

WOMAN'S SECTION OF THE BEE

Growth the morning from gray to gold,
Waken, my heart, to greet the sun!
Yesterday's cares are a tale that is told,
Yesterday's tasks are a work that is done.—Hodgkins.

Of all the wonders that I yet have heard,
It seems to me most strange that men should fear;
Seeing that death, a necessary end,
Will come, when it will come.—Shakespeare.

SOCIETY

Mrs. Guy Woodard, Who Was Formerly Miss Allen, Is to Be Entertained Here.

In honor of Mrs. Guy Woodard, formerly Miss Vera Allen of this city, an interesting box party will be given Friday evening, May 23, when the Minneapolis symphony orchestra will be the attraction.

Mrs. Woodard, when she lived in Omaha before her marriage to Mr. Woodard, was a member of a small musical club called the "Melody club," which met once a month for two or three years at the homes of the members, when they had music and lots of fun.

Everybody took part and the programs were interesting and good. Members of this club are now more or less scattered and gone, but as many as possible always get together and entertain Mrs. Woodard whenever she comes to town.

In the box party Friday night will be:

Mrs. Woodard,
Mr. and Mrs. George Barker, Jr.,
Mrs. Arthur Lockwood,
Miss Laura Goetz,
Mr. and Mrs. Cecil Bertram,
Mr. and Mrs. E. R. Zabriskie,
Miss Elizabeth Rock.

Mr. Woodard, who is concert master with the orchestra, also formerly lived in Omaha.

Seats went on sale this morning and indications point to a large and enthusiastic audience.

Dancing Party.

The woman's auxiliary of Golden Rod lodge will give a dancing party Wednesday evening, May 21, at the De Luxe dancing academy.

Mrs. Louis Nash Elected President Christ Child Society Thursday.

At the board of directors' meeting of the Christ Child society held Thursday afternoon at the Center, Ninth and Pierce streets, Mrs. Louis Nash was elected president to fill the vacancy left by the death of Mrs. A. Swartzlander. Plans for securing a permanent home building for the society were formulated and final arrangements for a director of sociology to be the head of the work were made. Twenty members of the board were present. The welfare work of this organization will continue during the summer months, when the children will be taken to the different parks of the city for their classes.

Entertains at Dinner.

Miss Mildred Rhoades entertained at dinner Friday evening at her home in honor of her house guest, Miss Elizabeth Nutman of Washington, D. C. A mound of Ophelia roses was used as the centerpiece on the table and covers were placed for six guests.

Miss Nutman will be honor guest at luncheon Thursday of next week at the Athletic club, when Miss Geraldine Johnson will be the hostess.

Dance at Fort Omaha.

The Officers' club of Fort Omaha will give a dancing party Friday evening at the Knights of Columbus hall. Later they will have supper at the new Officers' club. Attending from Omaha will be the Misses Virginia Oufutt, Elsie Storz, Mildred Todd, Corinne Elliott, Gertrude Stout, Hazel Peterson, Erna Reed.

"The Birth of a Butterfly"

Miss Adelaide Fogg's Dance Recital Friday Was a Great Success.

The most interesting event of Friday was the dancing recital Miss Adelaide Fogg gave for her pupils. Special interest was attached to the two solo dances Miss Fogg gave herself, "The Birth of a Butterfly" and "The Death of the Swan." Both were given in costume made specially for the event. Miss Fogg also led the Italian group dance.

Next of interest on the program was the Grecian maiden group dance which was given by the Misses Roberta Druessow, Madeline Johnson, Ruth Betts, Mildred Jack and Nina Dally. "The unique dance, "Boots and Saddles," was done by Miss Ruth Betts. Miss Betts entered the stage on horse back, dismounted and proceeded with her dance.

The following members of the cast of the "Two Orphans" occupied one of the lower boxes at the performance: Mr. and Mrs. R. McLaughlin, Mrs. B. Prawl, Miss Esther Wilhelm, Messrs. Frank Parsons, Paul Duffy, Hart Jenks and Lee Atchison.

Heart Beats

By A. K.

