirby flied out to left field.

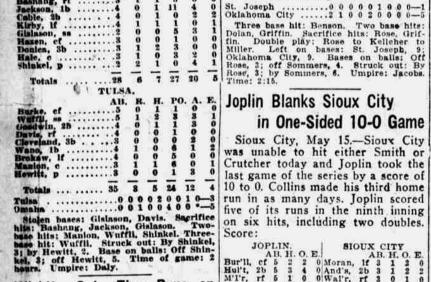

The sixth inning was the Oilers' undoing. The locals batted all the way around, Kirby leading off and Cable closing the inning. Kirby ingled, was sacrificed to second by Gislason, Hazen walked and Kirby scored on Donica's single. Hale was safe on Shortstop Wuffli's error, but Wuf recovered in time to throw to Shinkel walked and Bashang and ing Donica and Hale and Shinkel.
Cable hit a long fly to Davis in left field and retired the side.

in the latter part of the contest, but failed to hit.
