

SPECIAL TRAIN TO CARRY OMAHA TRADE BOOSTERS

First Excursion of Kind in Six Years Leaves Tonight; to Visit 69 Towns During Trip.

More than 100 of Omaha's most prominent business men, bankers, representatives of the manufacturing interests and heads of the livestock and packing industry will depart on the first Victory trade excursion and the 41st annual booster trip at 6 o'clock Sunday.

A special train, consisting of 10 coaches, will carry the Omaha delegates to 69 cities and towns in Nebraska, Wyoming, Montana, South Dakota and Colorado.

To arouse an after-the-war spirit of optimism and to promote cooperation and mutual understanding between the business men of Omaha and those living in territory adjacent to this city is the purpose of the members of the excursion.

The trip is the first excursion in six years. Because of the war and the generally unsettled conditions, it had been postponed. It is felt that the present time is peculiarly fitted for such an affair.

Those heading the excursion declare that after the trip is completed the world will know that Omaha is in the race for business and commercial supremacy to stay.

Omaha, its advantages and possibilities, will be thoroughly advertised. About 30,000 Omaha booklets, containing facts pertaining to this city, will be distributed at the various stopping places.

With the delegates will go Dan Desudne's band of 25 pieces in a separate car. A whole car will be devoted to Omaha souvenirs.

For the past week those who are departing on the itinerary have been rehearsing Omaha songs prepared and edited by Robert H. Manley, commissioner. The city will be considerably advertised in this manner, it is believed.

According to W. A. Ellis, who will represent the Chamber of Commerce and the Omaha Hay exchange on this trip, no more enthusiastic group of men were ever assembled. They will accomplish everything they set out to do, it is his belief.

"We wish to show those living near and about Omaha that we are interested in them," stated Mr. Ellis. Prepare for Party.

Nearly every community which the delegation intends to visit has made special preparation to receive it. Commercial organizations at the various points have requested those heading the delegation to arrange for a longer stay at these points, but the itinerary as now outlined will be strictly adhered to.

The delegation will return to this city next Saturday. The following men will make the trip:

Harry G. Kelly, H. L. McWilliams, W. B. Shultz, S. J. Potter, Don T. Leo, E. J. Sawyer, F. C. Newcomb, C. A. Landen, L. P. Uterback, M. A. Roeker, E. H. Hoy, Fred Castle, Randall K. Brown, E. H. Oil Prices Increase and Butter Prices Take Drop

A freakish situation in the staple market is the simultaneous reduction in butter prices with a similar increase of oleo and nut margarines.

Country butter is quoted at 62 cents a pound; creamery cartons at 65 cents and cooking and salting at 59 cents. Oleomargarine has advanced from 3 to 5 cents a pound, according to the make or the place of sale.

Look years younger! Use the old-time Sage Tea and Sulphur and nobody will know.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old-fashioned Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it dardens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.—Adv.

Woman Says Husband Held Her Prisoner for 5 Weeks; Asks Divorce

Lura Barnet says she escaped from "prison" in her former home near Keystone, Neb., last Wednesday after she had been held a prisoner there by her husband, Ernest, for five weeks. She filed suit yesterday in district court for a divorce. She tells a story of cruelty. They have eight children ranging from three to 17 years of age and she asks the court to make whatever disposition of them seems just.

They were married Christmas eve, 1900. She alleges that he was habitually cross and crabbed, that he cursed her and whipped her from time to time.

On July 29, 1918, she says, he grabbed her by the hair and threw her out of the house. She then returned to her parents in Omaha. On April 1 she heard that one of her children was sick and she hurried to Keystone to take care of the child. Her husband then made a prisoner of her, she alleges. He has \$2,300 in the bank, 25 horses, several head of cattle and an automobile, she says. She asks the court to give her at least \$2,500 alimony.