This world
Is a cycle of chaos
We know
From the sky
To the regions below
But if some of
The steam
Energy and exertion
We waste
Could be utilized
Like Edison's electricity
We wonder
How far we would get.
Nerve exhaustion
Is quite "faddy"
Of course,
But decidedly unpleasant
And uncomfortable
And most of it comes
From our wildest pursuits
Hewitt says about
Things that get you
NOWHERE.
"Trying to walk
On water.
Sleeping
On your elbow.
Trading on your
Past reputation.
And making application
For the soda-jerker's job."
But we wish to add
A word to this
Which is directly
Aimed at some
Very nice persons.
To be as good AS
You must be much
Better THAN—
So we suggest
That if a lot of folks
Cannot be
"Much better than"
That they concentrate
Their efforts
On following their
Own ideas
And being themselves.
It might help
To get somewhere.

Too Careful?—You Can't Be

You can't be too careful in keeping your bowels open and your system clean from the poisons that constipation causes. A system full of poison is sure to bring on trouble.

At the first sign of constipation, use a thorough laxative.

Your druggist has a preparation called SALINOS, which is thorough in its action, pleasant in taste, and in use. It will completely empty the bowels, including the lower bowel, where most poisons are formed. It's remarkably good for children—and for old folks, too.

Get a bottle. Use it frequently. Be safe. 25c bottle Saturday for 20c.

War Camp Community

The dance at the Army and Navy club was attended besides the discharged local men and the boys from Fort Omaha and Fort Crook by 50 overseas men passing through Omaha on their way to Fort D. A. Russell and the President. The men were parts of the 1st, 2d, 3d, 4th, 5th, 6th, 7th, 8th and 9th balloon companies. They were formally trained here at Fort Omaha for about four months, and left here one year ago the 17th of January. About 400 attended the dance. The lawn in front of the Army and Navy club has been fenced off and punch was served there, seats, benches and tables were placed there to relieve the crowded condition in the halls and lounges. It is the plan to have flower beds, vines, etc., placed there to make a little park for the men dropping into the club.

The community singing department of the War Camp Community Service has gotten out a new song sheet of smaller size that can be used for dinner, banquets, etc. This sheet contains 42 songs and some of the new ones just being sung by the returning men and home songs. They were gotten out for song leaders' school, which will meet each Wednesday evening at the Girls' Community house at 1716 Dodge street. Copies of this sheet may be had by applying to the war camp headquarters at 433-8 Securities building.

The 35th ambulance company will hold their regular weekly meeting at the Army and Navy club Friday evening, when the officers of the organization which they are forming will be elected.

The insurance folders which were gotten out by the War Camp Community Service for the use of soldiers have proven so popular that 10,000 more have been ordered.

Parties for "Fi-Fi."

With Mr. and Mrs. N. B. Updike in their box Saturday evening at the performance of Fi-Fi will be Miss Virginia Carlisle, Miss Edith Latta, Junior Nash and Nelson Updike, Jr.

Later box parties planned for "Fi-Fi" include Mr. and Mrs. J. E. Davidson and Mr. and Mrs. Jack Hughes.

Mr. and Mrs. Miles Standish are visiting in New York City.

White foulard figured in blue is a charming summer fabric. Its graceful folds lend just the right line to this long-waisted afternoon dress, which carries a tunic and deep cuffs of white Georgette crepe. The blouse is made with a simulated panel, which is effected by hand-run tucks on either side of the front and back.

Mme. Pierre Curie, who has been decorated by the king of Spain, has been recognized as one of the leading scientists of the world since the discovery of radium by herself and her husband, now deceased, in 1898. Mme. Curie is now 50 years old. She is the daughter of a Polish professor and received her early education at Warsaw, her birthplace. Even as a child, it is said, she was passionately fond of physics and played with crucibles and retorts as other little girls of her age played with dolls.

Miss Helen Dowe of Denver, has accepted a position as lookout in the United States forestry service and will spend the summer on Devil's Head mountain, about 40 miles southwest of Denver.

"I know something that will clear your skin"

"When my complexion was red, rough and pimply, I was so ashamed that I never had any fun. I imagined that people avoided me—perhaps they did! But the regular use of Resinol Soap—with a little Resinol Ointment just at first—has given me back my clear, healthy skin. I wish you'd try it!"

Resinol

Resinol Ointment and Resinol Soap also clear away dandruff and keep the hair healthy and attractive. For trial free, write to Dept. 2-R, Keston, Baltimore, Md.
